When You Travel

Are you going abroad this year? If so, we suggest you carry a Letter of Credit. It is the most satisfactory method of providing your needs in foreign currencies. It acts as an introduction to bankers in all parts of the world, and then, your funds are drawn from your own Bank only as you draw on the Letter of Credit.

Important Meeting of the Presbyterian Congregation

For several weeks past, the members of the Presbyterian Church have been considering the situation created by the recent vote on Church Union. The Congregation met on Monday night to receive the report of a large Committee appointed to study the different phases of the question. In the opinion of this committee only one course seemed satisfactory, and after careful deliberation it was unanimously and enthusiastically decided to accept their recommendation and carry on as a separate charge after June 10th. Pledges of support given by those present indicated clearly that the congregation as a whole can meet all the financial responsibilities this step will involve.

In the course of the evening, the Minister, Rev. J. W. McIntosh, was given a special vote of confidence and esteem.

Major Blaney, Mr. J. R. Herrington and Dr. R. Lungstaff were elected as additional managers. The meeting was largely attended and a fine spirit of optimism and enthusiasm prevailed throughout.

Notice

It will be seen by adv. elsewhere in this paper that on the 15th of June the residents and ratepayers who are entitled to vote will be called upon to vote on three by-laws. First, are you in favor of adopting the so-called Day-light Saving Time? Second, are you in favor of obtaining from the Hydro-Electric Commission a supply of electric power? Third, are you in favor of the purchase of a Ford truck equipped with chemical tanks, triple pumps, ladders and hose for additional fire protection, at a cost not to exceed \$2,700?
