

## Save Money

It is not always easy to save but those who do save prosper. As a little money is accumulated it should be placed in a Savings Bank account where interest will be paid and the principal sum be secure. There is a Savings Bank Department at every branch of this Bank.

A pretty wedding was solemnized at the home of Mrs. J. K. Miller, Seventh Line, Markham, December 12, when her eldest daughter, Mary Ena (Maisie), was united in marriage to Harry M. Warriner, only son of Mr. and Mrs. J. W. Warriner of Markham. The ceremony was performed by the Rev. E. M. Burgess in the presence of the immediate families. The bride was given in marriage by her brother, Mr. Earle Miller of Fenelon Falls, and wore a gown of sandalwood crepe satin, with a necklace of pearls (the gift of the groom), and carried a bouquet of sunset roses. Mr. and Mrs. H. M. Warriner will be at home to their many friends at Meadow Brook Farm, after the first of the new year.

The theft of 120 chickens, all White Wyandottes, from a farm near Maple, in King Township, was reported to County Constable R. H. Chapman by County Constable Walkre, of King Township. While the constables were talking on the phone a half-ton motor truck containing the poultry and with three men in the driving seat, became stalled in the ditch a short distance from Constable Chapman's home, and was pulled out by a local farmer with a team of horses. The truck was well out of sight in the direction of Toronto before Constable Chapman was notified. The search is being continued in Toronto.

While coasting down Gorham Street hill, in Newmarket, Slimo Drury was struck on the head

The Sisman Shoe Factory of Aurora gave a banquet to their employees, with their wives and other guests to the number of about 400 in the Mechanics' Hall, together with a musical program, to show their appreciation of the co-operation of the output of 1925.

## Skips Named By The Curlers

The enthusiasm shown by the local curlers in their preparations for the season 1925-26 augurs unprecedented success for the club. Already several largely attended meetings have been held, and plans have been duly considered whereby the devotees of the 'roarin' game may have a most enjoyable winter's sport. Improvements are being made to the playing area and better lighting facilities are being provided.

The following members have been elected skips for the Slater cup and Smith medal competitions:

C. Cooper, D. Dabonette, G. Drury, J. Hunt, L. Doner, W. Frisby, R. Thompson, J. Graham, D. Watson, G. Yerex

Individual prizes will be awarded the winners and runners-up of this competition.

The President, James McLean, will give trophies to the winners of a series of games which will be competed for by doubles. Arrangements are being made for a checker tournament among the members who participate in this good old game. Prizes will be awarded the two players who do the best in this contest.

Rules governing these three competitions will be posted up in the club rooms. A telephone will be installed as soon as possible. Ice is being prepared and, if appearances count, should be ready in good shape for playing in a few days.

The club has decided to send rinks to compete for the Tankard and District Cup—the skips being: for the Tankard, H. Thomson and J. S. McNair; for the District Cup, W. Scott and J. MacLean.

Membership tickets may be obtained from C. Cooper, G. H. Glenn, F. E. Sims, N. J. Glass, and J. MacLean; the price is only \$5.00, they are easily worth five times the money, so come and join the Curling Club. You will get more fun for \$5 than you ever had.

Visitors are always welcome at the club rooms, which are now open every week day afternoon and evening.

## Cars Damaged In A Collision

(Special to The Liberal)

Lansing, Dec. 24.—While driving north on Yonge Street Sunday, Mr. Andy Jack ran into a Ford car turning into the garage. Mr. Jack said that he blew his horn to pass Mr. Smith, the driver of the car, and turned out. As he did so Mr. Smith turned in front of him. The two cars met and Mr. Jack's car drove the other one into the ditch. The car owned by Mr. Smith was badly damaged and seemed to fall apart, while the other car was not injured so seriously. In Mr. Smith's car were six persons, his wife and child and a man and young lady. The occupants of Mr. Jack's car were Mr. Morris Jack and Mr. Howard Caines. No one was injured.

With James Leavy as Santa Claus, an assemblage of about 200 persons enjoyed the jolly Christmas entertainment in St. Edwards School, Lansing, Monday evening. Rev. Father Kelly was chairman. A delightful program of recitations, dialogues, sketches and moving pictures was presented.

The Lansing United Church held a concert on Monday, December 21. The program was put on by the children of the Sunday School along with some of the older members.

Fisherville nited Church held a Christmas Tree, Monday, December 21. A splendid entertainment was put on by the Sunday School. After the concert a bountiful supper was enjoyed.
