The Editor invites readers to make use of this column for the discussion of subjects of interest to the district. A pen name may be used for publication but all communications must be signed by the writer as a mark of good faith.

Richmond Hill, Ontario  
September 1, 1926.

To the Editor,

Sir:—  
Those who serve us in public office whether it be in the municipal council, on the school board or in our legislatures are not long in hearing about their short comings and mistakes. But it is a peculiar fact that those who are most ready to criticise are the last to come forward with a few words of thanks and appreciation when excellent service has been rendered. Whatever our present council may have against them either in sins of omission or commission, I for one am ready to take off my hat to Reeve Lunan, and members of the 1926 council for the effort that they have been making to lift us poor pedestrians out of the water and mire which we have been plodding through during past years. The citizens are thankful for the relief which has come in the way of improved sidewalks throughout the town this year and I for one wish to publicly express my appreciation. Thanking you for the space in your valuable paper and trusting that some one else who appreciates what has been done will also be heard from. I am,  
Yours very truly  
North End Citizen.

Richmond Hill, Ont.  
August 31, 1926.

To the Editor:—

That farmer or backyard gardener is counted shiftless and negligent who permits the weeds to overrun his fields and gardens to rob the crops and products of their nourishment.

That municipality that allows weeds of all kinds to grow and flourish within its borders is given a black eye to all who pass through. But Mr. Editor the matter of weed fighting must be a community endeavour in which every citizen co-operates or else it is useless. For instance what is the use of cutting weeds if your neighbor allows his to grow and the seeds to blow all over your property. There is a law governing the cutting of weeds which should be strictly enforced and all public spirited citizens should co-operate to see that it is enforced.

Some weeks ago in the columns of your valuable paper I noticed that a certain member of the council had some criticism to offer concerning the industry of our civic workmen. However I might suggest that it could be

## CAMPAIGN NOTES

### Women's Rally

Rallies of the women voters of the riding in the interest of Harry Sifton Liberal candidate will be held in the town hall, Aurora and the Temperance Hall, Newmarket, on Friday, September 3, at 3 o'clock in the afternoon. The speakers at both meetings will be Harry Sifton, Miss Grace Hunter, B. A. Miss Isobel Armstrong, and Alex D. Bruce. All the ladies of the riding are cordially invited to attend.

### At Thornhill

The residents of the Thornhill district turned out in large numbers to hear Harry Sifton on Friday evening last and tendered the Liberal candidate an enthusiastic reception and splendid hearing. R. E. Gohn of Markham ably acted as chairman and welcomed the people and congratulated them on the large attendance. The speakers were Cornelius McCabe of King Township, Ex-Alderman Frank Denton of Toronto, A. D. Bruce and the candidate. All the speakers dealt in a clear cut manner with the issues of the campaign and Mr. Sifton was loudly cheered as he explained his position in the campaign. "I am making no rash promises," said Mr. Sifton, "I will promise nothing I cannot fulfill but I will promise that I will give all of my time and the very best of my ability to the task of representing the electors of North York at Ottawa after Tuesday September 14.

### King Will Speak

Rt. Hon. W. L. Mackenzie King, Prime Minister and leader of the Liberal Party will speak in the riding of North York in the interests of the Liberal candidate, Harry Sifton, at the official nomination meeting at Newmarket on Tuesday afternoon, September 7. This will probably be the only chance to hear the former Prime Minister in this riding this year and it is expected that there will be a large crowd in attendance. Ample provision will be made to look after the parking of cars and the accommodation of everybody.

better for the said councilor instead of standing at the front door watching the workmen leaning on the wagon wheels to get busy and clean the weeds and rubbish from his own back yard. Charity begins at home so we are told, and I believe a lot of other things should as well. Those of us who belong to the common throng look up to our civic fathers for a worthy example in all things relating to perfection in civic affairs, and if a councillor fails to obey the law in regards to weeds should the rest of us be too harshly criticised if we lean on the wagon wheel? Thanking you for the space.  
Yours very truly,  
Ratepayer who cuts his weeds.
