The York Market, Yonge Street, was on Saturday last crowded to capacity by both sellers and buyers. Over forty producers from Newtonbrook Gormley, Milliken, Thornhill, Thistleton, Newmarket crowded the space with some of the choicest produce of the farm and garden of York. One young buyer was heard to say it looks like a fall fair. Not only is the produce fresh but it is attractively arranged and this appeals to the purchaser.

Nothing is offered but what is Ontario produced and 90 per cent of the offerings are from the County of York. Last Saturday over \$3,000 of produce was sold and Tuesday night about two-thirds as much. Willowdale

(Special to the Liberal)

Building operations in the Township of North York are on the increase. From the first of September to the fifteenth permits totalling \$66,300 were issued, an increase of \$43,050 over those of first two weeks of Sept. 1925.

In September, 1925, the permits amounted to \$82,150, and this month two weeks more to go, the prospects for a record month are assured. G. B. Heintzman permit for a stone and brick dwelling on Pinewood Avenue, to cost \$29,500, is the largest individual permit. There are also four other permits issued for dwellings costing \$6,000 each.

St. George's Church (Anglican) Willowdale will hold their annual Harvest Thanksgiving services on Sunday 26th Sept. The preacher at the 11 a.m. service will be Rev. Canon Brain of St. Michael's and All Angels Toronto, and at the 7 p.m. service the Rev. Canon Plumtree of St. James Cathedral Toronto. The choir will render special anthems at the services. The music at St. George's is of a high standard and their services are bright and inspiring. A hearty welcome is extended to everyone.

The fall opening of the Willowdale and Lansing Home and School Club was held in Willowdale school Friday night last. Rev. P. C. Muirhead occupied the chair.

Arrangements were made for the booths in the school fair, which will be held on September 30 in Willowdale Skating Rink.

The following nominations were made for various offices:—Rev. P. C. Muirhead, president; Miss Bruton, 1st Vice president; Miss K. Wallace, second vice; Mrs. T. Draycott, Secretary; Mrs. C. Perry, treasurer; Mrs. A. Douglas and Miss A. G. McPherson, convenors of the membership committee; W. W. Anderson, convenor of the sports committee. At the next meeting the election will be held.

North York Township Hall, situated at Willowdale was the scene of the annual Treasurer's sale of land for arrears in taxes on Thursday last. Although there was a fairly good crowd of spectators there were only seventeen buyers, the largest of whom were, J. T. Moore, A. B. Mortimer, Jas. MacDonald, E. W. Gildner, P. B. Rapp all of Toronto, and G. Gray of Swansea.

Commencing at 10 o'clock under the supervision of J. A. Bathgate, Treasurer, 248 parcels of land were disposed of by 2 o'clock, bringing the sum of \$15,846.00. The selling was quite brisk, with very little land going for taxes. Last year there were only 114 Lots put up for sale by the treasurer, in comparison with the 248 of this year.

Citizens complain of Aeroplanes Flying on Sunday

Complaint has been made to the North York Council of the Watt aeroplane operation on Sunday and there was a suggestion that steps should be taken to stop it. In reply to the request of council for information on this point Thos. Uruhart quoted sections 8 and 17 of the Lord's Day Act, and suggested that any persons complaining of a breach of the section consult the crown attorney regarding the matter.

The Weston and Woodbridge Agricultural and Arts Societies were granted \$100 for the annual fair.

The question of widening Yonge Street was again left over until it was ascertained how New Toronto had fared before the Ontario Railway Board.

The contract for the paving of De Vere Gardens, from Brooke to Harley Streets, a distance of 13,000 feet at a cost of \$13,000 was let to the Warren Paving Co. and the paving of Fairlawn Avenue with stone and gravel will be done by day labor from the city limits to Bathurst St.

The tender of P. Simoni for the construction of a sidewalk on Ellerslie Avenue at 18 cents per square foot was accepted.

The contract was let for the Addington St. bridge to McGregor McIntyre, of Toronto for \$7,350. This will be a steel bridge 16 feet wide with concrete floor.

The band committee, Messrs. Scrase and Anderson reported favorably and suggested that a grant of \$200 be made to the band. Mr. E. A. James sent a cheque through the council to the band for \$25.00.

Messrs. James and Scrase reported that the Canadian Line Material Company, manufacturers of hardware for the Hydro, and electrical appliances might locate in North York, and informed the council that they had told the heads of the company that the township would lay pavement and install watermains for the firm, providing the owner of the property, Mr. Douglas, petitioned.

The council of Markham have awarded the contract for the Harper Bridge on Concession 2, near Morgan Ave. to E. C. Lewis of Toronto, with the grading on Morgan Ave. and the building of the bridge in the centre of the road, a long delayed improvement will be completed. Reeve Gohn and his council are to be congratulated on this work.

Sidewalks are now completed south from the village to the Public School and walking is pleasanter and safer.

A large number from this district heard the results of the election by radio of the T. H. Hardware store on the DeForest-Crossley radio. The exceptionally fine reception was the subject of much favorable comment.

Mr. and Mrs. O. C. James entertained the members of the Walker Hardware Limited, staff at a corn roast on Wednesday last. There was a large crowd in attendance and a very pleasant evening was enjoyed.

A meeting will be held on Friday night to complete arrangements for the monster community dance which will be held at the Thornhill Golf and Country Club on Monday, October 11th. The dance which is staged by the Field Day Committee and the Horticultural Society is one of the annual social events of the season and this year promises to even exceed the record of previous years.

Popular Teacher Resumes Classes

Miss Marguerite Boyle, Elocutionist, professional graduate of the Owen A. Smily Studio, is resuming her teaching at Homewood Hall, Thornhill. The success of her numerous students in concerts and recitals during the past season is ample warrant of continued achievements during the coming winter. Trophies and medals have been won by Miss Boyle's pupils in elocution, oratory and public speaking contests, while her own services as a public entertainer have been in constant demand, throughout the province.

Several times she has been the director of Dramatic Clubs that have put on plays in and around Toronto and special mention has been made by the critics of the clear enunciation, natural acting, and freedom from amateurishness shown by members of her companies, a clear proof of her ability as a dramatic coach and director.

Hill Team Tied for League Honors

Final Game Will be Played at Thornhill on Saturday

The Richmond Hill boys, pennant-bound recovered their lead in the Men's Softball League, Saturday afternoon at Richmond Hill Park by smothering the Newtonbrook boys 14-7, and tied up the series which will mean a play off at Thornhill Saturday afternoon. Newtonbrook made a good start in the second inning when they took the lead of five runs and held it until the fourth innings when the local boys scored three runs in the last of the fourth, and took the lead in the sixth and held it till the final inning. Ray Richardson pitched steadily for Newtonbrook, allowing but eleven hits. Teddy Bennett was on the mound for the winners and pitched a wonderful game and was well supported by his team mates. Teddy was also the leading hitter of the day, hitting a homer in the last of the fourth which put them in the running. Both teams played good ball. The main feature of the game was Hart's jumping one-handed catch which saved the game for the Hill.

All fans should travel to Thornhill next Saturday afternoon, Sept. 25 when Richmond Hill and Newtonbrook will clash in the final game of the Softball Championship. Each team has won one game in the finals and promise to make it interesting.

In the first game of the Ladies' Softball finals played at Thornhill Saturday afternoon, the Thornhill

girls defeated Aurora by a score of 15-4. Aurora played very loose ball while Thornhill put up a real snappy game and got all the breaks of the game. Thornhill's hitting was hard and timely and contributed largely to their victory.
