Congratulations to Bert Moore
Mr. Bert Moore is receiving the
congratulations of his friends in his
success in the Oratorical contest at
the Richmond Hill Home and School
club last Wednesday when he came
second place among seven competitors.

Home and School Club Meeting
The regular monthly meeting was
held last Thursday evening. Mrs. A.
W. Galbraith was in charge, there
was a very good attendance present.
The special program of the evening
was the showing of about two
hundred slides of "A Trip Across
Canada by the Canadian Pacific Rail-
way." These were shown by Mr.
Gordon Galbraith, who on account of
being on the staff of the C. P. R. was
able to procure these for the Club.
The slides were beautiful and were
very much enjoyed by all those present.

Mr. Norman Boore then delighted
the audience with two violin solos.
Following this part of the program
the meeting then took the form of an
Irish Social. The audience was di-
vided into the different Irish Family
Groups—"The Gilhooleys," "The Mur-
phies," "The O'Briens," and "The
Flannagans."

After several Irish contests by the
four groups the Flannagan group
won the largest number of points and
were presented with a prize.

Lunch was then served and a so-
cial time enjoyed.

brook Men's Club took place in the

ing year took place with the follow-
ing result:—Hon. president, Rev. E.
R. Young, Mr. G. R. Goulding and

**Egerton Young Brings Honors To
Newtonbrook.**

On Monday evening March 18, the
annual rally of the Toronto Centre
presbytery took place in Avenue Road
United Church, Toronto.

The feature of the evening was an
Oratorical contest on the general
theme—"Youth and The Church."

Mr. Egerton Young of Y. P. S.
Newtonbrook was the winner of the
evening. He took as his subject,
"The Advantages For Young People
In Attending Church."

His address was full of enthusiasm
and the judges, Rev. W. A. MacTag-
gart, H. Maurice Cody and Farqua-
ar Oliver, M. P. P. did not delay their
judgment between he and his other
two competitors, Mr. Don Clark of

Bathurst Street, Y. P. S. and Mr.
Robert Beare, Yonge Street Y. P. S.

The Young People's Society here
was withdrawn and as many as could
attended this splendid rally. They
were all very proud to have these
honors brought here.

Newtonbrook Rink A Great Success.

The committee in charge of the
Newtonbrook community rink desires
to publicly express their greatest
gratitude to all those who so kindly
contributed financially during the
past winter to this much needed and
valued project.

The season just concluded would
have failed utterly in the end had
not the good people of this com-
munity helped so generously with
their funds and with their good will.
It is important that the caretaker's
wages have been fully paid to date,
including a sum owing from the pre-
vious year, and all other expenses
secured from the conduct of the rink
have been also defrayed.

On behalf of the Committee,
Gratefully yours,

J. R. SMITH,

Chairman of the Committee.

Choir practice will be held this week
at the Parsonage on Friday evening
at 8 p.m.

Mrs. H. B. Schmidt, Lansing at which
the election of officers for the coming
year took place.

People's Society met on Thursday
evening in the Sunday School room to
plan their work for the coming year.
A splendid attendance was present
and it is hoped that all members will
co-operate, with the executive so that
they can make the society more suc-
cessful than ever.

Mr. Tom Lees, president will look
forward to the help of all members.

Elgin Mills Will Have Soft Ball Team

Keep your eye on that Elgin Mills
young ladies softball team this year.
They certainly mean business, and
are hard at it once a week developing
the muscles of the whole body. They
go through various forms of exercis-
es and end the evening's work by toss-
ing the ball around. Everybody con-
nects it snappy. Everybody connect-
ed in an official capacity with the
team are always on the job each and
every Monday evening at the Elgin
Mills Pavillion. Mrs. Whitton, the
President, is an enthusiastic worker
on behalf of the young ladies, as are
also the manager and coach, Messrs.
L. A. Montgomery and Eric White.
The writer enjoyed the evening's ex-
ercises of last Monday night, and is
fully persuaded that the young ladies
are going about their business in a
right and proper manner. It is not
likely that Richmond Hill will have a
team this year, and the Elgin Mills
team is sure to have some excellent
help from that quarter.

Here's hoping that they may more
than hold their own in all scheduled
matches and exhibition games.—R. J.

which corals help each other and how
the coral reefs are built up. He ex-
plained, how the tentacles are sent
out from the corals so that food can
be secured.

As a conclusion he told the children
how they might take a lesson from
these corals and work together and
what wonderful work they could do
and how much more helpful they
could be.

Mr. Young has been giving the
children lectures on "The Lords Pas-
ser" for some weeks and an examina-
tion was held a week ago. These
results were given out also on Mon-
day.

Mr. Young gave a Bible to the
children obtaining the highest marks in
each room. Miss Kathleen Lockyer in
Miss Tate's room and Miss Helen
James in Miss Millburn's room were
the recipients of these beautiful Bi-
bles.

The children have greatly appreci-
ated these interesting lectures and
we hope that Mr. Young will find it
convenient to continue these
studies in September.

At the close of his address Mr. J.
R. Smith spoke on behalf of the
mothers of the two rooms to express
their appreciation for the helpful ad-
dresses which have been given by Mr.
Young.

Mrs. A. W. Galbraith then spoke
on behalf of the Home and School
Club to tell Mr. Young how the Home
and School Club could only add to
the appreciation expressed by the
Mothers.

The fitting remarks were greatly
appreciated by the pastor who replied
in his usually splendid way.

holiday at her home.

Man is just his mind full of other
people's ideas.

Cities have a device to make drunk
men sober. Hitting a telephone pole
will do it at times.

Few statues are erected to men who
couldn't make a decision without ask-
ing the wife.

A great man's belief concerning
immortality probably won't change
the facts a great deal.

Thuna's Goitre Treatment - FOR - Goitre---Thick Neck

GOITRE—has been for years thought to be a disease that no bad
effects came from, while many thought it was merely a large neck and
would go away as it came. Others thought there was no remedy for it,
and have simply let it go on, and many have experienced the bad effects
due to Goitre, and have tried many remedies in order to get rid of it. Most
all remedies for Goitre seem to be an ointment to apply to the enlarge-
ment, which may reduce the size of the swelling, but never removes the
cause.

This TREATMENT is not a new or untried experiment, but for over
twenty-five years has been in use known as THUNA'S GOITRE
TREATMENT and has given the very best satisfaction. We have in our
possession many letters stating the marvellous results obtained; but as par-
ties troubled with Goitre are usually sensitive and do not care to have
their names published, all correspondence will be strictly confidential.
