

Prize Winners at the Richmond Hill Flower Show

The thirteenth annual flower show of the Richmond Hill Horticultural Society was held in the rink Saturday last and was largely attended. The exhibits which were numerous were tastefully arranged and the officers and directors are to be congratulated on the success of the day. The display of flowers was somewhat larger than last year although fruits and vegetables were not so numerous. The exhibit of the Endeavour Nurseries attracted a good deal of attention as did the exhibit of H.B. Bennett, Br'kside, who had included in his exhibit many rare specimens which are not commonly seen in this country. The prize winners were:

VAUGHAN TOWNSHIP REGULAR SESSION

Fix Rate for Construction of Culverts—Several Applications for Local Improvements

The regular session of Vaughan Township council was held at the Township Hall, Vellore, on Monday with Reeve Weldrick in the chair and all members present. The question of the payments for culverts at the entrance to properties which has been the source of considerable difficulty in the past were definitely settled by the council passing a resolution fixing the rate at which a ratepayer will be charged at \$1.90 per foot. The culverts are to be not less than twelve inches in diameter and must not exceed eighteen feet in length. The culverts will be put in by the municipality under the control of the road superintendent. A petition from ratepayers on Garden Avenue, Spruce Avenue, May Avenue and Oxford Street, for improved road under the local improvement Act, was referred to the Clerk for certification.

A petition signed by forty-one rate-

payers in Thornhill was received asking that the Township supply electric power for the purpose of lighting. It was referred to the township solicitor and the Hydro Electric Commission.

E. T. Stephens, reported that on August, 23, dogs had killed a valuable registered Lincoln lamb.

E. H. Sharpless complained of water in his cellar and asked redress.

F. Horter, Spruce Ave., advised the council that his wife had fallen in a hole on the street caused by careless township workmen on Sept. 2. Various accounts were received and ordered to be paid.

3. A petition to the said council will not avail to prevent its construction, but a petition against the work or the manner in which it has been undertaken, may be made pursuant to section 9 of the Local Improvement Act, to the Ontario Railway and Municipal Board, by a majority of the owners representing at least one-half of the value of the lots which are to be specially assessed therefor.
