JUNIOR FARMERS ENJOY BANQUET

Enthusiasm Marks Speeches
At "Victory Dinner" In
Richmond Hill

Optimistic messages which augur well for the future of the Junior Farmers' Movement in York County added zest to the Victory Banquet held Tuesday evening in the school room of the Methodist United Church, Richmond Hill, in honor of the boys who have recently won trophies in stock judging and plowing competitions.

About 125 young men and women from all parts of York County assembled for the dinner, which was daintily served by the members of the Ladies' Aid.

Russell Boynton, of Victoria Square, proved an excellent toastmaster. Earl Toole, proposing the toast to "Our Guests," gave a thoughtful talk on the progress of the Junior Farmer Movement. William Gardhouse responded. Sandy Latimer, of Sutton West, in happy vein, proposed "The Ladies," bringing an equally happy response from Miss L. Carroll, of Woodbridge. Bert Roadhouse, Deputy Minister of Agriculture, spoke in an easy, informal manner, presenting some interesting reminiscences. It would fall to his duty, he pointed out, to remind the minister that another trophy was required "for the York County boys to carry off."

In presenting a beautiful silver set, won by Harry Ratcliffe of Stouffville, A. J. H. Eckhardt of Toronto recounted interesting incidents of early days in Markham Township. A silver service was also presented to Gordon Weldon of Maple. J. P. McGregor of Toronto presented the trophy won by Clark Torrance of Weston. To Garnet Cowie of Markham goes the prize presented by J. F. Fleury's Sons, Aurora.

The Manning Doherty cup won for the permanent possession of York County this year by Donald Petch, Clarence Graham and Fraser Gee reposed upon the head table.

Tribute was paid in the addresses to the unprecedented victories scored on successive days at the International Plowing Match in Brockville by Floyd Steckley of Gormley.

A solo vocal was charmingly rendered by Miss Margaret McCague, of Richmond Hill, and a pleasing duet by Misses Cosford and Wood of Aurora.

Mr. James McLean was among the occupants of the speaker's table, and among the men prominent in municipal affairs present were Reeve Gohn, of Markham; Reeve Weldon, and Deputy Reeve Kellam of Vaughan. Rev. A. A. Wall spoke briefly.

A mixture of badinage and laudatory remarks in serious vein testified to the esteem in which the junior farmers hold Mr. R. J. Rogers, District Agricultural Representative at Newmarket, and Mr. H. K. McCharles, assistant, both of whom made a few remarks.

The reception committee consisted of Miss Grace Duncan; Miss Margaret Watson; Mrs. James Richards; Mr. Robert Watson; Mr. Elton Armstrong, and Mr. Clarence Graham.

Reeve Trench Host At Dinner

Marking the occasion of his retirement after twenty-eight years in municipal service, Reeve Thomas H. Trench on Friday evening last entertained his fellow-members of the Council and a number of other citizens at a dinner at his home. His sister, Miss Trench, assisted by Mrs. Hume, as hostesses, took care of the guests with graciousness and charming hospitality. About a score in all assembled at the dinner, which was followed by progressive euchre.

Members of the Council made the dinner the occasion for the presentation to Mr. Trench of a diamond stick pin and a smoking set. With a few appropriate words, Mr. W. H. Pugsley, the oldest member of the Council, and Mr. James McLean, handed to Mr. Trench the tokens of esteem.

Mr. H. A. Nicholls, with a fund of apt anecdote and reminiscence, performed admirably the duties of toastmaster, and Mr. William Davies at the piano led the choruses, which were interspersed with the toasts. The toast list was as follows:

The King.
The Village Council. Proposed by W. W. Trench. Response, Councilors Lunan, McLean, Pugsley and Greene.

The Board of Education. Proposed by D. Hill. Response, Dr. Langstaff. Our Village Clerk and Treasurer. Proposed by N. Batty. Response, A. J. Hume.

The Press. Proposed by R. Ender. Response, R. F. Choate.
The Ladies. Proposed by J. H. Naughton. Response, G. Moodie and Peter Savage.

