

## Save Money

It is not always easy to save but those who do save prosper. As a little money is accumulated it should be placed in a Savings Bank account where interest will be paid and the principal sum be secure. There is a Savings Bank Department at every branch of this Bank.

## Coupe Stolen On Yonge St

Maple, December 31.—As there were no church services or entertainments on Christmas, the day passed quietly. A number of the villagers were visiting friends at a distance.

Mrs. I. Watson has been spending the past month with her sister, Mrs. Clarke, in Thorold.

Mr. and Mrs. George W. Bailey visited over the holiday and the week-end at Rev. E. C. Currie's, in Lindsay.

The Christmas concert in the Community Hall was well attended. A good programme was given by members of the Sabbath School.

Mr. J. Jarrett, of Holly, Mich., is visiting his brother, Mr. George Jarrett.

Mr. A. Walker had his coupe stolen while in a store on Yonge St. one night last week. No trace of it has been found.

Mr. Samuel McDonald celebrated his eighty-ninth birthday on Tuesday of this week.

The funeral of the late William McBeth, who passed away at his home on Christmas evening, took place to Mount Pleasant Cemetery on Monday afternoon. The sympathy of all is extended to the sons and daughters in their bereavement.

The yearling Hal Frisco, whose sire was Chilcoat (2,044) the fastest trotter ever owned in Canada, was sold by F. W. Currie, Iroquois Stock Farm, Maple, for \$750 at a sale yesterday conducted by The Repository.

### VICTORIA SQUARE

Mr. and Mrs. E. E. Gooderham of Lansing visited friends here on Saturday.

Among those who spent the holiday in Toronto were Mrs. Ida Nichols and Miss Winnifred Nichols.

Mr. William Boston is spending a few days with his brother in Napanee. Mr. Joseph Fry paid us a flying visit on Christmas eve.

Mr. and Mrs. Joseph Burnham spent the holiday with their daughter, Mrs. W. R. Nichols.

The Misses Dennie are spending a few days with their cousin, Mrs. S. White at the Miller Farm, Ringwood. Mrs. Thomas Frisby is visiting her sister in Michigan.

Christmas was fittingly celebrated in the four schools. At No. 7 a lengthy program was given by the pupils assisted by Rev. Mr. Wall, Mr. W. Wilson presiding. Santa not only remembered the children but the teacher, who was presented with a handsome table lamp. Many of the boys and girls displayed remarkable speed and accuracy in an arithmetic test. Miss Anna Winger secured the prize. Mr. Wilson distributed prizes for the best speller in each class with these winners. First class—Freeda Henderson. Second Class—Allen Doner. Third Class—Blanche Henderson. Fourth Class—Pearl Dennie.

## Teacher Wins Commendation

(Special to The Liberal)

Jefferson, Dec. 31.—The annual entertainment and Christmas tree of Jefferson School was held Monday afternoon. Friends and neighbors gathered in the old school, which was handsomely decorated for the occasion, to hear the excellent program which was given by the pupils. A resolution, moved by D. W. Clubine, and seconded by Giles Kerswill, commended the teacher for her excellent work. At the close of the program, on behalf of the pupils, W. H. Legge, chairman, presented the teacher, Miss Haggerty, with a handsome scarf. The children were all delighted to see Santa Claus come in to distribute the presents.

## Four In Field For Reeveship

Continued from Page 1  
troll over its own property. In his opinion one of the liveliest questions was "What shall be done with the Radicals?" Toronto, it was certain, would take decisive steps in the near future, and it behooved the village and county to be sufficiently watchful and well informed to safeguard their own interests.

An interesting contribution to the discussion of the transportation question was that of Walter G. Baldock, who pointed out the vast improvement in car service from Toronto to Weston in consequence of the recent transfer of the administration of the line to the T. T. C. "Why," he inquired, "should Richmond Hill be paying a 37-cent fare to the Downtown District while Weston, similarly situated, is enjoying a five-cent rate to the city with the regular 7 cents within the city limits?" One of the greatest real estate movements in the history of suburban Yonge Street was directly ahead, he declared, awaiting only the satisfactory cleaning up of the transportation problem.

J. R. Herrington was not impressed by talk of blue ruin as regards the financial position of the village, though he was convinced that economy should be practiced and the debt-renture debt be kept down.

J. A. Greene reviewed briefly his work in Council in respect of the electric light problems. He expressed himself vigorously as opposed to higher rates for stores. He thought Richmond Hill, in view of the improved protection against fire, should fight for more favorable insurance rates.

G. H. Sloan summed up his message in a few crisp words: "A safe-and-sane, pay-as-you-go business policy."

Albert E. Glass expressed surprise at his nomination, but thanked the mover and seconder and promised to give serious consideration within the next 12 hours to the matter of his candidacy. He retired later.

Garnet Duncan dealt with the financial problems of the School Board, pointing out the desirability of maintaining a surplus for the efficient carrying out of the Board's purposes. The installation of lavatories in the Public School he felt to be a necessary work.

Frank Atkinson and Wellington Hall spoke briefly.
