

A report of Masonic meeting and banquet will be given in our next issue.

Remember the dates, November 28th and 29th. Annual Catholic Bazaar. Euchre and tea and dancing Friday. Fowl supper Saturday evening.

Mr. Albert Michael, of Waldron, Sask., is home on a visit with his mother, brother, and sister. This is the first visit inside of twenty years.

Both companies of hunters from Richmond Hill have returned safe and sound from the wilds of Muskoka. Both report deer plentiful and a splendid outing.

Miss Carrie Lymburner, of New York, who is making a visit with a relative, Mr. Arthur Morgan, of Thornhill, called on a number of old friends in Richmond Hill on Tuesday.

Will our valued correspondents and others kindly try to have news items reach The Liberal Office early in the week. If nothing reached us before Wednesday there would be no paper on Thursday.

A Bazaar will be held in the Oak Ridges Hall, in connection with St. John's Church, Friday evening, November 23. Supper will be served from 6 to 7.30, to be followed by a concert at 8 o'clock.

Don't forget the lecture on "Scottish Humour" by Prof. Knox, of Toronto, in the Presbyterian Church this (Thursday) evening. Mr. J. H. Dunlop, President of the Men's Association, will occupy the chair.

Miss Elizabeth McLean Alle, nee was accidentally killed yesterday by a small work-car on the C. N. R., which passes through the Alleyn farm, 3rd concession of Whitechurch. Funeral at Oak Ridges Church Friday, at 3 p.m.

BAZAAR—Presbyterian Church, Saturday, Nov. 22nd, opened at 8 o'clock by Mrs. Geo. S. Henry. Fancy work, lingerie, novelties, home-made cooking, and candy, fish pond. Tea served from 4 to 6 o'clock, 25 cents.

Unless the speed limit is very high the wind last Sunday must have gone beyond the limit. The first real snow covered the ground, and Sunday night gave us 15 or 20 degrees of frost. Many motorists and others were not prepared for the sudden change.

The literary department of the Young People's League of the Methodist Church has charge of the meeting for Monday evening, November 24th. A good musical programme has been arranged, and lantern slides on the life of David Livingstone will be shown.

At a meeting of the Board of Trade Monday evening Reeve Trench reported that the Board of Health had appointed Dr. Macdonald, V.S., to make an inspection of the source of our milk supply, with a view of seeing that everything is kept in a sanitary condition.

At a special meeting of the Board of Education Monday evening it was decided to have the formal opening of the new High School Friday evening, December 5. Addresses by prominent educationists from 3 to 5 p.m.; tea from 5 to 7, to be followed by a hop from 8 to 12 o'clock.

The farmers in this section of country have had a prosperous season. With the exception of potatoes the prices have been satisfactory. Wheat in Winnipeg has gone over the \$1.70 mark, and other grains are bringing a good price. When farmers are prosperous all other lines seem to be prosperous.

Municipal Accommodation

To the Editor of The Liberal:
Sir, Is any move being made regarding the erection of a new Town Hall in the near future. We are very much in need of a building with accommodation for Council Chamber, Fire Hall, Clerk's office, Public Library, Court Room, and a hall for entertainments and public meetings. The Council Chamber is rented only from month to month, and the occupants would have to vacate if they received a month's notice to do so.

Last Monday evening the Board of Trade assembled for a meeting in the Council Chamber, but as they found it was the night for Band Practice, the former had to retire to a private home. There is a strong feeling that the Village Council, the Board of Trade and the Ratepayers' Association should get together and see if they can devise some scheme for better accommodation.

NEWS NOTES

Hamilton has been shocked by a second murder. Horribly mutilated the body of Fred Genesee was found Saturday morning at a point about half a mile east of Stoney Creek. The unfortunate man who was a taxi-cab driver had been bound with cord, and thrown over the precipice.

James McCormick, 26 years old, of Toronto, died in the Millard Fillmore Hospital at 10 o'clock Saturday night, as the result of injuries suffered, when run over by the wheels of a freight car at the end of the American International Bridge in Black Rock. According to police, he was being smuggled into United States, and was attempting to escape when the tragedy occurred. McCormick was said to have jumped from the freight car, and striking his shoulder against the door, fell, rolling under the wheels.

Methodist Services

A former pastor, Rev. W. S. Irwin, will occupy the pulpit in the Methodist church next Sabbath both morning and evening. His many friends will wish to seize this opportunity of renewing friendship.

An interesting programme consisting of folk dances, songs, and an illustrated address on England by the Rev. R. S. Mason will be given. All members and friends should make an effort to be present.

