New Advertisements

Several new advertisements appear in this issue. The progressive merchants of this district now recognize that the quickest and best route to bigger business is via advertising in the Liberal which now has a large circulation in Richmond Hill, Thornhill, Newtonbrook, Willowdale, Lansing, York Mills, Maple, King City, Gormley, Victoria Square and throughout the townships of North York, Markham, Vaughan, King and Whitchurch. It is the home paper for this district and is the only medium to reach this great buying area.

Radio Time

The long evenings are with us once more and the popular season for radios has arrived. Those who are contemplating buying a set this fall or winter will do well to watch the advertising columns of this paper where the best makes will be represented. This week the announcement of the Thornhill Hardware appears telling of the famous DeForrest-Crossley set. Don't forget that a good product is always advertised. We hope in the near future to add some new features of special interest to radio fans; a radio forum for the discussion of various difficulties has been suggested and will probably be adopted.
