Coming—Thursday, Friday, Saturday  
July 29, 30 and 31 "The Shamrock Handicap"

## CITIZENS SHOW LITTLE INTEREST IN PROPOSED FIELD DAY

### Small Attendance At Committee Meetings

Only a few of the members of the committee appointed by the council to arrange for a field day to be held here sometime in August turned out to the meeting on Friday night. Councillor Greene, the chairman of the committee appointed by the council, presided and considerable discussion took place. Most of the argument presented was in favor of holding the celebration as it was pointed out that other centres were holding big days and reaping rich rewards in financial returns and good advertising while Richmond Hill was sitting back. The success of former field days was referred to and it was felt by the majority present that if a field day were held this year it should not be as extensive as formerly. There would be no serving of meals as the collection of cakes, pies etc. was one of the big tasks of former years and although it was a good money maker it was too heavy a task without plenty of time and preparation. Fire Chief Mills suggested that the fireman's competition be held in conjunction with the citizen's day and Wes Middleton said that the ball club was willing to assume all responsibility for the arranging of a ball tournament. As there were only half a dozen members of the committee present it was decided to leave the appointment of committees over until a larger meeting of the committee and representative citizens could be held. Mr. Greene explained that he understood that his appointment as chairman of the committee was only for the purpose of calling a citizen's meeting when a permanent chairman should

be appointed. The citizens present at the meeting were; J. A. Greene H. Arnold, Harry Endean, H. J. Mills, and Wes Middleton. The committee appointed by council was as follows; Councillor J. A. Greene, Chairman, Councillors G. H. Sloan, J. R. Herrington and W. G. Baldock, and A. G. Savage, H. Endean, Geo. Gee, Harold Bell, A. A. Eden, Harold Murphy, W. H. Arnold, H. J. Mills and John Dunlop.

The second meeting was called for Tuesday night but as far as can be ascertained no meeting was held. Some citizens who did venture forth on the warm evening found the hall in darkness and no one to welcome them. So that where the field day proposition is at present. Some members of the committee felt that the citizens were not behind the move and were of the opinion that it was useless to go ahead with only one or two taking an interest in it. Councillor Greene stated on Wednesday that he along with Wes Middleton waited at the council chamber until late in the evening on Tuesday but no one showed up. H. J. Mills said that it was not probable that the firemen would hold a day of their own although they were willing to cooperate with a citizen's committee. Councillor Greene interviewed on Wednesday stated that unless sufficient support was promised from the citizens that the organization of the day could not be gone on with. He was willing to all in his power to make the day a success if a sufficient interest were shown by the public to take a hand in the organization.

### North York Council

By-law will compel milk men to have license—Grant of \$200.00 to band

The regular meeting of the North York Township Council was held in the township hall, Willowdale, on Monday. Considerable discussion took place concerning the by-law which was finally submitted to the board of health and which dealt with the licensing and inspection of retail milk dealers. Under the proposed by-law no milkman can retail milk without paying to the township treasurer a fee of \$5. The chief constable, Roy Riseborough, is to be appointed public health inspector and given the permission to inspect any or all of the dairies in the municipality. If in his opinion they are not in a sanitary condition then he has the right to close the dairy by cancelling the license. If the retailer refuses to obey the order of the sanitary inspector then he can be prosecuted. Any person who purchases from an unlicensed dealer is to report the occurrence with his name and address to the inspector. The by-law will be passed by the council after it is considered by the Board of Health.

A by-law was passed setting the special tax rate for Public School purposes in Section No. 31 at 17½ mills. The sum to be raised in taxes is \$4,000, and it will be collected at the same time and in the same manner, subject to the same penalties and discounts, as the regular tax collections.

A letter was received from Hon. George S. Henry enclosing a \$100 cheque as a donation to the funds of the North York Fire Brigade as an expression of thanks for its work at the fire at Mr. Henry's home on June 1st.

The sum of \$200 was granted for

the purchase of instruments for the North York Township Citizens Band. These will be the property of the municipality and will be purchased by a committee of Messrs. Scrae and Anderson.

A grant of \$25 was made to the Scarboro Agricultural Fair, which is held each year at Agincourt.

Court of Revision will sit at two o'clock, previous to the meeting of the council, on Tuesday, August 3.

