Chicken Thieves
Chicken thieves are again active in this district and on Tuesday night cleaned out the entire flock of Mr. Robert Campbell of Markham Township. The police are working on the case and quick justice will be waiting these prowlers of the night if they ever come within reach of the law. OBITUARY

Late William Innes

It was with startling suddenness that the word was received that William Innes had passed away early Sunday morning. The entire community in which he has lived and conducted business for the past forty years was shocked by the news and people in every walk of life are one in paying tribute to the worth of the deceased and in the praise of his sterling character and genial disposition which won for him the respect and admiration of a wide circle of friends.

The late Mr. Innes who was in his seventieth year was born in Thornhill but spent most of his younger days in the Gormley district, coming to Richmond Hill in 1887. He has conducted an extensive lumber business here ever since and was active until his last brief illness. Although conducting an extensive business he always found time to interest himself in many community endeavors and served for several years on the town council. He was a charter member of the Sons of Scotland and has been an active member of the society since its organization here in 1892.

A staunch Presbyterian in religion he has always been a pillar of the church and was elected as elder in 1895. He has been clerk of the session for a great many years and will be greatly missed by the members of the Richmond Hill congregation who have always looked to him for leadership and inspiration.

The funeral which was held from his late residence on Tuesday afternoon was one of the largest ever held in this district and was generous testimony of the irreparable sense of loss which was felt in the community. Old employees, business men and men and women in every walk and vocation in life were represented and the gloom which was evident bespoke the loss of an upright citizen who was at all times a man among men. The funeral services were conducted by Rev. M. C. Campbell of the Presbyterian Church and interment followed in the Richmond Hill cemetery. The pall bearers were—Messrs. C. Marsh, David Hill, Jas. Monkman, Fred Hopper Geo. Sims and Geo. Metcalf.

Left to mourn his death besides his widow who was formerly Mary Clift of Whitchurch township is one son J. Harry Innes, who has been associated with his father in business here, and one brother John in California. To the bereaved family the Liberal joins with the people of this entire district in extending sincere sympathy in their hour of sorrow.

Late Mrs. J. W. L. Leece

The sudden death occurred in Markham township on Saturday, April 9 of Ethel J. Nixon, beloved wife of J. W. L. Leece in her forty first year. The deceased was a daughter of John Nixon of Vaughan Township and besides a loving husband leaves to mourn her death two brothers Herchell of Newmarket and John of Vaughan township. The funeral services which were held on Tuesday were conducted by Rev. A. A. Wall and interment followed at King cemetery. The pall bearers were, Fred Leece, John Leece, John Nixon, Howard Cook, Stanley Wood and Frank Piery.

Epidemic of Grass Fires

There has been an apparent epidemic of grass fires during the week and the local fire brigade has done very commendable work, being both prompt in answering the calls and efficient in handling the fires. In all cases the fires have been caused by the placing of small grass fires which get beyond control. The fire brigade made record time in attending all calls and their prompt action was responsible for the saving of considerable loss. Citizens are urged to be very careful in lighting fires at this season of the year.

Automobile Insurance

Every Car Owner Needs This Protection

No car owner can afford to be without dependable insurance protection. Public Liability, Property Damage, Collision, Fire and Theft—the risks are too numerous. You might travel for years without suffering loss. And you might sustain such a loss tomorrow. The cost of carrying automobile insurance is very small when compared with the indemnity it affords.
