Truly a great picture!
The Screen Sensation of Two Continents!

Never before has the screen revealed a spectacle of such size and impressiveness as in the epic production. The world-famous story of love and temptation, renowned as an opera, has now been dramatically immortalized in a picture which can be truly called great.

Based on the World Famous Epic.

"Winners of the Wilderness."

Will Ask T. T. C. For Lower Fares

J. A. Greene, J. A. Thompson and Thos. Trench, representing the Richmond Hill Ratepayers Association are in Toronto to-day interviewing Manager Harvey of the T. T. C. with the view of securing better service and lower rates for Richmond Hill. The committee was appointed at the last executive committee of the association as it was felt that everything possible should be done to obtain for Richmond Hill the best service possible at the lowest possible figure. It was pointed out that there were several families left the district when the fares were raised and that with present rates it was a burden for the working man to live in the suburbs and pay the high fare. As it was not known whether or not the council contemplated any action on the question the above committee of three, was named to wait on the Reeve and Council and enquire if it was their intention to interview the T. T. C. in the immediate future regarding service and rates and in the event of their having made no such arrangements and not intending to do so the committee was empowered to proceed to interview the members of the commission on behalf of the rate-payers.

THIRD MEMBER OF LIQUOR COMMISSION

Stewart McClenaghan, prominent Ottawa man and ex-M.P. for Ottawa West, who makes the trio who have been appointed to administer Ontario's system of Government control of liquor.

ORATORICAL CONTEST AT PUBLIC SCHOOL

The oratorical contest held in the public school on Tuesday night under the auspices of the Home and School club was a very interesting event. Eleven boys from the third class and ten from the fourth class competed for the cash prizes donated by Mr. G. H. Duncan, chairman of the Board of Education. All made very creditable orations which showed careful preparation and training. Principal Walter Scott presided and Mr. Jas. Stewart, Father Kelly and Prof. Walker acted as judges. The winners were; third class, first Ivan Whalen, "Robert Clyde"; second Lloyd Hawkes, "Pioneer Days in Canada"; third Lawrence Haworth, "Russie." Fourth class, first Edward Arnold, "The Story of the Submarine"; second, Bartlett Smith, "Aviation"; third William Cross, "Shakespeare."

Telephone Talk Will Now Cost More.

It's going to cost more to talk; that is if you use the telephone. The increased rates announced by the Board of Railway Commissioners at Ottawa this week have considerable effect throughout many districts of York County. The old rates effective in most of the suburban districts were—One party line, \$2.05; two party line \$1.85; rural line \$1.54, and for an extension station \$1.03. The above rates applied to both business and residence services. The new rates as follow provide for an increase for business telephones; One party line

	Bus.	Resid.
One party line	\$2.50	\$2.05
Two party line	2.00	1.85
Rural party line	1.90	1.65
Extension Station	.80	.55

Band Carnival Successful Event

Markham Township Win Tug-Of-War

The annual carnival held at the arena on Wednesday night under the auspices of the Richmond Hill band was largely attended and was a very successful event. Owing to weather conditions the ice was a little soft but all the events were carried out and skating was enjoyed by a good crowd. The music by an augmented band under the direction of P. A. Drury was very favorably received. The various events were run off under the direction of Elmore Metcalf and were keenly contested and watched with interest by the spectators. The winners were; boys race, fourteen years and under, 1, Art O'Leary, 2, N. Smith, Aurora; Girls race fourteen years and under, 1, Aileen Grant, 2 Lenore Glass; musical keg race, 1 Eric White, 2 Sam Tomlinson; Tug-of-war on skates, Markham Township.

The tug of war proved an exciting event and Reeve Lunau who acted as official referee had his hands full keeping the eight "strong men" from each township in order. In the first pull the men of Vaughan were the winners, but although the referee is a Victoria Square "old boy" it is claimed that he let the Vaughan team pull the first time with an extra man. However Markham won the two final "heats" and were declared champions. The members of the band are thankful to the people of the entire district who so generously patronized the event and also wish to thank all who assisted with carrying out the program.

Oratorical Contest Held at Oak Ridges

Under Auspices Of The Women's Institute.

A very enjoyable evening was spent last Friday at Oak Ridges School when the Oak Ridges Branch of the Women's Institute held a concert and oratorical contest. Mrs. F. A. Legge presided.

Mr. Gordon Davidson of Toronto, accompanied by his sister at the piano rendered violin solos, Miss Blanche Britnell Gold Medalist of Toronto delighted the audience with her readings. Mrs. Oram with her songs and Mrs. Brammer of Newmarket with Scotch readings which were very much enjoyed.

Ten pupils from Temperanceville, Jefferson and Oak Ridges took part in the contest and were a credit to their teachers and parents. They were called by number and all were so remarkably good that the judges had a very close decision. Olive Boyle "How a Little Girl Can Help Her Mother" was awarded the junior girl's first prize and Fred Hulme "Nature's Little Wild Animals" was awarded first prize for the junior boys. Jean Boyle "The Chick-A-Dee" won the girls senior and David Venek "Winter Sports in Canada" the senior boys. Each of the other contestants received a book.

Mrs. Hume of Richmond Hill, Miss Chapell and Miss Applegate of Aurora High School ably acted as judges. Mrs. Fred Legge and Mrs. Wilkins presented the prizes. Refreshments were served by Mrs. Capell and Mrs. Mitchell at the home of Mrs. Capell. The regular monthly meeting will be held at the home of Mrs. Frank Legge, March 2nd. All are very cordially welcome.

Give The Children The BEST!

START THEM WITH "Hurlbut's"

Get your children acquainted with Hurlbut's right away. Once the tender, growing feet have been confided to the care of Hurlbut's foot problems are settled once and for all.

There is a sure-footed steadiness about Hurlbut's that make a boy or girl feel he or she is as well dressed as Dad or Mother.

The Development of Canada's Natural Resources.

Canadian Water Power

The Investment with a Future.

The word "POWER" itself immediately creates in one's mind an idea of stability and safety, and hydro-electric power plays no mean part in the development of CANADA'S natural resources, which is so essential to the welfare of the Dominion. One might say that reasonably priced power is necessary for the economical operation of newsprint, mining and countless other industries.

It will be conceded without argument that the investor in PUBLIC UTILITY securities in general and HYDRO-ELECTRIC securities in particular have been singularly fortunate in Canada. Not only have these securities proven to be a safe form of investment but in a great many cases they have shown the investor a handsome profit. This we believe has been caused by the fundamental characteristics of the business. In the first place they are selling a product for which there is a universal and ever increasing demand; their business is on a cash basis and there are no inventories to write down, and in the case of straight hydro-electrics there is little or no labor, consequently they are relieved from any labor difficulties. The use of electricity is expanding so widely, that in our opinion, the future holds even more promise than the past.

We recommend for investment first mortgage bonds of the OTTAWA-MONTREAL POWER CO., LTD., due 1949 to yield about 6%. These bonds are widely distributed and always in demand, and should the purchaser desire at any time to sell, there would be no delay in converting holdings into cash.
