Maple Petition Meant for County

Was not intended to come before
Vaughan Council

Maple, Ont. July 14, 1926
The Editor of the Liberal

Dear Sir:
We would ask space in your valuable paper to make an explanation in regards to the petition which you reported in last week's issue was presented to the Vaughan council protesting against the erection of Maple into a police village. We would like it clearly understood that this petition was presented to the township council in error as it was solely meant for private perusal being intended for and addressed to the county council of York. Moreover the said petition was circulated after one asking that Maple be erected into a police village had been freely circulated and put in public places. We may say that the petition when completed will have more than sixty-nine names attached to it. Thanking you for the space we are,

Yours very truly,
Chas. Line
Richard Thomas
Geo. W. Matheson

St. John's Choir Enjoyed Outing

Entertained By Rev. and Mrs. Wall
at Lake Simcoe

On Saturday afternoon July 10 the choir of St. John's United Church were entertained by Rev. Wall and Mrs. Wall at Wall Wood cottage on the shores of Lake Simcoe. About thirty from here braved the threatening elements and motored to the beautiful picnic grounds where a most enjoyable afternoon was spent. A royal welcome was extended to the members which dispelled everything that resembled gloom and in a short while even the weather cleared up. Varied sports were enjoyed after which the large tables were spread with plenty of good things and a sumptuous supper enjoyed. A special treat of ice cream was provided by the pastor and his family. After a pleasant social time and three hearty cheers for Rev. and Mrs. Wall the happy gathering dispersed and all speak in glowing terms of the hospitality of the pastor, his wife and family.

Radial Conductor: Fare, please.
Young man returning from late party: Here's fifty cents.
"How many?"
"Five."
Young man, a minute later to his friend: That was a good one on him. There are only two of us.

Waiter: Roll, madam?
Madam: Fool, do you think I'm a circus performer?

Strawberry Festival Successful Event

Held at the Home of Mr. and Mrs. Jos. Atkinson and was largely Attended

On Saturday afternoon and evening last a very successful Strawberry Festival was held at the home of Mr. Joseph Atkinson under the auspices of the Women's Association of the Presbyterian Church. Despite the inclement weather there was a large crowd in attendance and every one enjoyed the programme of sports and the fine supper provided by the ladies.

Keenly contested softball games between teams from Thornhill, Maple and Richmond Hill were watched with interest by a large number of the fans and provided plenty of excitement. In the evening a varied program was much enjoyed and all those taking part were heartily applauded by the audience. The program included solos by Mrs. McDonald, dances by little Jean and Madeline Jeffrey, readings by Miss Eleanor Drury, piano solo by Miss Lucy Yerex, and other numbers. Miss Aileen Atkinson was accompanist for the different artists.

The grounds were beautifully decorated with chinese lanterns hung from the trees which made an ideal setting for the evenings program. A great deal of the success attending the festival was due to the hospitality of the host and hostess Mr. and Mrs. Joseph Atkinson and Miss Aileen Atkinson.

Ladies' Societies Made Presentation

Mrs. Hewison Honored by Associates
in Different Organizations

A reception was held this week at the home of Mrs. Wm. Cook, Church Street for Mrs. Warren Hewison, who is leaving for Seattle with her sister Mrs. Gould, on Thursday the fifteenth. Mrs. Cook who was hostess to the Ladies' Aid of St. John's United Church, the Auxiliaries of St. Paul's and St. John's United Churches, and the W.C.T.U. during the afternoon presented Mrs. Hewison with a handsome travelling bag on behalf of the combined societies. Mrs. Hewison, who has held office in all of these societies and is President of the W.C.T.U. will be very much missed by all in the community where she has greatly endeared herself.

Mrs. Cook who received with Mrs. Hewison was assisted by Mrs. Phipps who presided at the tea table, Mrs. A. G. Savage, Mrs. I. D. Ramer and Miss Wellwood in the dining room Mrs. McIntosh and Mrs. Plewman in the drawing room. Between fifty and sixty ladies called during the afternoon.

Entrance Results
It is expected that the entrance results for this district will be available for next week and will appear in our next issue.

FIELD DAY WILL BE HELD HERE

Council Meeting

The regular July meeting of the Richmond Hill Village Council was held in the Clerk's office on Monday evening with Reeve Lunau in the chair and all the members of the council present. Councillor Greene introduced the idea of holding a field day here sometime during the month of August the proceeds of which would be used for putting the town park in shape for sporting events and beautifying its general appearance. Councillor Sloan heartily concurred in the suggestion as he said the ball diamond was in terrible shape. Relating a personal incident he said that while playing ball there the ground was so rough that he always had a glove in one hand and a prayer in the other. All the members felt that the cause was a worthy one and unanimously supported the motion to appoint a committee to go ahead and make arrangements for the day. It was pointed out that it was entirely in the hands of the citizens and the council was merely making the first move in order to make a start. A citizens meeting has been called for Friday evening in the council chamber when committees will be appointed, a date set, and plans made for the celebration. It was suggested that it be held some time about the middle or latter part of August and the following committee was appointed to start the organization:—Councillor J. A. Greene, chairman, Councillors G. H. Sloan, J. R. Herrington and W. G. Baldock, and A. G. Savage, H. Endean, Geo. Gee, Harold Bell, A. A. Eden, Harold Murphy, W. H. Arnold, H. J. Mills, and John Dunlop.

It was decided to purchase thirty loads of cinders from Mr. Shear-downe at \$2.50 per load for repair work on the streets.

