Flower Show

On Friday last the young people's society of the Anglican Church staged a flower show that did credit to the whole community. The display was held in the basement of the Church, which was made to look very pretty with all varieties of cut flowers grown by the exhibitors.

During the evening an interesting and instructive talk on flowers was given by Mr. Geo. Baldwin of Toronto a very capable gardener and who is in charge of the Rotary Club cultivation of city lots. Among the exhibits that the lecturer pointed out for special distinction were some very fine spikes of Glads, and a vase of Asters the equal of which he had not seen this year. A couple of little vases of sweet peas, and of Nasturtiums and Babys-breath also came in for praise on account of the dainty decoration they made.

IN MEMORIAM

WOODS—In loving memory of our dear father, Murray Woods who fell asleep a year ago, Sept 3rd 1925. We watched him suffer day by day it caused us bitter grief to see him slowly pine away but could not give relief, long nights long days he bore his pain to wait for cure, but all in vain, Till God himself knew what was best he took him home and gave him rest.

We loved him, yes, we loved him, But Jesus loved him best. But with farewells unspoken, He entered into rest. Sadly missed by Harry and Marion.
