### Mrs. Mortson Honored By W.C.T.U. Associates

Presented with Life Membership In Appreciation of Her Devoted Service To The Society.

A pleasant feature of the W. C. T. U. tea held on Tuesday afternoon at the home of Mrs. W. H. Mylks, Yonge Street, was the presentation of a County Life Membership in the organization to Mrs. Charlotte Mortson Roseview Avenue by the members of the local branch. For over forty years Mrs. Mortson has been a faithful worker in the W. C. T. U. and has given freely of her time, energy and ability for the work of the society.

The presentation was carried out on behalf of the society by Mrs. Phipps who made the address and Mrs. Winnifred Mortson, president who made the presentation of the pin representative of life membership. In her address Mrs. Phipps paid sincere tribute to the life and work of Mrs. Mortson and spoke highly of her services to the W. C. T. U. She pointed out that she had been a member of the W. C. T. U. for about forty years and has acted as superintendent, a position which she filled with dignity and efficiency. "It has always been an inspiration to have her in our meetings," said Mrs. Phipps. "one is always welcome who radiates love and confidence. It is always a happy event when it is possible to make one of our members a life member. It is also a serious obligation when one pledges themselves to work for God and Home in every land for a life-time. Not only do we find Mrs. Mortson working in the W. C. T. U. but also in the various activities of the church and community—the different organizations of the village can all claim her as a member. Mrs. Mortson, our union asks you to accept the county life membership as a token of our appreciation of your many years active work in this society. We are enriched by your friendship and good will and our most earnest desire is that you may realize the ambitions of your sincere work for the cause of temperance. I congratulate you Mrs. Mortson on having won the confidence and esteem of your associate workers."

Mrs. Mortson graciously thanked the members of the society for their expressions of love and good will and for the honor they had conferred on her by making her a life member of the association.

The tea was well patronized and the proceeds amounted to \$19.25. The president Mrs. Winnifred Mortson assisted by officers of the society received and the home of Mrs. Mylks presented a beautiful appearance. The drawing room as well as the sitting room and dining room were tastefully decorated in attractive color schemes of pink and red. The following young ladies assisted in serving the tea: Miss Mildred Sims, Miss Marion Ramer, Miss Alma Cherry, Miss Phyllis Glass, Miss Constance Mortson, Miss Anna Phipps, Miss Marion Ellis, Miss Isobel McLean, Miss Margaret Plewman.

### Musical and Oratorical Competition for York

York Pioneer and Historical Society Offer Many Prizes.

Last year the York Pioneer and Historical Society inaugurated a music contest—open to church choirs, High School choirs and Boys and Girls in the County of York. This was part of the plan of the society to aid in developing the Community spirit in all its phases. The event was most successful, eight church choirs competed, the winner being Newmarket United Church.

This year the Society has decided to include oratory as well as music, and is offering the following prizes.

1. A shield for the Best Church Choir.
2. A shield for the best High School choir.
3. A Gold medal for the best Girl Singer under 18 years of age.
4. A silver medal for the Best Boy Singer with unchanged voice.
5. Two silver medals for oratory open to high school pupils under 18 years of age.

The competitions will be held in the United Church at Richmond Hill on Saturday, May 21st, 1927—the oratorical in the morning at 10 o'clock, and the Musical in the afternoon at 2 o'clock, standard time. Admission free.

Details of these competitions may be had from the Secretary, N. F. Caswell, 148 King St. West, Toronto, and entries may be made with him at any time.

**Oddfellow's Dance**  
Hillcrest lodge, I. O. O. F., No. 409 annual dance to be held in the Masonic Hall, Richmond Hill on Tuesday evening, March 8, commencing at 8.30 p.m. The following are members of the committee, Jas. Kerswill, N. G.; L. Haworth, secretary; W. Clark, W. Mylks, and L. Hunt.

G. STRICKLAND THOMPSON

Who recently opened the Thompson School of Music at Lansing, has had a wide and varied experience in the musical world as Organist and Choral Conductor. He was the founder and conductor of the Great Cantata Choir of Mitchell, Ontario, of 75 voices and organized and conducted the massed choir accompanied by the Mitchell Town Band of 40 instruments. He was formerly head of the Piano Faculty of the York Conservatory of Music, Toronto.

Mr. Thompson is the author of a book entitled, "The Great Composers Lives."

A Canadian by birth Mr. Thompson received most of his Musical education in Canada and is a close friend of Dr. H. A. Fricker of the famous Mendelssohn choir.

### Newtonbrook Home and School Club Met

Interesting and Instructive Address  
By Dr. Hill, Township Medical Health Officer

Newtonbrook, March 1.—The regular monthly meeting of the Home and school club took place on Thursday evening with the president presiding. After the singing the Maple Leaf, Mr. A. W. Galbraith took the devotional services.

Master Edmund Lewis delighted the audience with a saxophone solo.

Mr. Bert Moose gave a most interesting address on "The League of Nations," a topic which is being very much discussed at the present time.

A recitation was then given by Miss Margaret Shaw in a very interesting manner.

Dr. C. E. Hill of Lansing, M. O. H. for North York Township then gave an address.

This proved to be very instructive and helpful as he dealt with problems which the people are very much concerned about in our township, namely:—Purity of Milk supply; methods of purifying water supply and tests that are made to keep it so; Sanitation in the Community; Communicable diseases; Toxoids which is of most interest. The parents as well as the children are to be given a free treatment with this in the near future as a preventative against diphtheria.

The attendance was unusually large showing the keen interest that is being taken in the meetings. Those attending the meeting received a very great deal of useful information. A social hour was then spent by all.

## The Development of Canada's Natural Resources.

### Canadian Water Power—

### The Investment with a Future.

The word "POWER" itself immediately creates in one's mind an idea of stability and safety, and hydro-electric power plays no mean part in the development of CANADA'S natural resources, which is so essential to the welfare of the Dominion. One might say that reasonably priced power is necessary for the economical operation of newsprint, mining and countless other industries.

It will be conceded without argument that the investor in PUBLIC UTILITY securities in general and HYDRO-ELECTRIC securities in particular have been singularly fortunate in Canada. Not only have these securities proven to be a safe form of investment but in a great many cases they have shown the investor a handsome profit. This we believe has been caused by the fundamental characteristics of the business. In the first place they are selling a product for which there is a universal and ever increasing demand; their business is on a cash basis and there are no inventories to write down, and in the case of straight hydro-electrics there is little or no labor, consequently they are relieved from any labor difficulties. The use of electricity is expanding so widely, that in our opinion, the future holds even more promise than the past.

We recommend for investment first mortgage bonds of the OTTAWA-MONTREAL POWER CO., LTD., due 1949 to yield about 6%. These bonds are widely distributed and always in demand, and should the purchaser desire at any time to sell, there would be no delay in converting holdings into cash.
