### York Market

The York Market on North Yonge Street at the City limits is more than justifying the action of the County of York and the Township of North York in the support they have given this undertaking. It is a splendid example of co-operative marketing. The seller getting a little more for his produce and the buyer getting his produce at less money.

A comparison of last Saturday's prices for fresh products with the prices asked by some of the fruit stores for products not so fresh was all to the advantage of the York Market.

Some forty stalls were crowded with fresh produce and both on Saturday and Tuesday were bought out early.

Saturday morning the small boy was there with his Angora Rabbits for which he was asking \$1.00 each and squab pigeons, 25 cents each. With the cooler days the Liberal is expecting to see fresh meats from the farmer on sale shortly.

The prevailing prices last Saturday and Tuesday were:—

Chickens 40 to 45c even as high as 50c  
Eight week ducks . . . .35 to 45c each.  
Eggs, according to grade . .40 to 48c a doz.

Butter was scarce at . . . .50c per lb.

One cannot help notice each market day the increase in sociability between the sellers from the County and the buyers from the north end of the City, York Mills, Lansing Willowdale and Newtonbrook. Last Saturday morning it took two city policemen to prevent congestion of traffic at the market corner.

#### Young People's Society

Arrangements are being planned for the inauguration of a Young People's Society in the Presbyterian Church here. This is a Branch of the Presbytery of Toronto's service for young people which has recently been constituted. In this district there is magnificent material for the formation of such a society, in the young-people attending our Church Services.

A large crowd attended the third annual fruit and flower show of the North York Horticultural Society on Saturday last. It was a most successful event and the members are to be congratulated on the fine showing.

One of the outstanding features of the show was the exhibit of various flowers and plants put on by the gardener of T. W. McCabe of Lansing. The judging was done by Mr. Thomas Ivison, Thornhill. During the afternoon the ladies of the society sold light refreshments, and pleasing music was rendered throughout the entire session by the pianist.

At each monthly meeting during the summer the members are accustomed to stage a small flower show, consisting of the flowers which bloom in that particular month. In this way a keen competition is worked up for the big event of the season, the annual exhibition.

The list of special prize winners as follows:—

Best kept garden and lawn, 25 feet and under—John Brewster, 70 points.  
Best kept garden and lawn, 50 feet and under—D. W. Mitchell, 78 points.

Mr. Thompson has appreciated the appeal of modern instruments and has broadened the faculty of the school to meet the needs and tastes of all. The following are taught:—Piano, Organ, Vocal, Theory, Harmony, Mandolin, Guitar, Banjo Ukelele, Saxophone, drums, traps and accessories.