### Small Attendance At Nomination Meeting

Harry Endean will take place on Board of Education

At the nomination meeting held on Monday night in the council chamber Mr. Harry Endean was nominated and declared elected as a member of the board of education. The nomination was signed by Dr. Langstaff and J. A. Greene and when the time for receiving nominations had passed as there was only one nomination Clerk Hume declared Mr. Endean elected.

Only a half dozen citizens turned out for the meeting and there were no speeches either in commendation or condemnation of the work of the school board. It is understood that Mr. Endean will accept the appointment. He takes the place on the board vacated by Mr. George Cowie and will hold office for a year and a half. Those in attendance at the meeting were; Clerk Hume, J. A. Greene, Dr. Langstaff R. S. Cooper, R. A. Petch and A. L. Phipps.

### Of Course You Do

Have you read the ads in the Liberal? What local store is making a special offering of street and house dresses?

## Garden Party Well Attended

Large Crowd and Excellent Program at King City United Church

The garden party held on the lawn of the United Church, Wednesday evening was a huge success. People from near and far commenced to gather quite early and the waiters at the tables were busy from 6 o'clock to 9 o'clock supplying the wants of the inner man. Although the crowd was much larger than usual ample provision had been made and everyone was well satisfied with the good things provided.

The baseball match was not up to the mark the Kinghorn team seeming to lack the necessary pep. Woodbridge put it over the local team 20 to 5. Rev. A. Halbert made a very efficient chairman for the concert which was much above the average.

The church was packed to the doors and throughout a lengthy program the audience sat and sweltered rather than miss any of it. Those who could not get in and there were over 100, listened at the doors and windows. George Grenville of Toronto delighted everyone with his readings; Mr. Morley on the violin accompanied by Mr. Donald Nash on the piano were greatly appreciated but judging by the applause that greeted the efforts of our local talent the Toronto visitors did not capture all the laurels. Miss Jean McDonald sang two solos and had to appear in two encores and Mr. Reynolds and Mrs. Reynolds won hearty applause and had to re-appear. Mr. Halbert was on the program for a song but as he was chairman he forgot to call on himself.

The hot night caused the booth to do a rushing business almost everything saleable being sold. Satisfaction reigned supreme. Those who attended being well pleased with the supper and concert and the ladies of the church with the financial results.

## Richmond Hill Boys Lost To Newtonbrook

Newtonbrook turned back Richmond Hill by a score of 20 to 12 Tuesday evening at Newtonbrook and as a result of the victory moved into first place in the second half of the Yonge Street League. Neither team played air-tight ball by any means and both had plenty of errors. The visitors had two real bad innings. For four innings Newtonbrook held the lead of eight runs but Richmond Hill scored ten runs in the last of the sixth putting them two up. They threw the game away, however, in the last inning by making errors, and letting their opponents score ten runs, putting the score 20-12. The leading hitters were Bennet four times to bat and making four safe hits, E. White and E. Harding each getting a homer in their big innings.

### Yonge Street Softball Notes

Four league games are billed for this week at the different parks. The girls play Friday, July 23, against Thornhill here at 7.45 sharp. Monday, July 26, Lansing girls will play at Thornhill Park at 7.45 p.m. sharp in the men's softball league for the coming week. Tuesday, July 27, Newtonbrook will play S. Y. A. A. at 7.45 sharp. And on the same date Thornhill and Richmond Hill will clash at Thornhill Park.

The fans of the six different teams couldn't wish for a better card than the above league games, as every fixture is very important and a defeat may eliminate any team.

Following is the standing of the Girls Softball League in the second half of the schedule:—

	Played	Won	Lost
Lansing	2	2	0
Thornhill	2	1	1
Aurora	2	1	1
Richmond Hill	2	0	2

### Grand Lodge A. F. and A. M.

Last night at Port Arthur W. Bro. W. E. Hopkins of York Lodge was elected D. D. G. M. for the Toronto Centre District. The news of his election was particularly interesting to Centre York where Mr. Hopkins is well known. He has held the position of District Superintendent R. A. M. and is now I. P. M. of Bedford Lodge North Toronto. He is also a P. Z. of Victoria Chapter, Thornhill.