Praise Is Given Quality Printing

A well-known Torontonian who was among the guests at the Junior Farmers' banquet, Tuesday, carried home in his pocket three of the souvenir menu cards printed in two colors on The Liberal presses. "It is an excellent piece of typography and a credit to Richmond Hill," he observed. "Indeed, in quality it is seldom equalled at any of the banquets in the big downtown hotels. I'm sending a couple to friends." Within the last few weeks The Liberal has executed printing commissions from a number of distant points with uniform satisfaction to our patrons. In QUALITY PRINTING, The Liberal Job Department stands first in York County.

HOCKEY CLUB IS ORGANIZED

Thornhill Will Send Delegates To Meeting In Richmond Hill

(Special to The Liberal)
Thornhill, Dec. 10.—Hockey is off to a good start in this village, as last Monday evening saw the reorganization of the local club. The following officers were elected: Honorary Presidents: G. H. Hooper and W. A. Dean; Vice-President, R. Wesley; Treasurer, S. B. Elson; Secretary, Neil McDonald. The Management Committee is composed of Messrs. Pearson, Echlin, A. E. Pearson, Johnson and Price. This committee will meet the Curling Club to arrange for playing nights in the present rink. Niel McDonald, Ross Wesley, S. B. Elson and "Sam" Johnson were appointed delegates to the meeting to-day in Richmond Hill for the purpose of forming a league along the radial line.

The Men's Bible Class will hold their annual entertainment in the United Church on New Year's evening.

Henry Carson, aged 84, one of the oldest inmates of the Municipal Farm, passed away last week. Interment took place at Thornhill cemetery.

A C.G.I.T. troupe has been organized in the Village under the direction of Miss Strangways. We wish Miss Strangways great success in this splendid work. The officers of the troupe are: President, Isabel Farr; Vice-President, Nora Johns; Secretary, Ila Brillinger; Treasurer, Gladys Hooper; Pianist, Marguerite Echlin; Assistant Pianist, Florence Wells.

The following officers of the Thornhill Curling Club were elected last Friday evening at the Club's annual meeting: Honorary President, Mr. D. Boyle; President, R. Simpson; Vice-President, S. B. Elson; Secretary-Treasurer, W. Riddell. Messrs. Fuller, Echlin and Teeson were elected managers for the coming season. To interest the younger generation in the old Scottish game it was decided that the fee for juniors (under 20 years of age) would be \$3 instead of the customary \$5 to join the Club.

Friends will be pleased to learn that Mr. Stuart Wilcox is recovering from the injuries received when struck by a motor car a few weeks ago.

Forward Move In York Mills

(Special to The Liberal)
York Mills, Dec. 10.—A delegation from the York Mills Ratepayers Association asked the North York Council at Monday's meeting if it could be made possible that they should have garbage collected more than twice a year.

"Better Service---Lower Fares"

Notwithstanding the obstructionist tactics of the Soviet chiefs who control the Toronto City Hall, the issue of "Better Radial Service, with Lower Fares" will be carried aggressively into the coming municipal campaign.

The Council at a special meeting held Monday night on the call of the Mayor, refused to submit to the electors at New Year's, Dr. Risk's proposed plebiscite question as to whether or not they favor transferring the York Radials from the Provincial Hydro to Toronto Transportation Commission control.

The action of the Council signifies nothing—save a period of delay. The pretext that further information is desired deceives nobody. Both the Hydro and the T.T.C. have made reports. Nothing of importance will be added by any of the supermen who draw their salaries at the City Hall.

Even the Telegram admits that a condition of chaos exists with regard to Hydro Radials which the successors of Sir Adam Beck will be incapable of remedying.

