CAPITOL NEWS

## Road Work Progressing Favorably In Vaughan Twp.

New Truck Is Giving Good Satisfaction and Proves Itself  
a Good Investment.

"Road work in Vaughan is progressing very favorably this year," said, W. O. McDonald, road superintendent when interviewed by The Liberal this week. "Operations in all parts of the township are going ahead rapidly and if the season is a good one, the fall of 1927 should see a decided improvement in our roads. The people are co-operating with the council, and with me, to a degree that is highly satisfactory and this is one feature for which I am very grateful," he said. Mr. McDonald pointed out that no difficulty had been experienced in securing the necessary help to carry on work in the various sections of the township as the farmers and residents were always ready to turn out and help which greatly aided himself and the council. In times past certain work has had to be passed up because men or teams could not be secured but the fact that this undesirable feature is not noticeable this year augurs well for the future of roadbuilding in Vaughan.

The new truck which was purchased by the township is giving excellent satisfaction and is proving a great help in the work as well as saving the township considerable money. So far this season it has gone over 2000 miles and Mr. McDonald as well as

members of the council expressed themselves as well satisfied with the investment. A notable example of the economy of the truck was its work in drawing gravel to the bridge on the Maple sideroad near Richmond Hill. Sixty yards of gravel were landed at this job by the truck at a cost of \$15.00 whereas the cost of doing the same work with teams would have been about \$100.

Nine culverts and one bridge have been put in this year so far and two bridges on the Maple sideroad will be hurried as much as possible but the road will probably be closed for about two months as the concrete has to stand for considerable time after completion. Fifteen men in all are now in the employ of the township engaged in road work. Graveling has been done on the fifth concession below Edgeley, on the Reaman sideroad between the second and third concessions and work has commenced opening up the Wallace road on the eighth concession. A large breakwater has been constructed between the seventh and eighth concessions near Kleinburg and the work has been inspected and is quite satisfactory. The grader is at present working on Garden Avenue and when finished there will work its way up the various subdivisions on Yonge Street.

## Samuel Ireland Is Appointed Constable In Vaughan Township

Regular Session of Council

Nine applications for the position of constable were received by the Vaughan Township Council at their regular meeting at Vellore on Monday last, and the appointment was granted to Samuel Ireland of Kleinburg. The position was made vacant by the suspension of Harry Chapman who has held the position since the beginning of 1926. The salary of the constable will be \$130 per month and he will be required to devote his entire time to the work. It was felt that it was imperative that the council engage another constable for the preservation of law and order in the community. It was pointed out that owing to the township being in such close proximity to a large city there was ample work for two constables as there were many complaints of disorderly conduct in the different parts of the Township. Other applicants for the position were, Mr. Jones, Toronto, Geo. M. Hartley, Maple, Harry Woods, Maple Ernest Castater, Teston, Milton Palmer, Maple, Wm. G. Morrison, Maple Wesley Putterbaugh, Woodbridge and Geo. DeFerrari, Richmond Hill.

James McLean, Robt. Watson and John Hawstrauer waited on the council relative to a special grant to the King and Vaughan Plowmen's Association. They pointed out that the first day of the Provincial match this year would be known as the "local day" and the program and prizes would be provided by the three societies of the county. The King and Vaughan Association will need to raise about \$400. A grant of \$100 was given by the council as it was felt that it was a very worthy cause and that York County had been singularly honored in being selected as the site for the 1927 match. Robt. Watson pointed out that it was not likely the council would be approached for a grant to the Junior Farmers contest this year as there was sufficient funds on hand to take care of the competition this year.

George McNair was allowed payment for three sheep killed by dogs on May 26. He afterwards shot two dogs but as they had no tags he could not identify them. Edgar Phillips of Lot 34, Con. 4 was allowed \$17 for a thoroughbred ewe killed by dogs on June 3.

Arrangements were completed to gravel Yongehurst, Spruce Avenue and Garden Ave. in accordance with petitions, and similar work will be done on May Avenue and Oxford St. but as the petitions were incomplete it will be done under the local improvement act.

The Council was notified by Garret Breedon of Tottenham that he would enter a claim against the township for damages to his truck while travelling on the Elders sideroad near Elders station. The council disclaims any responsibility for the accident. Constable Thos. Rowntree was appointed relief officer and school attendance officer.

At the session of the court of Revision there were six minor appeals. All were by non resident owners and five of the six were confirmed.

## NORTH YORK COUNCIL

The North York Township Council held their regular session of Council in the Council chambers at Willowdale on Monday, June 6th

A resolution was passed that a bridge be constructed over the west branch of the Don river, on Don Boulevard at an estimated cost of \$5,500 with piling if necessary \$750, making a total of \$6,250. The corporation will pay 30 per cent. of this, namely \$1,875. The property owners share south of the bridge, \$260; north of the bridge \$4,115. An estimated special rate per foot frontage south of the bridge 95 cents, north of the bridge \$1.91.

A grant of \$250 was passed to aid the community in their Diamond Jubilee Celebration on July 1st.

The council adjourned for half an hour to see Chief of Police R. D. Riseborough set out in an airplane piloted by Howard Watt of the Watt Airplane service of Toronto to distribute Red Cross Literature over the Township in connection with the \$2500 campaign.

Chief of Police Riseborough along with Fire Chief Nelson will inspect the fire stations throughout the township. Council received a report that equipment had been stolen and coats and boots worn or exchanged.

A tender was accepted from McGregor and McIntyre, limited, to supply and erect structural steel work in connection with the construction of the Addington Avenue Bridge for the sum of \$7,657.

Loans were authorized to be negotiated with the Standard Bank of Canada for \$5,000 on Hydro account, \$16,000 on general account and \$25,000 on local improvement account.

