(Special to the Liberal)

To clear up the misunderstanding in connection with the Don Blvd. Bridge or Addington Ave. Bridge tenders for which have been opened and prices given out it should be understood that the council of North York will not award any contract until after the hearing of the appeal against the work before the Ontario Railway and Municipal Board. These matters will be disposed of before the Board at the Board Rooms Toronto at 11 a.m. on October 12th.

### Will Hold Tag Day

The annual meeting of the North York branch of the Canadian Red Cross Society was held last week at the home of the Misses Bathgate, Parkview avenue. In the absence of the president, Mrs. D. Ross, Mrs. C. Catto, former president occupied the chair.

Mrs. J. Cooper, gave a report on the work accomplished by the relief committee during the year, and stated that about \$700 worth of relief work had been done. It was decided to hold a township campaign and tag day on October 16 to raise funds for relief during the ensuing winter.

The election of officers resulted as follows:—Mrs. D. Rose, President; Mrs. A. Spaulton, 1st Vice; Mrs. Bert Humphreys, second vice, Mrs. C. S. Holly, secretary; Miss Barbara Bathgate treasurer.

### Regular Meeting of North York Council.

The North York Council last Monday was not an important meeting but several matters were dealt with.

Mr. Thos. Urquhart the Township Solicitor was requested to inform the Township as to what obligation the owners of the Metropolitan Railway were under to give service on Yonge Street within the Township.

Engineer E. A. James and Water Works Superintendent T. Jackson were instructed to report upon the cost of numbering the houses in the populace section of North York. They were also instructed to submit a system of numbering.

Property owners on Don Boulevard and Addington Avenue were informed that on the 12th of October the Ontario Railway Board would likely hear objections to the method of assessing the cost of the two bridges.

Deputy-Reeve W. W. Anderson intimated that he thought the Council were pursuing the wrong policy in permitting the Township employees to own their cars and receive maintenance funds from the Township. His own idea was that the Township could own and operate the cars at less expense.

The engineer was instructed to call for tenders for a storm drain on Brook street. This work is the commencement of a sewerage system for the Township of York.

## Local Team Won League Championship

Aurora Girls Defeated Thornhill Richmond Hill Men's Softball team won the championship of the Yonge street softball league by defeating Newtonbrook in a keenly contested game at Thornhill last Saturday afternoon by a 12-9 score. Newtonbrook were the champions last year and no doubt were heavy favorites to repeat the performance this year but just like Jack Dempsey and a lot of other champions they fell down before the snappy Richmond Hill aggregation. The game in reality was a pitchers battle between Ted Bennett for the champions and Ray Richardson and Bob Jacks for the losers. The pitching on both sides was exceptionally good but a few costly errors lost the game for Newtonbrook.

The Hill boys won the game in the last innings when Hart went to bat with two on bases and smashed out a two bager scoring the two men ahead of him. Both teams played very good ball, the leading hitters of the game being; Bennett, Grant and Hart for the winners while Richardson was the only player to circle the bases with a homer.

The championship team are deserving of much credit for the honors which they have brought to the town. They played twelve games of which they won ten and also won five exhibition games. It is no little honor for the Hill to have a championship team and it has been rumored that the members of the town council and a few prominent citizens intend giving the boys a banquet.

Aurora girls annexed the championship in the ladies section of the Yonge Street softball league by defeating the Thornhill team at Newmarket on Saturday afternoon last by a score of 14-9. It was an interesting game and a hard battle all the way. The Aurora girls have played consistent ball during the year and deserve the honors they have won.

A girl's softball game is being arranged for Saturday afternoon, Oct. 16, at 8 o'clock in the Richmond Hill Park between Newmarket and the local girls. All fans should turn out strong to this game as it will be the last game of the season to be played on the local diamond.

Well boys, baseball is all over, pack away the bats and balls, and let's call a hockey meeting to get things into shape for the coming winter sport. Let's make this one of the biggest seasons Richmond Hill has ever had in Hockey.

## Maple

(Special to The Liberal)

Anniversary services were held in St. Andrew's Church on Sunday when excellent sermons were preached by Rev. Dr. Wallis of Oakville. A large congregation was present in the morning and at evening service the church was crowded. The choir was assisted by Miss Laidlaw of Toronto, and Master Edwin Bell, of St. Ann's Anglican Church Choir Toronto. Rev. A. S. Kerr of Maple, and Rev. Mr. McKay of Bolton assisted at the evening service.

Next Sunday morning and evening Harvest Home Thanksgiving services will be held in St. Stephen's Church when Rev. C. S. Roberts will preach. Special music will be rendered.

Monday was the sixtieth anniversary of the marriage of Mr. and Mrs. S. McDonald. They received the congratulations of many friends.

Plans are under way for purchasing a lot and a building for the public library.

The many friends of the Late Mrs. J. Gordon extend their hearty sympathy to the sorrowing family in their bereavement.

Many from here attended the school fair at Vellore on Friday last and pronounce it to be the best ever held there.

A quiet wedding took place at the Manse, on Wednesday of last week, when Mr. Walter Lloyd and Miss Alma Shaw were united in matrimony. The ceremony was performed by the Rev. C. H. Bowman. Miss Greta Piercey acted as bridesmaid and Mr. James Leslie Saw of Kleinburg was best man. Mr. and Mrs. Lloyd will reside in Maple.

Mrs. Locke Card of Nashville is spending a few days with Miss Morrison.

## Markham

The annual Markham Fair on Thursday Friday and Saturday of last week was favored with ideal weather and a large crowd of people from all sections of the district attended. There was an excellent program of both trotting and running races and the showing of live stock was very creditable. There was an especially large and choice showing of sheep, the exhibitors including many of the foremost breeders of Ontario.

BANKING  
FIFTY  
YEARS

## DOUBLING THE ARGUMENTS FOR SAVING

ALL that can be said in favor of opening a savings account in the Standard Bank may be repeated with greater emphasis as regards a joint savings account. Joint accounts are primarily for convenience of depositors, but where two people are bound together by common interests, the moral as well as the practical value of working together, planning their financial betterment with the aid of a joint bank account is clearly evident. The Standard Bank solicits your joint savings account.

## 40,000 Trucks Now Use Ontario's Highways

Commercial users have increased from less than 2,800 in 1916 to 40,000 in 1926.

County engineers and others complain of damage to roads because of overloading of trucks and speed at which they are driven on highways.

The necessity of limiting loads was recognized by the Government three years ago. Unless you wish more drastic legislation, further limiting of weight and speed, you will co-operate with the Department and obey the law.

All tax payers must not be penalized because of temporary profit to the few.

Road repair bills should never be burdensome and will not be if you use the highways reasonably.

Penalties are provided for overloading and fast driving. These should be unnecessary, but will be rigidly enforced whenever necessary.

THE HON. G. S. HENRY,  
Minister of Highways

S. L. SQUIRE,  
Deputy Minister

Issued by the Ontario Department of Highways to secure the co-operation of motorists and truck operators in abating the abuse of the roads of the Province.
