The North York Hydro Electric Commission are putting on a active campaign in reference to street lights and have informed the North York residents that upon petition they are prepared to install street lights at an approximate cost of for the first five years 6 cents per foot frontage per year and after that 3 and one-third cents per foot frontage per year. This cost is for lights on every other pole. Now that the long dark nights are coming we think street lights would be appreciated, they certainly are appreciated on Dewry Ave.

HIGH SCHOOL NOTES

Are we down-hearted? No! Say our football players. Hard luck seems to following our football squad. When we visited Aurora we met with our first and last defeat, the score being 2 to 1. Bennett was responsible for the one tally for Richmond Hill. On 21st of October, at home the local team played a tie game with Newmarket, each team counting once. Richmond Hill's goal was scored following a scramble in front of the Newmarket goal. The ball was kicked over the goal line twice but was moved out by the Newmarket goalie. Bennett then came tearing in and made sure of the goal. The only casualty in this game was McKay who received a bad body check from one of his own team. He was, however, able to finish the game.
On Monday the 25th, Aurora invaded Richmond Hill. The local boys were determined to win and only hard luck barred their way to victory. The wind was tricky with the result that two lucky goals were scored, one for each team. Hooper worked hard during the whole game and was responsible for the one tally, in the first period White broke through the defense and had apparently only the goal keeper to beat, but just as he kicked the ball for the upper corner of the goal the wind came rushing down and carried it out.
Dame fortune has not been favoring Richmond Hill which accounts for its position in the league, but it is doing very well considering there are five players appearing in their initial soccer year. The only hope Richmond Hill has winning the league is that there may be a triple tie. This is the first year in four that R. H. Hill has lost in football but if a tie arises it may be the fifth straight win. The local team plays its last game in Newmarket on Monday next. The league standing is as follows:-
Played Won Tied Lost Points
Aurora ... 2 1 0 3
Rich'd Hill 3 0 2 1 2
Newmarket 1 0 1 0 1
The line-up for the home team:-
Forwards, A. White, E. Young, G. Draper, D. Timis, T. Bennett; Halves, W. Steckley, S. Battersby, B. Hughes; Backs, H. McKay, B. Hooper; Goal, R. Jackson.

A. W. Galbraith of Newtonbrook, President of the South York Sabbath School Association, presided. Formerly the superintendents along Yonge Street belonged to either the Vaughan or the Markham Township Associations, but have found it very inconvenient to attend owing to the distance and lack of transportation.
