As the paintings of the great masters are perpetuated; as the music of the great composers becomes immortal; as the art of Caruso is indelibly set for all time through the phonograph, so does the motion picture memorialize for all time the art of a great actor. Because of this, and public demand, do we present this last picture of the great Valentino!

## Annual High School Field Day Held on Wednesday

Local Winners will Compete in North York Field Day  
—Allan White and Nelson Graham won  
Boys' Championships.

The annual field day of the Richmond Hill High School was held at the town park on Wednesday afternoon. The threatening weather had the effect of limiting the number of spectators but the students were out in full force and entered in to the various events in large numbers and keen competition was the order of the day. The arrangements were carried out in a systematic manner by Principal Stewart and members of the teaching staff assisted by the pupils and the different races and events were run off with despatch. The result was that the lengthy program of boy's events was completed and only one or two of the girl's events remain to be competed for Thursday evening. Some of the marks made by the competing athletes are higher than last year but in some cases do not represent the utmost effort of the contestant in view of the fact that when an event was won no further trials for a record were made. Those who won first and second place in the events will represent the Richmond Hill High School at the district field day at Aurora on Saturday Oct. 9, in which Newmarket, Markham, Richmond Hill and Aurora High Schools compete.

Nelson Graham with 35 points was declared the Junior boy's champion with Laverne Wright, 24 points as runner-up. A. White with 26 points is senior champion, and S. Battersby runner up with 22 points. The summary of points won by the different forms is as follows:—Form 5, 51 points; Form 2b, 39 points; Form 2a, 38 points; Form 3, 33 points; Form 4, 18 points; Form 1a, 1 point. As the girls events are not completed a summary of points by forms cannot be given nor can the championship be definitely announced. It is generally conceded that Miss Elma Fennel won the junior championship, but the senior championship is still in doubt. The winners of the various events were:—

## Women's Institute Elected Officers

Regular Meeting at Home of Mrs.  
Harry Endean

A meeting of the Richmond Hill Branch of the Women's Institute was held at the home of Mrs. Harry Endean, Wright St., on Tuesday Oct. 28 at three o'clock. The business of prime importance before the meeting which was presided over by Mrs. A. A. Perry, Vice pres. with Mrs. Ambrose Phipps acting secretary was the completion of the roll of officers, and the choice of a program for the year.

Election of officers resulted as follows:—President, Mrs. A. A. Perry; 1st vice president, Mrs. Wm. Cook; 2nd vice president, Mrs. Desmond Wright; Secretary, Mrs. Phipps; Treasurer, Miss Endean; Directors—Mrs. Morton, Mrs. Plewman, Dr. Lillian Langstaff.

Committees—Health, Miss Moyle, Mrs. Wilson, Mrs. Perry. Program—Mrs. Harry Endean, Mrs. McIntosh, Mrs. Clement, Mrs. Plewman; Refreshment—Mrs. Mylkes, Mrs. Innes.

In her address as in-coming president Mrs. Perry stressed the need of the individual interest and effort of each member of the society and her active support of her officers' endeavors to make the years work successful.

A resolution was passed to approach the Home and School Club with a view to combining in a series of evening public meetings, these meetings to take the place of the alternate monthly meetings of each society, but in no way to interfere with the separate functioning of the societies; the idea being to decrease the number of meetings to be attended by many who are members of both societies. It was felt that united in this way, with good speakers and a large attendance, better work could be done by both societies whose interests aims and objects have, after all, very much in common.

The members favored the idea presented by the Program committee for a study of Canada during the year, interposed with topics touching the more intimate things of every-day life.

A solo was contributed by Miss Olive Switzer and at the conclusion of the afternoon Mrs. Endean served tea.
