

RICHMOND TAILORS

J. A. GREENE

Telephone 5j or Residence 49w

We have an important message for every buyer of tailored clothes in this district. We'll make it short and snappy so read on.

In the village of Richmond Hill we operate a tailorshop we're not bragging about its looks or location—it has no fine marble front or glass to enrich its beauty—its simply a building good enough to carry on business in and enables us to keep our overhead expenses down to a minimum.

We have been here for the past number of years selling only the highest quality tailoring at a small margin of profit and doing a nice volume of business.

Men of good judgement in all walks of life come here for their clothes for they get not only quality, but clothes that fit, wear and give personal satisfaction.

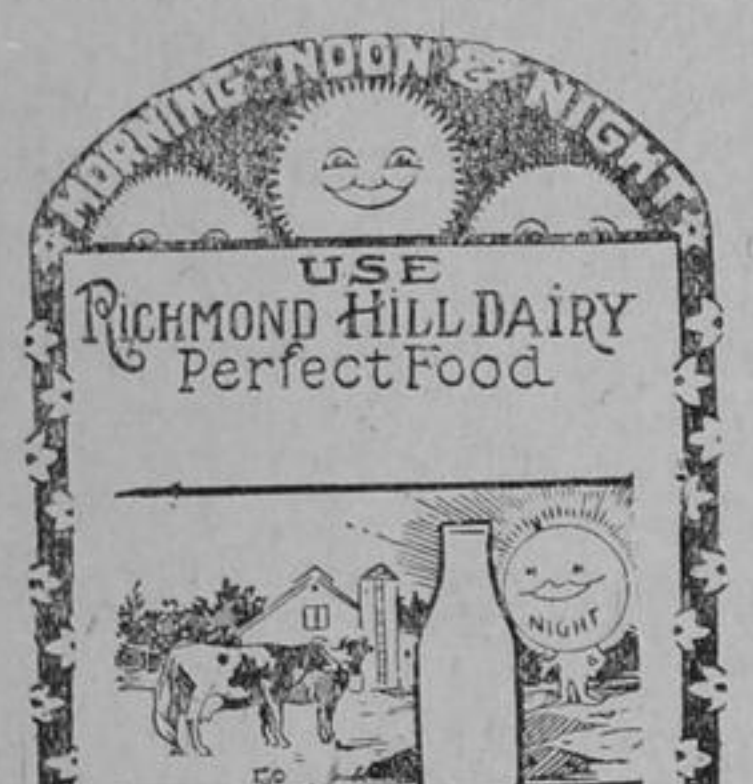

Good clothes never kept a man back—they've never hindered his progress nor hurt his chances of success. It makes no difference what objective you have in life, good clothes will help you get there. It is one investment that is safe, paying high dividends in self confidence, self satisfaction and public recognition. This is the service that we are selling.

Yours Sincerely,

Richmond Tailors
J. A. Greene
