Chicken - Thieves

When the FEDERAL BURGLAR ALARM is attached to your chicken-house you hens are safe—nobody can steal them.

The Federal is a very simple spring-steel device that works like a trap when a chicken thief opens any door or window to which it is connected; the alarm makes a very loud report, scaring the thief and awakening your whole household.

NOBODY CAN "BEAT" THIS ALARM

But in spite of the absolute protection FEDERAL affords, it is quite harmless; it cannot harm even the burglar; but it thoroughly scares him, protect your chickens and awakens you.

The Federal Cannot Fail—Absolutely Guaranteed To Last A Lifetime.

Ten Day Money Back Guarantee

The Federal Burglar Alarm is returnable, if after ten days you find the Federal Burglar Alarm unsatisfactory in any way. Simply mail the Federal Burglar Alarm back to us collect and your money will be cheerfully refunded.

FEDERAL SALES CORPORATION,

IN MEMORIAM
CURTIS—In loving memory of my dear son Leonard, who was killed June 11th, 1923.
I often look at your photo dear Leonard
As it hangs on the wall for it brings back happy days gone by,
And the tears gently fall.
Yet, when I look at you sometimes it seems you smile and say,
Do not weep for me, dear mother
We shall meet again some day.
Ever remembered by Mother and Sister.
Gone but not forgotten,
His will be done.

While Hazards of Motoring on Suburban Yonge are Increasing Daily the Question is

**Not "Shall I Insure" -
-but
In What Company?**

What about its stability?
Is it FAIR and PROMPT in its adjustments?

How liberal is its policy and how broad is its protection?
