Capitol News.

## School Board Regular Session

The regular meeting of the Board of Education was held on Monday evening with the following members present:—Chairman G. H. Duncan, Trustees, Mrs. A. A. Perry, J. E. Atkinson, F. Atkinson, Geo. Gee, A. Wright and Dr. Langstaff. The chairman reported that the installation of the new lavatories in the public school had been completed and are giving very good satisfaction. The total cost of installation was \$1925.00 as compared with the estimated cost of between \$7000 and \$9000 for water system. The Board had been successful in securing a rebate of \$31.00 from the company to cover the cost of cutting an additional doorway in the basement which was an unforeseen expenditure. The teachers of the school have expressed themselves as highly pleased with the new system and the company is prepared to accept the responsibility for its satisfactory working for fifteen years. It was decided to order fifty drums of caustic at a cost of about \$3.00 per drum which supply will last for a little over a year.

## Chicken Thieves Active in Vaughan

Chicken thieves who visited the premises of Mr. James Devins, just south of Kleinburg last week failed to carry out their program. Constable Chapman accompanied by another officer, while in the vicinity, had their attention drawn to the squawking of hens on the Devins farm. Parking their car the constables bumped into three or four men crossing a field each with a bag containing chickens. The command to stop and a couple of shots from constable Chapman's gun failed to halt the men who were able to get away. Their car which was parked in a nearby lane, was secured and is still in the possession of the authorities. When the bags which had been dropped by the fleeing men were opened each was found to be filled with live chickens with the exception of a few which had been smothered. On Tuesday morning a young man was arrested at Woodbridge who is thought to have been one of the thieves. His clothing was covered with feathers and wet with the dew from the fields through which he had evidently wandered during the night. The officers are confident that they will be able to land the whole gang at an early date. The stealing of chickens has become a nuisance to the farmers of the district. They visited the farm of R. K. Johnston, 10th line, Vaughan, four nights in succession, Mr. Johnston emptying his shot gun at them on one of their visits.

## Fine Open Fall Now Predicted

However Don't Stop Putting In a Supply of Coal

Following the disagreeable weather of September it is comforting to note that many of the trusted signs point to better weather this month and probably of a late, open fall.

By those who watch these harbingers of winter it is pointed out that very few wild fowl have yet made their appearance on the southward journey. Last fall these birds came down before the present date and their tardiness in beginning the first lap of the trip south this year is taken as a very favorable indication. But remember we do not claim to be weather prophets and merely give the observations of a few old timers and you can take it for what it's worth.

## War Veterans Elected Officers

Have Formed Local Organization which will affiliate with the County Body

At a meeting in the council chamber on Monday night local war veterans formed an organization which it is expected will later affiliate with the county organization. Its purpose is to look after the interest and welfare of returned men and it is planned to hold regular meetings from time to time. Harold Bruels of Toronto presided and explained the details of the organization. The following officers were elected:—President Dr. R. MacDonald; Vice President Y. B. Tracey; Sec. Trea. F. J. Philpot.

## Dry Candidate Will Get Support

Forget Politics for Cause of Temperance

An important business meeting of the W. C. T. U. was held at the home on Mrs. Phipps on Tuesday, Oct. 5th at 3 p.m. Plans for the coming season's work were discussed and the following resolution was passed. "That in view of the anticipated Provincial election and irrespective of party politics we pledge ourselves to work and vote for the candidate who will uphold the O. T. A. and all Temperance reform measures and with that end in view we wish to co-operate with all women's organizations and other bodies interested in the maintenance of the O. T. A."

The officers of the coming year are: President Mrs. W. Mortson; 1st vice, Mrs. Phipps; 2nd vice, Mrs. Cook, Corresponding Secretary, Mrs. W. Trench; Recording Sec., Mrs. A. E. Plewman; Treasurer, Mrs. Wilson. Superintendent Travellers Aid, Mrs. Armstrong; Supt. Devotional exercises, Mrs. Phipps; Spt. scientific Temperance, Mrs. Wilson; Supt. Parlor Meetings, Mrs. A. Wright; Supt. Flower Dept., Mrs. Palmer; Supt. Citizenship Mrs. C. Mortson, Mrs. Arnold, Supt. Mothers Meetings, Mrs. Mylks, Supt. Press, Mrs. A. Plewman.

