## Sporting Notes

Can Richmond Hill repeat their performance of last Thursday night and win the men's Yonge Street softball league pennant. Last year the local boys got as far as the finals but were thrown out on account of so many protests against Teddy Bennett who was not properly signed. But "Teddy" is signed all right this year and at the present stage of the game is pitching championship ball. The local team will meet at Newtonbrook, the 1925 pennant winners, who are determined to repeat the performance this year. They have a snappy ball team with Bob Jacks and Ray Richardson as their moundsmen, and Charlie Proctor one of the best receivers in the league. The final game should be a real battle.

## The Profit Lies in the Finish

IT PAYS to market cattle with the proper degree of finish. A quality product always commands a premium and is readily saleable at a profitable price. If you have stock which needs a little more time for finishing, and the feed is scarce, see the local manager of the Standard Bank. It is a simple matter to arrange a loan to carry the stock until a favorable market warrants a profitable sale.
