Many Social Events In Honor Of
Miss Edythe M. McDonald

The generous coating of oil and gravel given the good roads has been making it rather uncomfortable for the autoists.

W. H. Hall, General Manager of the Canadian Surety Company of Toronto has been spending a week with friends in King City.

Members of the St. George's Society of Toronto motored on Wednesday afternoon to Lake Marie and very much enjoyed the hospitality of Sir Henry Pellatt. The guests were loud in their praise of the beauty of the place. The grounds never looked better than they do at the present time.

There has been many social events held in connection with the coming marriage of Miss Edythe M. McDonald to Mr. A. E. Knowles of Providence, R.I. which takes place next Saturday. All of these events were far outclassed by the Trousseau tea given on Saturday last at the home of Mrs. J. A. McDonald, over 250 guests attending this interesting function.

Mrs. U. C. Hamilton of Toronto and Mrs. J. A. McDonald received with the bride-to-be. The many beautiful gifts amply testified to the popularity of Miss McDonald. TEACHERS ASK FURTHER RAISE

Board Stands By Adopted Schedule
And Refuses Request

The Board of Education in special session on Wednesday night refused the request of all the assisting teachers at the High School for an increase in salary this year of \$100. In a carefully prepared and somewhat lengthy communication which was signed by all the teachers it was pointed out that the schedule adopted by the Board at the last meeting was not proportionately high with the size of the school and did not provide enough incentive for a good teacher to remain on the staff. The schedule adopted by the board provides for a minimum of \$1700, a maximum of \$1900, and a yearly increase of \$50. The members were unanimous in deciding to stand by the schedule.

Miss Bertha Fox of Barrie was appointed to the public school staff at a salary of \$900. Miss Fox has had several years experience and comes highly recommended. She is a daughter of Rev. Fox who is shortly taking up residence in the village.

Victoria Square

The annual Sabbath School anniversary and picnic was held on Saturday and Sunday last and from every standpoint was a very successful event. There was a splendid attendance and the program of sports was much enjoyed as was the evening entertainment and the services on Sunday. The picnic is an annual event which is looked forward to with interest and anticipation by a large number of residents of this district. Many old friends renewed acquaintances and a pleasant social time was enjoyed. The spacious and beautiful grounds of Thomas Klinek looked their best although the weather was not exactly suitable for the month of roses. In the evening entertainers as well as the audience felt some what shivery but despite the inclement weather all features of the day were very successful.

The services on Sunday were conducted by Rev. Carscadden of Barrie who delivered two eloquent and impressive sermons. In the afternoon he spoke especially to the children on the subject of character building and in the evening enlarges on the same subject. Mrs. Simpson of Toronto assisted the choir which was composed of the young ladies of the Sabbath School under the leadership of Mrs. McCague.

On Saturday the softball games proved popular attractions as did all the other sporting events. Milliken were the winners in a girls game and Unionville won a league game from Victoria Square with a 14-13 score.

In the evening a very splendid programme was given presided over by Rev. Wall. The play "When Jane takes a Hand" given by the White Rose Young People was well presented and well received. All the other entertainers were heartily applauded by the audience. The proceeds of the day amounted to over two hundred dollars.

N. York Township Tax Rate Unchanged

The North York Township Council in regular session on Monday fixed the tax rate for the year for county and general township purposes at 16 mills. It is expected that the county rate will be about 6 mills which will leave the township rate about 10 mills. The general school rate was fixed at 2.4 mills with special rates for different sections according to the requirements. The 16 mill rate is to raise \$149,849.56 and the amount required for general school purposes is \$22,477.43.

MANY BUYERS AND GOOD SUPPLY OF PRODUCE FEATURE OPENING OF YORK MARKET

Will Be Maintained Exclusively As A Producers Market

Saturday last, W. C. Gohn, chairman of the York County Market committee, Reeve R. F. Hicks of North York, Deputy Reeve W. G. Scerace of North York and James Muirhead of North York, opened a new York County Market at the City Limits on Yonge street.

The County of York have built a neat market house, which will provide accommodation for 40 sellers and Saturday morning it was filled. The city buyers were there early and at one time 50 motor cars were standing near the market house.

The market is a producers market and will provide an opportunity for residents of North Toronto to buy products fresh and direct from the producers.

When interviewed by the Liberal, Reeve Hicks, declared the purpose of the market was to provide North York and North Toronto a means of direct buying by the consumer by the producer. While he expected North Toronto to be the heaviest buyers, yet he looked forward to the day when the purchasers from Lansing, Willowdale and Newtonbrook would be no small factor in the market. And, since the market building is situated in the Township of North York, he expected the County Council of York to request North York to handle the market and pass the by-laws for its regulation.