## Thanksgiving Services at St. Mary's Church

On Sunday Oct. 3rd, St. Mary's Church (Anglican) Richmond Hill, held its annual Harvest Thanksgiving Services. Rev. Mr. Abbott of Toronto preached in the morning and the Rector in the evening. The children's Flower Service in the afternoon was beautiful and impressive. Rev. Mr. Abbott spoke to the children about the love of flowers. The Sunday School children filed to the front of the church a class at a time and put their offerings of flowers and fruit on the chancel steps. On Monday the bouquets were taken to St. John's Hospital and the Hospital for Sick Children; the fruit and vegetables were divided between St. John's Hospital and the Deaconess's Home and the Jelly and Jam which was donated was taken to the headquarters of the Women's Auxilliary to be packed in the Mission bales for Northern Canada.

## Turnips Good Price

The turnip crop throughout Ontario which is said to be only about 50 per cent. of normal years, owing to lice having killed out so many fields, is rated as good as 75 per cent. in York County. The U. F. O. shipped their first earload last week from the Stouffville station for this season, and they expect to receive a net price of 37 cents per bushel. For those with half a normal crop, the increased price will compensate them for their loss.

## Vaughan Township Bought Tractor

Let Contract For Wire Fence

The main item of business at the Vaughan Township Council meeting at Vellore on Monday afternoon was the awarding of the contract for the construction of about 400 rods of wire fence on the Weston Road. The contract was finally let to Walter Bone at Maple at \$1.65 per rod. The fence will be first class in every detail and particular and the price includes construction, gates and all incidental expenses.

A grant of \$100.00 was made to the Woodbridge Agricultural Society and a grant of \$15.00 to the Vaughan Junior farmer's Plowing competition.

The question of power for road construction has for some time been a source of worry to the councillors and road superintendent but it has now been definitely settled by the purchase of a 24-45 Case tractor at a cost of \$3525. Previously tractors were hired by the day but it was found that when the busy season on the farm arrived it was almost impossible to get men to work on the road.

The new tractor has been working during the past week and is giving excellent satisfaction.

## Oak Ridges

(Special to the Liberal)

A very successful meeting of the Oak Ridges branch of the Women's Institute was held at the residence of Mrs. W. H. Legge on Friday afternoon last week.

Some splendid recipes for cooking apples were given by the members in answer to the Roll Call.

The speakers Miss Ferguson, Mrs. Plewman, Mrs. Burnaby and Miss Moyle, each did justice to their subjects, and Mrs. Wright, Miss Muriel Burnaby and Miss Curtis delighted the audience with their musical numbers.

In conclusion, a social half hour was spent in the beautifully decorated rooms, during which Mrs. Legge served tea.

## Next Meeting

The October meeting of the Oak Ridges Branch of the Women's Institute has been arranged to be held at the residence of Mrs. R. W. E. Burnaby, on Wednesday, October 13th at three p. m.

The Roll Call is to be answered by an exhibit of family relics, each member is supposed to give the history of the relic he or she brings.

Mrs. Burnaby has kindly offered to give a talk on antiques, and Miss Mortson will furnish the music.

It is hoped that there will be a large attendance. All are welcome.

## Annual School Fair Held at Vellore

The annual Vaughan township school fair was held at Vellore on Friday, October 1st. There was a large crowd in attendance and the exhibits were up to the standard of former years. The pupil winning the largest number of points was Florence McAllister of S. S. No. 18, and the school winning the largest number of point according to the number of pupils on roll was S. S. No. 12. We will publish a complete list of prize winners next week.

## YORK MILLS

The Department of Highways for Ontario are now apparently taking an active interest in the high level bridge at York Mills to ascertain the type of footing required for this viaduct. So far the indications are that the soil conditions are favorable.

The completion of this bridge will mean a lot to North Yonge Street development.

## FIRE! FIRE!

Thousands of dollars worth of property and hundreds of lives lost due to fire annually.— Let us all make every week

## Fire Prevention Week

And thus reduce this great loss of Life and Property.

## J. R. HERRINGTON

REAL ESTATE, LOANS AND INSURANCE

Richmond Hill

Ontario.

## Local Grain Market

Considerable interest is centreing around the local grain market which is commencing to move now that the harvest season is about over. Alsike is causing the greatest sensation and any farmer who has a good crop is sure of a good stake this year. Local market prices range from \$14.00 to \$15.50 per bus. which is probably the highest since the war years. Alfalfa is probably not so good as it promised to be earlier in the season but is averaging eight to ten bushels to the acre. The price ranges from \$8.00 to \$9.00 per bushel and those with seed for sale are being compensated for any shortage through the poor weather for a good price.

Sweet Clover is bringing around \$5.00 per bushel; wheat \$1.15 to \$1.25 per bushel and oats 40 to 45 cents per bushel.

The Radio Season is Open---Reception  
is good if you use ATWATER KENT.

We have been dealers for Atwater Kent Radio ever since its inception and we are still satisfied there is none better. This year many new models to choose from 5, 6 and 7 tube receivers, single control.

Prices range from \$85 up.