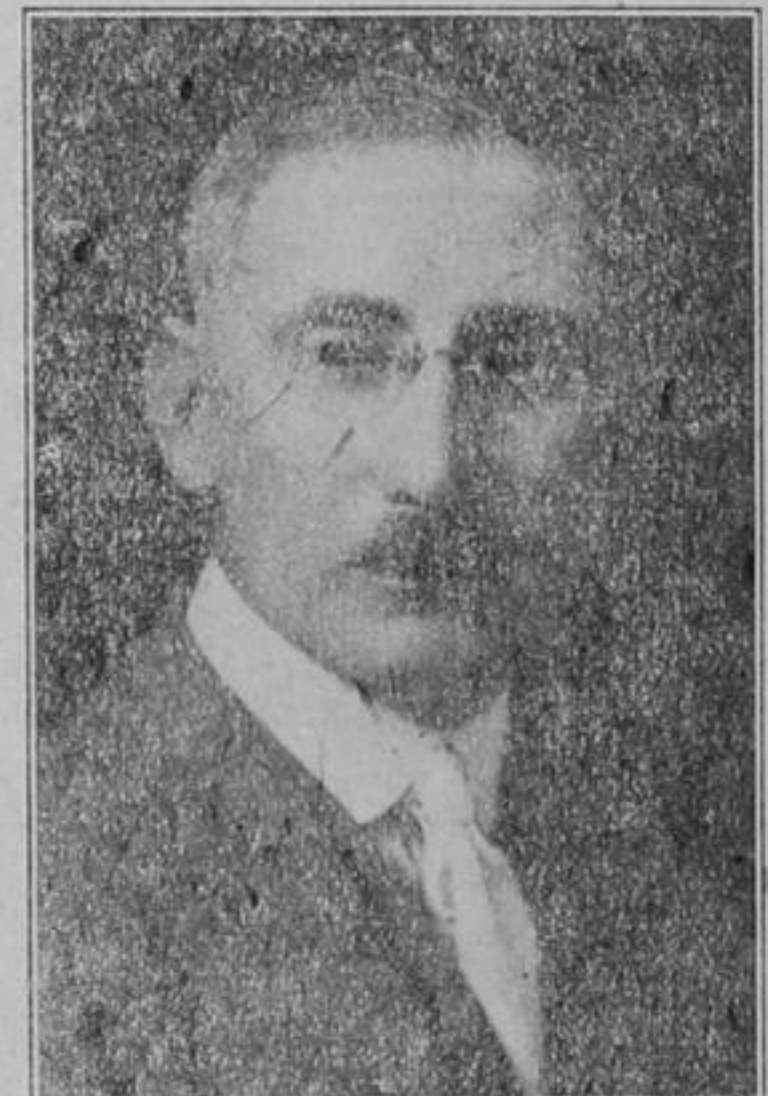

At the request of the fire chief a no parking sign will be placed in front of the fire hall on Yonge Street.

A petition from residents on Church Street for a new sidewalk was received but the Reeve said that he could not promise that they would get one this year as the village had undertaken about as many as they could handle. It was plainly pointed out that certain residents had been waiting for a sidewalk for twelve years and that it was the policy of the council to erect them in order of request. It is not expected however that Church Street will have to wait that long for a sidewalk.

B. H. Lasher appeared before the council relative to the action taken at the last regular meeting when he was requested to install a telephone in his house. Mr. Lasher stated that he did not want a telephone for his own personal use and if the village want him to have a telephone he thought they should pay at least half the charges. He was willing to pay half if the council would meet him half way. The members were firm in their decision that Mr. Lasher should pay for his own telephone the same as the other employees of the town are doing. No action was taken and it was decided to again interview Mr. Lasher on the matter. Various accounts were passed and the council adjourned.

Did You See

The fine display of summer and sport hats, curtain materials, towel-ling and novelties in the store window of Mrs. Norman Batty; the nice fresh strawberries displayed by F. J. Mansbridge at 22 cents per box; the attractive line of Luxor ware in the window of J. & M. Stein?

Councillor J. A. Greene
Who was appointed chairman of a citizen's committee to arrange for a monster field day celebration in Richmond Hill some time in August. The proceeds of the day will be used for beautifying the town park.

Fire Destroyed Farm Residence

Fire completely destroyed the residence of James Bell on th third of concession of Markham on Wednesday. The neighbours rushed to the scene of the fire and were able to save practically all the contents except a few trunks. It is understood that the fire was caused by a coal oil stove which Mr. Bell had just lit in the kitchen. After lighting the stove he went to the front of the house and on returning he found the kitchen in flames. It is understood that the loss is partly covered by insurance and that Mr. Bell will rebuild at once.

Local Lodge Won Shield

Orangemen Celebrate Glorious Twelfth at Weston

Local Orange Lodge celebrated the anniversary of the Battle of the Boyne in Weston on Monday last. In the parade which was one of the largest ever held in the town were lodges from Aurora, Thornhill, Concord, Willowdale, Bedford Park and Richmond Hill. About sixty from here attended the celebration and over twenty-five brethren took part in the parade. The local tug-of-war team were again successful in winning the district shield which carried with it individual prizes for each member of the team of a half dozen silver tea spoons. Richmond Hill team won the shield last year and if they are successful next year will be able to claim the shield as their own. The members of the team were:—J. D. Saunders, Capt., Earl Blanchard, G. Masters, R. Boynton, J. Daunt and G. Mucklewee.

Nomination Meeting

A meeting of the electors of Richmond Hill will be held at the Council Chamber, Monday evening July 19 at 7.30 p.m. for the purpose of nominating a school trustee to take the place of James Cowie who has moved away. The last nomination meeting called for June 28 had to be postponed as only one ratepayer was in attendance. It is to be hoped that the citizens will show their interest in education matters by turning out to the meeting next Monday in large numbers. Should an election be necessary to fill the office it will be held on Monday, July 26.
