North York

At the regular meeting of the North York Township Council on Monday, December 6th a report was read wherein it was stated that the Department of Highways would consider the building of a high level bridge over Hoggs Hollow, and consider commencing construction of same in the spring of 1927.

The Department of highways have arranged for a meeting on Friday afternoon December 10th, when representatives of the municipality will be present to discuss with the Department the location and type of structure and other items which it is deemed necessary in conjunction with construction.

Reeve Hicks and Councillor Carson were appointed representatives to the Highways Department on December 10th.

Several weeks ago W. Wallace of Eilerslie Avenue, Willowdale, was awarded by Council \$100 for the cutting down of a hedge on his property to allow for the widening of the road in this connection, Thos. Bridge of Eilerslie Avenue appeared before council to protest against the award and explained that if this award was allowed to go through it was possible that it might cost the Township \$8,000 to \$10,000 on Eilerslie Ave and Duplex Avenue.

Residents on Eilerslie Avenue also protested against the award.

It was explained by Deputy-reeve Muirhead, that if Mr. Wallace sued the township for damages the question was as to costs and not as to winning the case against Mr. Wallace.

The following by-laws were passed: the construction of water mains on Byng Avenue and the construction of street lights on Yonge Street from the City Limits to Old Yonge Street. A one foot strip of land on the north side of Bishop Avenue was reserved and by-law No. 412 read for the first time.

During the discussion of the Addington Avenue bridge on November 15th J. H. Warren made certain statements in connection with Mr. Orford and before to-day's session he made verbal apology.

Loans with the Standard Bank of Canada for \$6,000, on Water Supply system account, \$10,000 on Hydro account, and \$30,000 on local improvement account.

The Reeve and Clerk were instructed to make the necessary arrangements for the loans.

Two or three cooked sausage will flavor a jar of boiled rice.

Rice and raisin pudding or baked apples will be nice for a change.

Thornhill

(Special to the Liberal)

The members of the C. G. I. T. met in the Sunday School room of the United Church last Wednesday evening, December 1st. Supper was served at 6.30 o'clock and a social hour spent after which they prepared scrap books and other articles for the hospitals in the west. Much credit is due to Miss R. Strangways leader of the girls for the way she has carried on the work since they were organized.

Late Mrs. John McLean
After a lingering illness of nearly three years the death occurred on Thursday morning, December 2nd of Elizabeth Riddell beloved wife of John McLean, Langstaff, Rev. B. R. Strangways assisted by Rev. R. S. Fralick (former pastor) conducted the funeral services at the family residence on Saturday December 4th at 2.30 o'clock, the burial took place at Richmond Hill cemetery. The many floral tributes showed the high esteem in which Mrs. McLean was held in the community. She is survived by her husband one daughter and two sons. Much sympathy is extended to Mr. McLean and family in this great bereavement.

Successful Euchre
The Thornhill Ladies Soft Ball Club held their first Euchre party of the season in Fiddle's Hall last Thursday evening, December 2nd. As expected all tables were filled, the play started at 8.30 o'clock. After playing sixteen rounds the prizes were awarded. Ladies first prize half dozen sherbet glasses won by Mrs. James Fisher, second prize, cream and sugar set won by Mrs. Erwin. Gents first prize necktie, won by Mr. T. McCormack second prize, pack of playing cards won by Mr. W. Wallace, Willowdale. Refreshments were served and Manager Eaton was complimented on the success of the evening.

One of the most interesting meetings of the season is being planned for next Monday evening by the President of the Y. P. S. A debate will be given—"Resolved that Poverty rather than riches tends to the building of a mans character." All young people of the district are invited to attend.

Mr. and Mrs. Frank Charlton have returned from their honeymoon, after spending several days in Theford.

On Monday evening in the Y. P. S. of the United Church a splendid program was provided by Miss Bird, vice-president of the Christian Endeavor department. Miss E. Barker's singing was greatly appreciated. Miss Davis's piano solo was artistic and pleasing. Miss Gardner of Toronto spoke of her work as a missionary among the neglected mountaineers of Kentucky. Twenty young women have been doing work amongst the people of the Anglo Saxon origin who seem to have been missed in their secluded region. The inhabitants of an extensive territory have been cut off from world progress and are living in degraded pioneer conditions of two centuries gone by. They are without transportation facilities, without machinery and without most all utilities and necessities of modern life. The gospel is amongst them only as a tradition. The social amenities, and the comforts and conveniences of other people have not even dawned upon their imagination.

The story amongst these people their manner of life and their appreciation of the missionary was told by Miss Gardiner in a most pleasing and inspiring way. The members of the society were highly pleased with the address, and went home thinking how much more interesting facts are than fiction.

Thought is turning to Christmas. Business is setting itself in readiness for the event. Students and teachers are looking forward to the event. The United Church is also feeling the thrill of its approach. The Sunday school is making ready its annual entertainment which promises to equal if not surpass former events of the same nature.

Last Sunday the pastor began a series of sermons in the evening preparatory to a right enjoyment of the great occasion. Next Sunday evening his theme is announced to be for young men who want to approach the Christmas time in a way best to secure its true inspiration and message.

The regular meeting of the W. M. S. was held at the home of Mrs. N. J. Smellie on Tuesday afternoon. Several members of the society gave appropriate missionary readings and Miss Barker sang a delightful solo. The January meeting will be held at the home of Mrs. D. Boyle, Mrs. Cocking of Toronto will address the meeting.

MAPLE

(Special to the Liberal)

The St. Andrew's W. M. S. met at the Manse on Wednesday afternoon twenty members were present, officers for the ensuing year were elected. Reports of officers for the year were given, and were very encouraging, the allotment for the year being more than reached. A splendid program was given consisting of piano solos by Miss Laurene Hague and Miss Agnes McLean, a paper on the study book—Moslem Women, by Mrs. W. J. Johnston, an address on the Bible Society by Rev. Bowman and a vocal solo by Miss M. Manning. Mrs. Bowman served refreshments.

Though Sunday was such a stormy day some fifty people ventured out to Sunday School and church.

All ladies wishing to contribute to the box for Evangel Hall will please leave same at Robinson's store.

The annual Sunday School meeting of St. Andrew's church met in the school room on Tuesday evening. The usual business was transacted, and officers for the ensuing year elected.