VICTORIA SQUARE

The Baseball boys and their friends were given their annual banquet by the Baseball girls in the Public Hall on Saturday evening last. The repast, as usual, was sumptuous, and the wants of the guests were well supplied by the younger girls of the community. This banquet was the occasion of the presentation of the cup given to the winners in the Hill-Square League, which was won by the Victoria Square boys this year. Congratulations boys!

The presentation of the cup was made by Mr. Jas. Clayton, Milliken, a keen and fair sport, in an appropriate speech to Mr. Jas. Smith, manager of the boys team. Mr. Smith in turn, presented it to Mr. Ben Gaynor, capt. of the boys team. Mr. Ben Grant, of Richmond Hill, and Mr. Hooper, of Thornhill, spoke for the League and the places which they represented in a few well-chosen words. With Mr. E. J. M. Hitchcock as toast-master, toasts were proposed and responded to in a very able manner. The committee in charge are to be congratulated upon the success of the evening.

On Sunday the Methodist congregation was delighted to have with them, the children of the Orange Orphanage for the afternoon service. These happy, well-behaved children left a very pleasant impression upon the people and a visit from them again will be a pleasure, to which everyone is looking forward.

The Sunday snowstorm came just in time to remind us that winter and Christmas are drawing very near. The extremely fine autumn almost led us to believe that winter had passed us by.

Mr. Jas. Smith spent the week-end with Mr. and Mrs. H. Forrester.

Miss Irene Fry was the guest of Miss Alice Read over the week-end.

Mrs. Goforth, a Missionary, home on furlough, gave a very interesting address at Prayer Meeting, Tuesday night. She gave us a short sketch of her work in China and of what prayer had done for her and her husband. She impressed upon us that prayer as well as money was an absolute necessity. Prayer meeting will be held at Mr. R. F. Klinc's next week.

Mr. W. H. Mortson, Fairlight, Sask., is spending a short time with his brother, Mr. John Mortson of this place.

Mr. Mortson has bought a carload of pure-bred stock to show at the Royal Fair.

Miss Ward, Toronto, spent the week-end with Mr. and Mrs. H. Forrester.

SATURDAY, DEC. 20—Farm stock, implements, furniture, grain, hay etc., lot 19, con. 4, East York, the property of J. W. Lowry. Sale at 11 o'clock sharp. Lunch provided, very large sale. The auctioneer will start on time. Prentice & Prentice, Aucts.

Presbyterian Services

The minister will preach at 11 and 7 o'clock. Morning subject—"Church Union." The Sunday school meets at 2.45 p. m.

Sad Accident

Mary, the seven year old child of Dr. Johns, Thornhill, was run over by an auto on her way from school yesterday afternoon. The little girl's skull was fractured, and she was rushed to the Sick Children's Hospital. Mr. John Clement overturned his car on the railway track in trying to miss the child.

York County Judging Teams

Teams representing York County won fourth place in the Stock Judging Competitions at the Guelph Winter Fair, and at the Royal Winter Fair, Toronto. Competition was very keen in both events, twenty-six competing at Guelph and thirty-five teams at the Royal.

The team which judged at the Guelph Fair consisted of, Jack Frisby, Gormley; Owen Loveless, Agincourt; Nelson Boynton, Gormley.

In the individual standing, Jack Frisby stood eighth with Nelson Boynton thirteenth.

The "Royal" team consisted of, Clare Sanderson, Victoria Square; Allan Baldson, Tedmorden; Harold Cowie, Markham.

Clare Sanderson stood eleventh in the individual standing with Allan Baldson fourteenth.

Considering the fact that the teams had very little time to train on account of the busy season and that there was exceptionally keen competition, the boys are to be congratulated on the splendid showing which they made. Much credit is also due to the different breeders who so generously gave them classes to train on and assisted in every way possible.

Toronto Police Court

Magistrate Jones continues to deal severely with offenders against the Ontario Temperance Act. Monday, in the Police Court, another hotel-keeper was before him in the person of Albert J. Simon, of Broadview Hotel, Queen Street East and Broadview Avenue, charged with keeping over-strength beer. Simon was convicted and fined \$1,000 and costs.

Accused of keeping liquor for sale at 209 Ontario Street, Edward Williams was fined \$1,000 and costs or six months, with the addition of a compulsory three months in jail. This was Williams' second offence.

Robert Junkin was fined \$250 and costs for having liquor in an automobile.

For being intoxicated while driving an automobile, James A. Jack will spend two weeks in jail.

In the Women's Court, Samuel Bolton was fined \$100 and costs or two months, on conviction of illegal possession of liquor. The charge against Ethel McLaren jointly charged with Bolton, was dismissed.
