A WARNING

"The subject 'Teachers' is no doubt a legitimate one to discuss at political meetings, but seldom is the subject discussed. At a meeting of Ward 6 Conservative Association Tuesday night, Mr. Wm. C. McBrien, Chairman Board of Education, Toronto, said "if any teacher openly defies me on the board he will lose his job."

The chairman did not hint that there had been defiance, but he took the opportunity to give the Toronto teachers timely warning. Again Mr. McBrien stated publicly that "he would not be influenced by any two-by-four organizations.

This looks very much like an insult to the intelligence of teachers. The teachers of Ontario are considered among the most intelligent class or profession. Surely chairman McBrien does not wish to make an exception of Toronto.

GORMLEY

According to announcement the Tunker Brethren held their love-feast and communion services on Saturday and Sunday May 16, and 17. Services commenced at 10 o'clock on Saturday and continued until 5 o'clock. At 6:30 we engaged in the ordinance of feet washing as taught in St. John, 13 chap. After that we observed the Breaking of Bread and Drinking the cup. There were a great many participants, as we had Brethren and Sisters present from different parts of the states as well as from many points in Canada. During the day tears were in evidence throughout the congregation as we listened to the experiences of the saints with the enemy of their souls. Our Ministerial staff was increased by Elders from Welland, Stayner and Kitchener. On Sunday morn the church was crowded to the doors, and the word was brought forth with power backed home by the Holy Ghost. Theme if any man thirst let him come unto Me and drink. St. John 7:37. On Sunday evening Eld. E. J. Swalm, of Stayner, spoke to the young people on the adaptability of the Word of God and warned them to avoid trashy literature. There was also a good free will offering on tent work throughout the summer in different parts of Canada.

VICTORIA SQUARE

We are very pleased indeed to have with us again Mr. Arthur and Miss Kathleen Dennis, who have been attending Nyack Missionary Institute for the past two years. Miss Dennis has graduated, but her brother returns at the end of two weeks, to Newark, New Jersey, where he has a position for the summer.

The W.M.S. were very successful in choosing last Sunday to hold their special services. The weather was ideal and the attendance was large, and as a result of the strong appeal made by the speaker, Mrs. Hawkey, the collections were very gratifying. Altogether the ladies had a satisfactory Sunday in every sense of the word.

Mr. Wm. Klees is a happy man these days. He has a new Chevrolet truck and a new baby boy. Congratulations Mr. Klees!

Mr. and Mrs. Wm. Neil and Miss Evelyn, of Richmond Hill, visited with Mr. and Mrs. John Morton on Sunday.

Mr. Millard Brown has announced to his friends that he feels quite competent to drive his new Chevrolet car any distance that they see fit to suggest to him, providing they are occupants. He has already learned to drive it well with two hands and is now studying the art of driving with one, thereby fitting himself for any emergency which may arise, due to congested traffic etc.

Mr. Gordon Morton was motored to Toronto on Tuesday evening by his friend Mr. Arthur Dennis. Gordon says he is a splendid chauffeur but when he arrives at a certain residence in Toronto, he forgets that time doesn't pass as quickly for the one left in the car as it seems to the gentleman who is fortunate enough to have entrance into this particular home.
