WARNING

The Board of Education is desirous that the school grounds should at all times present as attractive an appearance as possible and ask the cooperation of the citizens generally in their effort. It is urged that parties who have been recently playing on the public school lawn and those who have been making a path across the old High School grounds should refrain from so doing and thus assist the Board and School officials in keeping the grounds in a creditable condition. It is hoped that this warning will be sufficient and that the Board will not have to take any further steps to protect public property.

Signed
 Richmond Hill Board of Education.
 G. H. Duncan Chairman
 R. S. Cooper Secretary.

Mrs. Hart visited with her brother at Temperanceville over the week end.

Save Old Papers
 When you are house cleaning and run on a lot of old papers old clothing or discarded furniture or articles of any kind, do not destroy them as the Salvation Army can make good use of them and will be glad to receive them. If you have any such articles if you will communicate with S. W. Hunt, Box 166 Richmond Hill you will be notified when the Army will be able to call through a notice in this paper.

School Board Held Regular Meeting

The regular meeting of the Richmond Hill Board of Education was held on Monday night with the following members present; Chairman G. H. Duncan Mrs. A. A. Perry, George Gee, W. A. Wright, H. Edean, Dr. J. P. Wilson and F. Atkinson.

The Board concurred in a resolution from the educational committee of the County Council which asked that the government be petitioned to have it enacted that the County Council should have the authority to sanction or dismiss plans for High Schools within the County. This resolution also sought to give the County the responsibility of selecting the location of schools in a district. The purpose of the resolution is to standardize capital expenditure for education which is now a large item in this county and which varies vastly in different municipalities.

Principal Scott wrote the Board recommending that beginners be accepted in the school only after the Easter and midsummer holidays as he pointed out in starting at all times it broke into the year's work.

The opinion was expressed that it was questionable if the Board had mandatory powers in such matters but the members went on record as favoring the suggestion although they felt they could do nothing except point out to parents the advisability of the complying with the request.

Chairman Duncan reported that he had been in consultation with J. R. Herrington re the insurance on the schools and that by taking advantage of a certain form of insurance which was suggested, a substantial saving could be made. The matter was left in the hands of the chairman and the secretary to deal with.

BADGER—PHILLIPS

Sale of Cars
 G. A. M. Davison, Unionville is going to sell about 50 used cars and trucks at Unionville on Saturday, May 21st by auction you will buy them at your own price as everything will be sold without reserve.

A Question of Ownership.
 Markham Township Council were faced with a legal query of considerable proportions at their last meeting. It was the sequel to a sheep claim for \$160 which was paid by the party who wounded the dog which did the damage and was for one sheep killed and general damage to the flock. The valuator thought the sheep was going to die and put in for what he considered was full value, and the claim was paid by the owner of the dog. However, the sheep is progressing very favorably and will probably live. Now the question is should the owner of the dog claim the sheep that he paid for.

Transportation Committee Met.
 The transportation committee of the County Council held a meeting in Toronto on Monday when the plans of the T. T. C. were discussed. It is understood that it is the intention of the T. T. C. to change the gauge on the entire line about the middle of June. New cars of the most modern type will be operated and a saving of nine minutes will be made in the schedule from Richmond Hill to the City Limits. There will be more frequent service but no material reduction in fares is promised in the immediate future. It is possible that book tickets which are now good only for one month will be good any time during the year.

Presbyterian Church.
 Regular services will be held on Sunday next at 11 a.m. and Sunday school at 2.45 p.m., daylight saving time. Everybody welcome.

W. C. T. U. Meeting
 The annual meeting and election of officers of the W. C. T. U. will be held on Tuesday, May 10th at o'clock at the home of Mrs. Cook.

Reports of officers and superintendents will be received. Every member and all interested in our Temperance work are urged to be present.

Railway Board Hearing.
 The application of the T. T. C. to change the gauge of the Metropolitan Railway was heard before the Railway and Municipal Board in Toronto on Tuesday with most of the municipalities represented. On the request of certain industrial concerns the hearing was postponed until Thursday when their case will be heard by the commission. The T. T. C. is apparently making every effort to satisfactorily arrange the carrying of freight under the proposed changed gauge.

Will Attend Service
 The members of the local Masonic Lodge with their friends from adjacent lodges are to attend the evening service of the United Church here next Sunday at 7 o'clock.

Rev. Bro. Alexander Macgillivray, D. D. of Toronto will address the brethren on the subject, "Brotherhood and Service."

Holiday Waste
 Our Canadian climate is favorable for study every month in the year. For this reason Shaw's eleven Business Schools in Toronto are always open from January to December. Summer sessions are popular in these days Universities are now doing work in the summer months. Our High Schools should also be used. Three months holidays are not needed. Why this waste.

Annual Meeting
 The annual meeting of the Women's Institute will be held Wednesday evening, May 18 at eight o'clock. At the home of Mrs. Alonzo Martin Centre Street, West. The officers and chairmen of committees are asked to bring reports of the year's work. The election of officers will take place.

Piano Tuning.
 Mr. Anderson, piano tuner who is well-known throughout York County expects to be in this district about May 21 and any orders left at Glass' Drug Store will be attended to when he reaches here.

Junior Schedule
 At a meeting of the North York Junior Baseball League held here on Monday night the following schedule was drawn up for the year—
 Sat. June 4—Newmarket at Willdale
 Tues. June 7—Willowdale at Rich. Hl.
 Sat. June 11—Richmond Hill at Newmarket.
 Friday June 17—Newmarket at Richmond Hill.
 Friday June 24—Willowdale at Newmarket.
 Tues. June 28—Richmond Hill at Willdale.

Division Court.
 The regular session of Division Court was held in Lorne Hall on Tuesday with Judge O'Connell presiding. Three cases in all were dealt with; Rainey vs. Cullen adjourned to chambers; W. Johnston vs. E. Weldrick re payment of account, judgement in favor of plaintiff; Circus vs. Graham re garnishee, judgement in favor of primary creditor.
