Thornhill United Church Young Men's Banquet

The chance visitor to Thornhill on Wednesday evening, April 20, would have been struck with the paucity of people on the streets, but if they had made enquiries they would soon have been informed that the reason for the apparent lack of population was on account of the fact that the Young Men's Class of the Thornhill United Church were holding their Third Annual Banquet.

This year's banquet was considerably different to the banquets which have been held in the past. The large number of Toasts which are usual at an affair of this nature in this case were eliminated, with the exception of the Toast to the King, which was proposed by the chairman of the evening, Mr. Gordon Galbraith, and the Toast to the visitors. The latter toast was proposed by Rev. B. R. Strangways, the Pastor of the church, who in a few brief well chosen words drew the attention of the guests to the initiative and energy of the Young Men's Class. Rev. J. W. McIntosh of Richmond Hill responded to this Toast, and stated that he was sure he voiced the feeling of all the guests when he expressed his sincere thanks for being invited to attend. The Rev. R. S. Fralick of Oakwood United Church, Toronto, former pastor of the Thornhill United Church, also responded to the Toast of the Visitors and outlined for the benefit of those present the formation and organization of the Young Men's Class during his Pastorate at Thornhill, and gave considerable credit for the success of the class to the Teacher, Mr. M. J. Johnston.

The feature of the evening's entertainment was an address by Mr. McGillicuddy of Toronto, who took for his theme, "Ideals" and in his well known humorous and earnest manner gave a very splendid address. In addition to this Mr. Thos. McLay, Scottish Tenor of Toronto sang several solos which were well received by the audience. A string quartette consisting of Misses E. Atkinson, R. Strangways, E. Bird and Mrs. Echlin did considerable to make the evening's program a success. Messrs. N. J. Smellie and R. McIntosh members of the class, sang a couple of duets much to the delight of the audience. Bruce McDonald, Elmore Hooper and Gordon Johnston, posing as the "Hambourgeois trio" dispensed some very good music and jokes.

The large crowd which numbered about eighty-five, went home with the feeling that the Young Men's Class of Thornhill United Church is a credit to the village.

A Good Idea

Farmers will look with appreciation towards Queen's Park since Attorney-General Price and Hon. John S. Martin, Minister of Agriculture have made an appeal to the Federal authorities to have the Criminal Code amended so as to provide a stiffer penalty for chicken thieves. The \$20 limitation on the value of birds stolen will probably be removed and the matter left to the discretion of the trial magistrate or judge to impose such penalty as the circumstances may suggest.
