HOME AND SCHOOL CLUB

The March meeting of the Home and School Club was held Tuesday in the Gymnasium of the High School. The attendance was splendid considering the condition of the weather.

After a few business items were disposed of the programme was given by the Literary Society of the High School.

In the absence of the President of the Society, Mr. Stewart, Principal of the School, in a few well chosen words extended a hearty welcome to the Home and School club, and stated a few ways in which the services of the club had been a benefit to the school.

This was followed by recitations, vocal and instrumental numbers by Misses Lottie Ball, Muriel Watson, Nona Warren and Mr. Bernard Dudley. These were all greatly appreciated by those present, while the scene from "The Merchant of Venice," although short, was splendidly given.

After a hearty vote of thanks was extended to the entertainers the meeting was closed by singing, "God Save the King."

Vaughan Liberal Association

The annual meeting of Vaughan Township Liberal Association was held in the Town Hall, Vellore, Wednesday, March 18th, addresses were given by Mr. Howard Cane, Newmarket; Mr. Pingle, ex-speaker of Alberta, Legislature and Hon. Duncan Marshall, Dom organizer. Mr. Marshall went into the pulpwood industry extensively, and said that not one foot of pulpwood from timber limits went to the U. S. but had to be manufactured in Canada. But the settler on his 160 acres could sell where he got the most money for his pulpwood—and where the U.S. paid more than the Canadians, he got pulpwood. Officers were elected as follows:

President—J. S. McNair
Secretary—W. O. McDonald
Treasurer—W. Anderson.

VILLAGE COUNCIL.

The Council met in the Clerk's office, Monday, March 16, present the Reeve and Councillors, McLean, Pugsley and Greene. Minutes of previous meeting read and confirmed.

Councillor McLean reported having investigated the matter of drainage in the north end of the village and stated that his opinion was that the only solution of the difficulty was a storm drain on Yonge street. The Reeve also stated that he had obtained some engineering advice on the matter and also prices and that the work could be done for approximately 13 cents cost per foot frontage to the properties affected.

On motion of Councillor Pugsley, seconded by Councillor Greene the application of H. H. Palmer for a Bowling Alley license was granted, the same to be subject to the regulations under the by-law in that regard.

Mr. H. Davis addressed the Council with a view to having some gravel placed on Mill street.

Mr. A. G. Savage made a personal application for a drain on Yonge street from a point in front of the south side of his lot to the Centre street drain. On motion this application was granted subject to a report of the engineer as to the levels and sufficient fall.

A resolution, moved by Councillor Pugsley and seconded by Councillor Greene, was carried, appointing Mr. Wilfred Jones to serve on the Board of Education as High School Trustee for one year.

Accounts amounting to \$583.25 were read and ordered to be paid.
Council adjourned.
