Son of Col. F. H. Deacon Will Make Farming His Specialty

The assessment for the east half of Markham Township shows the total assessment of that section to be \$1,892,835. Exclusive of this are exemptions on church property of \$50,000 and school property \$38,750.

The expenditure on roads in Markham Township to date, including part payment of road grader amounts to \$4,755.70.

In a communication from the Department of Public Highways, the statement is made that in accordance with a recommendation issued by E. A. James, engineer for the Toronto and York Highway Commission, the amount payable to the municipality under the Ontario Highway Act for 1925 is \$9,635.04.

In interesting contrast to the cityward trek of so many sons of the farm is the decision of Kenneth Emerson Deacon, youngest graduate in arts of this year's graduating class, to make farming his specialty.

Mr. Deacon is only 19 years of age. He is the son of Col. F. H. Deacon, of 2 Elm avenue, Rosedale, and a grandson of the late Hon. H. R. Emerson, M.P., former minister of railways and canals in the Laurier cabinet, and also of John Scott Deacon, former public school inspector for Halton. He will enter the Ontario Agricultural College at Guelph this fall and will eventually take charge of the "Glenburn Farms," his father's 600-acre country place at Unionville.

### Presented Play At Stouffville

The entertainment under the auspices of the Stouffville Y. P. A. last Friday evening which was provided by the Y. P. A. of Richmond Hill was a very successful event.

The audience completely filled the hall and followed the programme with intense interest. Their hearty applause bespoke their approval. "What Became of Jones" is a real entertaining comedy and all the members of the cast took their parts exceptionally well. In addition to the play the elocutionist Miss Marguerite Brown gave several readings which were enjoyed by all. The young people are worthy of congratulations for the splendid programme provided in the neighboring town.

### Thornhill Won From Local Team

In the Yonge Street Ladies' Softball League regular fixture at Thornhill last Thursday evening Richmond Hill girls met their fourth defeat of the season at the hands of the heavy hitting Thornhill aggregation. Richmond Hill obtained a three run lead in the fourth inning but it was not for long as the winners staged a battling rally in the fifth which paved the way to victory. Jean McDonald on the mound for the winners gave a good exhibition and also starred at the bat knocking out a home run in the fifth inning. Frances Batty pitched a good game for the losers and had the heavy hitting Thornhill crew guessing all the time but had ragged support at times. Thornhill are here for the return game on Tuesday, June 15, and a real game is looked for. They have a hard working team and will give all the other teams a hard run for the cup. The teams:

Thornhill—J. McDonald, Mrs. Findley, R. Hooper, M. Findley, N. Ground, M. Smellie, E. Luesby, S. Hooper, I. Brellinger.

Richmond Hill—I. Cowie, G. Grant, D. Hart, L. Burns, E. Snell, M. Tyndell, B. Scrivener, M. Ellis, F. Batty.

The score by innings was:  
Thornhill ..... 0 0 0 2 4 0 . 6  
Richmond Hill ..... 0 0 0 3 0 0 . 3  
Umpires—E. Wall and B. Hooper.

### Salary Schedule For High School Teachers

Trustee George Cowie Resigns From The Board of Education.

The Board of Education met in regular session on Monday night and among the items of business introduced was an application from five of the High School teachers for an increase in salary of one hundred dollars per annum. The members of the board felt that there should be some fixed schedule for the salaries and accordingly the minimum was fixed at \$1700, with a yearly increase of \$50 until a maximum of \$1900 is reached. It is understood that this will be satisfactory to the teachers and the policy of having a schedule corresponds with the policy of the majority of municipalities in the province.

Four applications for positions on the teaching staff of the public school were received and will be dealt with by the board at a later date.

Trustee George Cowie tendered his resignation as a member of the board as he is leaving the village shortly to take up residence in Acton. The resignation was accepted and the different members expressed regret that his services would no longer be available to the board. Trustee Cowie who has been a member for over twenty years and who for a time acted as Chairman will be greatly missed as his long years of service and his interest in educational affairs made a very valuable member. During his long tenure of office he rendered faithful and efficient service for the cause of education in this district.

The matter of the tennis courts at the High School were discussed at some length and it was finally decided to purchase two tennis nets, same to be part of the general equipment of the school and that any organized bodies desiring to use the courts must make application to the board.

