York County Boys Visit The Royal Winter Fair

Many people have been heard to express their appreciation of the Royal Winter Fair, but it is doubtful if any one was as keenly appreciative of all the sights of the big Fair as the party of boys from York County which spent two days in Toronto as a reward of their ability in stock judging at their School Fairs. Rarely has a party of boys had so much experience and enjoyment crammed into two days as had this party.

Beginning with a tour of Simpson's Store at 12.30 on Friday, their trip included also a banquet provided by the Robert Simpson Co., in company with the heads of the firm, a tour of the T. Eaton Co. factory, a trip through the Parliament Buildings, an address by Mr. Roadhouse, the Deputy Minister of Agriculture, and finishing up the first day by taking in the night show at the Royal, where the classes of jumpers, trained horses, musical ride and the antics of the clown all contributed to the evening's entertainment.

The boys were warned not to get up until 7.30 next morning, but such a thing as sleeping on a trip of this kind was considered a waste of time and as early as five o'clock sounds of revelry were heard and long before daylight the boys were ready to start the day. Saturday was spent in the Royal Coliseum where nothing was missed. The horse, cattle, sheep, and swine stables were all visited, much interest being shown by all the boys. Next, the poultry show, silver fox exhibits, and all the other exhibits including the gold fish, were visited and commented upon. The dog show probably excited more interest than anything. This building contains wonderful variety of dogs, and such a great variety of noises ranging all the way from the yapping of a pomeranian to the baying of the hounds and mastiffs.

The afternoon was spent watching the horse show, the party leaving for home at four o'clock, and were all delivered safely to the various homes, loaded with souvenirs, very tired and very happy.

The party consisted of—John Cavanagh, Agincourt; Frank Snodden, Pefferlaw; Arthur Watson, Queensville; Leland Heacock, Kettleby; George Boynton, Gormley; Cameron McClure, Kleinburg.

This trip will be made an annual affair for the winners in the Stock Judging Competition at the different School Fairs. It is to be hoped that each Township will provide enough live stock at each of the fairs to permit of a good competition.

Rod And Gun

Brimful of interest to every sportsman is the December issue of Rod and Gun in Canada. Two especially good stories appear in the first section. I've Wandered in the Village, Tom, by George R. Belton, will touch a chord of sympathy in everyone who has returned to the home town after years of absence. Bonnycastle Dale upholds his reputation as a writer of very interesting wild animal and wild bird stories in The Canada Grouse. F. V. Williams and Martin Hunter, other regular contributors, have stories that are worthy successors of their previous ones. Besides other interesting and instructive articles, the regular departments are all up to the mark. Guns and Ammunition comprises a number of extremely interesting articles on a variety of subjects.

1924 Christmas Seals

The National Sanitarium Association is to be congratulated on the handsome Christmas Seals now on sale in aid of the Muskoka Hospital for Consumptives.

To meet a persistent demand for a real Christmas Seal, not merely an advertising sticker, quite a new departure has been made. The seals, beautifully colored and embossed, ten designs, are put up assorted in packets of different denominations. The Hospital is in need of funds to carry on its work. Why not buy these seals in lieu of others? Not only will you get good value in return, but your money will be made to serve a greater end, for it will go to help someone in distress.

For sale by school children, and banks, or direct from Xmas Seal Department, Gage Institute, Toronto, Ontario.