The determination of wide-awake Toronto citizens to insist upon early action in the matter, was made evident at a meeting of the North Toronto Ratepayers Saturday night. At this meeting the result of the vote taken by The Liberal was cited by Mr. G. W. Ellis and other speakers in the course of an interesting discussion, as reported in the Toronto newspapers. In thus bringing before the Toronto electorate an expression of Suburban Yonge's opinion, The Liberal believes a real service has been done. While Toronto is primarily interested in the Hydro Radial deficits of \$250,000 a year, Suburban Yonge's requirement, first, last and all the time, is "BETTER RADIAL SERVICE WITH LOWER FARES"—in pressing for which The Liberal believes no occasion should be lost.

Sewer System For North York

(Special to The Liberal)
Willowdale, Dec. 10.—Action taken at Monday's meeting of North York Council indicates that the Township may in the near future be empowered to construct a sewer system and disposal plant. In consequence of the widespread demand for sewers, Council instructed the solicitor to advertise the intention of the municipality to secure the necessary legislation.

North York is now getting many beneficial improvements. The lighting system is something to be proud of. It is not time for a big forward movement backed unitedly by Suburban Yonge interests?

The Council was confronted with a deputation of about 20 ratepayers asking for a donation to the Beck Memorial Fund. On motion by Second Deputy Reeve Scrase, seconded by Third Deputy Reeve Anderson, \$700 was granted. J. J. Duggan is secretary of the local committee.

The Women's Institute will be held week at the home of Mrs. H. Smith.

The Ladies' Aid will meet next week at the home of Mrs. George Poole.

Do not forget to come out and boost the Young People's Society. The members report a splendid meeting last Wednesday evening.

York County Singer Charms

One of the first Canadians to broadcast from an American station is Madam Audrie Rubanni, soprano, who was heard on the air last evening from Station W. J. Aeolian Hall, New York. Rubanni is the wife of Cotton of Toronto. She is a Bondhead, and was in Newmarket. Her program included: Il Bacio (Arditi), Danza (Puccini), and the Pattison Waltz (Pattison). She was soloist in several Toronto churches.—Newmarket Era.

Madam Rubanni, broadcasting from station C.K.C.L., Prince George Hotel, Toronto, Tuesday evening of this week, sang delightfully the same numbers and added two others, "Kerry Dance," by Molloy, and "Fiddle and I," with violin obligato by Mr. Howell.

So well received were her numbers at Aeolian Hall that the Radio Corporation of America has invited her to present another programme there in the near future.

Pageant Given At Willowdale

(Special to The Liberal)
Willowdale, Dec. 10.—A very beautiful and inspiring missionary sketch entitled, "With Christ in Canada," was put on by the young people of Lansing and Willowdale United Churches on Friday, December 4, at Willowdale United Church. The pageant was repeated on Tuesday, December 8, at Lansing Community Church. Following a prologue in which seven young ladies clad in white and silver presented in pantomime the hymn, "O Zion, Haste," Canada called forth characters representing the various resources and blessings of Canada. This was done in a most impressive manner.

The representatives of the different nations to tell why they have come and what they seek. One by one they make their plea for Christ in Canada. The nations then pledge their allegiance to the cross. Those who took prominent parts were: Canada, Miss Kathleen Rice; China, Miss Winnie Rice; Japan, Mrs. Harry Vigrass; Hungary, Miss Dorothy Herridge; Italy, Miss Dorothy Brown; Jewish, Miss Edna Vigrass; American Indian, Miss Ethel Burton; The Church, Rev. The President, Rev. W. S. Irwin, of Downsview, occupied the chair. The address of the evening was given by Mrs. J. J. Eaton of Toronto, Hon. President of the Toronto School Religion Education and a prominent children's worker. Other speakers were: Rev. Mr. Eagle of Fairbank; Rev. T. Pickett of Lansing; Mr. A. W. Galbraith of Newtonbrook, and Rev. Geo. Waugh of Willowdale.

Willowdale L.O.L. No. 277 held a Christmas Euchre, Friday, in the Municipal Hall. The turkey was won by Mr. McKechnie; the goose by Mr. Perry; pair of ducks by Mr. Fagan, while a consolation prize of a goose went to Mrs. Curtis. The Lodge will elect officers at a meeting Thursday.