The members present at the meeting were: Chairman, G. H. Duncan; secretary, R. S. Cooper; Mrs. A. J. Perry, J. P. Glass, Dr. R. L. Langstaff, J. E. Atkinson, W. Jones, and George Cowie.

### Spring Flower Show Tuesday, June 15th

Mrs. Percy Waters of Toronto Will Give Interesting Demonstration

One of the early summer attractions each year in this district is the Spring flower show of the Horticultural Society. The show this year will be held as usual in the Sunday School room of St. John's United Church, on Tuesday evening, June 15.

In addition to the regular exhibition an added attraction has been secured this year. The society have been successful in arranging for a demonstration of the arrangement of flowers for home decoration by Mrs. Percy Waters of Toronto of a well known firm of commercial florists. This demonstration promises to be a very popular addition to the show and those who know Mrs. Waters and have seen her work speak very highly of her ability. The demonstrator brings her own flowers and talks interestingly as she shows the different arrangements of the blooms.

Entries will be received by the committee in charge from three to five o'clock on the day of the show and all exhibitors are urged to have their flowers entered in good time. The doors will be opened to the general public at eight and ample time for inspection of the flowers will be given before the demonstration commences.

The officers of the society have given freely of their time and energy in the organization of the event and it is to be hoped that the citizens will give freely of their patronage as they have in former years. The officers of the society are as follows: president, George Gee; 1st vice-pres., Miss F. M. Brown; 2nd vice-pres., Mrs. O. L. Wright; secretary, Mrs. A. J. Hurie; treasurer, Miss Anna Moyle; directors, W. A. Trench, A. Elson, W. Scott, H. D. Bennett, Miss Burr, Mrs. I. D. Ramer, Mrs. A. Edean, Mrs. C. Kerswell, J. S. McNair and W. Bagg.

### LATE WILLIAM CAIRNS

On Thursday, June 3rd in the Western Hospital Mr. William Cairns passed peacefully away in his 42nd year. Mr. Cairns had been ailing for some time but his sudden demise came as a great shock to his many friends, few of whom realize the serious nature of his trouble. Mr. Cairns took a very active part in connection with the work of the United Church here and more particularly with the work of the League. Sunday evening, May 30th he along with his family attended service and assisted in taking up the offering as was his usual custom. Not quite two years ago he was united in marriage to Miss Hilda Robson who along with one son survives him. He is also survived by his father and mother James and a sister Lena. The very large funeral and the many beautiful floral tributes bore ample testimony as to the esteem in which he was held by the whole community.

### Regular Session Vaughan Council

The regular session of the Vaughan township council was held on Monday afternoon with Reeve Weldrick in the chair and all the members present. The council met as a court of revisor in the morning to hear appeals against the assessment but no appeals were made and accordingly the assessment was confirmed.

A petition for improvement of the roadway on Yongehurst road was received and it was decided to go ahead with the work under the local improvement act. The work will be done by the township and the cost charged up to the residents on the street over a period of five years. E. A. James was appointed local improvement engineer for the township and it is understood that there will be considerable work by the township in a similar manner during the summer.

The paving of the two mile stretch on the Weston road between lots 14 and 22 will commence in the near future. The new roadway will be sixty six feet wide and the owners of property along the road will have to move their fences back about ten feet. Seven or eight owners are effected, but the council anticipate no difficulty in the matter.

A by-law was passed re the issuing of debentures for the construction of the Langstaff school, amounting to \$16,000. It is understood that the township are taking all the debentures.

There will be a tug-of-war, married versus single men; a nail driving contest, races and various other sports. At 6 p.m. there will be a league baseball game between Victoria Square and Unionville. In the evening there will be a high class programme in addition to the play "When Jane takes a hand" presented by the White Rose dramatic club. On Sunday the special anniversary services will be conducted by Rev. J. A. G. Cascadden, of Barrie. The choir will be assisted by Mrs. Simpson, soloist, of Toronto.

### Why shouldn't they buy from you?

Make up your mind to secure the trade of the Summer cottages near town, this year. Think of all the things they will be buying! Why shouldn't they buy them from you? In the city they are used to ordering goods by telephone. Call them, even using Long Distance where necessary and tell them what you can do for them. Remind them that for week-end parties you can give them prompt delivery.

When they see how easy it is to order from you by telephone they will likely prove good customers all Summer.