Mr. W. C. Gohn, Reeve of Markham, expected to see this market a

success and a similar market opened on the Danforth. He also expressed himself as being of the opinion that a Tuesday night vegetable and fruit market would be worth trying, as it would give the housewives a chance to get rid of considerable work in the middle of the week.

Next Saturday morning the market will open at 8 o'clock again and every Saturday morning throughout the season.

Although this might be spoken of as a producers market, yet the prices that prevailed last Saturday morning indicated it was also a buyers market. The prices generally were as follows: Eggs sold for 40c a dozen; butter 40c to 43c; asparagus 2 bunches for 25c; spring chicken 55c; roasting chicken 40c; broilers 35c; rhubarb, three bunches for 10c; potatoes 50c a peck; apples 25c a peck; cream 20c a pint and 40c the quart; cut flowers 25c to 40c; ferns \$1.25 to \$2.50; box flowers 20c.

During the morning a representative of the Department of Agriculture, Ottawa, called at the market and commenced inspecting and grading eggs. This caused some commotion for a time, the market people being fearful of some scheme to spoil the market. However it is not expected that any difficulty will be experienced.

Before the market closed the producers presented Reeve Gohn, Reeve Hicks and E. A. James with beautiful bouquets.

Teams Tied For League Leadership

Close Games A Feature Of First Half Of Schedule

The first half of the schedule in the Yonge Street League has been completed and has resulted in a tie in both the men's and ladies' sections. In the men's league Richmond Hill and Newtonbrook have each three wins and one loss to their credit, and in the ladies' league Thornhill and Aurora are tied for the honors of leadership. That the league has been a success is the unanimous opinion of the fans of the district and the close finish is an indication of the play throughout the season. Even the teams in the cellar positions made a creditable showing and it is worthy of note that in defeat they were many times close to victory having lost several games by small margins. The fans are eagerly looking forward to the play-off games and the second half of the schedule. The official standing of the teams at present is:

Ladies' League

PRESENTATION TO COWIE FAMILY

Mr. and Mrs. Geo. Cowie and Family
Honored by Members of St.
Paul's Church

Nearly every family in St. Paul's congregation was represented at a social gathering held in the school room of the church on Tuesday evening last in honor of Mr. Geo. Cowie and family who are moving to Acton on July 1st. The regret felt by all found expression in the following address, which was read by Mr. R. S. Cooper. A beautiful cabinet of silver was presented by Mr. James McLean.

Richmond Hill, Ont.
June 22nd, 1926

Mr. George Cowie and Mrs. Cowie
Mr. James Cowie and Miss Isabel
Cowie.

Dear Friends:—

We are quite well aware that in singling you out for special notice tonight we are acting in direct opposition to your own expressed desire. We want to assure you that we too would have been much better pleased if we could have left out this feature of the evening's entertainment. The responsibility however is entirely yours. You have made yourselves so agreeable to us all and you have played so large and so influential a part in our Church life, that we cannot help but express the regret and the sense of loss that we feel as we realize that you are about to leave us.

We cannot think of a single organization in our Church in which the Cowie family has not been worthily represented. For seventeen years Mr. George Cowie has served as an elder and is at present Missionary Treasurer, Secretary for the Church Record, and a member of the Board of Trustees. The Ladies' Aid Society and the Women's Missionary Society have enjoyed the constant help of Mrs. Cowie. The name of James Cowie shines in the records of the Young People's Society and in the list of Ushers at our evening service and Miss Isabel Cowie has played a leading part in every branch of work for girls and young women. Best of all, all these services have been rendered in a spirit of modesty, self-forgetfulness and genuine goodwill which have increased their fragrance and their helpfulness a thousand fold.

In appreciation of all that you have done, and as a token of the regret with which we contemplate your departure and of the good wishes you carry with you, we ask you to accept this gift of silver.

We trust that you may be long spared to enjoy it and that it may ever awaken pleasant memories of your friends at Richmond Hill.

On behalf of the Congregation,
James McLean
R. S. Cooper

Mr. Cowie in replying gave a brief account of his residence in Richmond Hill which dates back over thirty-five years, in which time seven ministers have been in charge of the congregation. Mrs. James Cowie also added a few words of grateful appreciation. Dainty refreshments were furnished by the Ladies' Aid Society.