## MARKHAM TWP. OFFERS \$100 REWARD

Chicken stealing in this district is carried on to an extent this year which is causing a great deal of uneasiness not only to the farmers and poultry men but to the authorities as well who are anxious to devise some ways and means of putting an end to this despicable practice. At the regular meeting of the Markham Township council on Monday last on motion of Deputy reeve Stiver and Councilor Honey the Township will offer a standing reward of \$100 to the person or persons responsible for the apprehension and conviction of chicken thieves in the Township. In introducing the motion Deputy reeve Stiver explained that during the nights of May 31 and June 1 thieves visited six farms in the township and stole several hundred hens. The situation in his opinion was a serious one and he thought the council should take immediate action in the matter. He was ably supported in his contention by Councilor Honey who seconded the motion. The phone numbers of the township constables are, Mr. Petch, Agincourt, 10 r 14; Mr. Clayton, Agincourt 47 r 13.

## Flower Show

The annual spring flower show of the Richmond Hill Horticultural Society will be held in the school room of the United Church on Tuesday June 21. The prize lists have been printed and may be had by application to any of the officers or members.

## BUTTONVILLE

Clifford Burr is engaged with Mr. J. Burr of Richmond Hill at present. Charles is all smiles. It's a new Chevrolet Landau Sedan. Santa Claus forgot to send him a Ford eight.

Mrs. J. Moore of Newmarket is visiting with Mrs. Allen Meyer for a few days.

Mr. G. Leathers of Toronto visited under the parental roof during the week-end.

Our enterprising showmen, Mr. W. Boynton and Mr. Oscar Cox were successful in bringing home the high honors in the classes of horses and swine respectively from Richmond Hill Spring Fair.

The construction of Mr. Kelly's house is steadily advancing. A few loads of bricks having arrived on the scene.

The Young People's Society held their regular meeting Sunday evening. Mr. Allen Meyer the newly elected president took the chair. Mrs. Brook had charge of the evening program. The main feature was a talk given by Mrs. C. Clarke of Richmond Hill, on the subject, "watch, pray and work." It was a timely message and of great benefit to all. The next meeting will be held on Sunday evening, July 3.

Mr. Leonard Stephenson of Sutton visited with his parents on Sunday and Monday.

Mr. and Mrs. R. G. Brillinger spent Sunday with Mr. Brillinger of Newmarket who has been bedfast during the past week.

Mr. F. Stephenson has finished his session as jurymen.

On Thursday evening a large number of the young people of the community visited at the home of Mrs. William Summerfeldt, Unionville (nee Marporie Mansfield). The bride was there recipient of many useful gifts and an enjoyable social evening was spent.

We are sorry to report the death of Miss R. Fierheller of Toronto, formerly of Buttonville. The funeral took place at the Lutheran Cemetery on Sunday, June 5, a large number of her relations and friends were present to pay their last respects to the late Miss Fierheller.

## Softball Games

The final games of the softball tournament in connection with the Richmond Hill fair will be held in the Richmond Hill park on Thursday evening next at 6.30 p.m., daylight saving time. Girl's championship for \$50 prize Aurora vs. Lansing; men's championship, Hillsides, Toronto vs. Newtonbrook. Admission adults 20 cents, Children 10 cents.

## Markham Twp. Council

The Markham Township Council met in regular session in the council chambers at Unionville on Monday June 6th.

Several appeals against the assessment were received and considered. The total assessment of the township this year is \$5,665,377.33 which is a slight increase over last year.

C. J. Brodie of Stouffville was awarded \$975 for sheep killed and worried by dogs. The valuation was 13 sheep killed at \$40 each, 11 sheep injured at \$30 each, 1 ram \$50 and general damage to flock \$75, making a total of \$975.

Tenders were received from the following contractors for the construction of a reinforced concrete bridge over the creek on Concession 9 of the Township of Markham.

A. M. Hyland 72 Bay Street, Toronto, \$11,630. L. B. Nicholson, Ltd. \$9,335.95. W. E. Tidy Co., \$10,290. H. H. Powers, Co., \$10,500.00. Holcroft Co., \$8,824.

The awarding of the contract was left over for a special meeting.

HON. DR. J. D. MONTEITH  
Provincial Treasurer for Ontario, who hopes to raise \$600,000 per year from the new tax on automobile drivers. All drivers, whether owners or not, will have to take out a license which will cost one dollar per year.

Never yet have people scorned laws made by wise, sincere and honorable men.

HURLBUT  
CUSHION-SOLE  
Shoes for Children

Set the Children's  
Feet in  
the Right Path!

Mothers, who know how hard the average child is on his footwear—buy Hurlbuts, knowing that "Hurlbuts" last practically twice as long as ordinary shoes and therefore, cost much less per day's wear.

Apart from price considerations, they are scientifically lasted to take care of the growing foot.

## Lansing

The North York Township Red Cross Society got off to a start in connection with their drive for funds by a largely attended banquet in the Municipal Hall at Willowdale on Tuesday evening, June 7. The banquet room was tastefully decorated with Red Cross Flags and Union Jacks.

Mrs. L. McAllum gave the drive a good start by donating \$100.

Among those present were:—Col. VanNostrand, President; ex Reeve, R. F. Hicks, Chairman of Canvassers; Dr. C. E. Hill, Mrs. Alice Spalton, Mrs. L. Catto, Mr. R. Green and Mr. S. Hill.

## Unionville

Approximately \$10,000 in cheques, and credits was sent out from the head offices of the Ontario Hydro Electric on Saturday to the Hydro users of this village and the surrounding neighborhood refund for overcharge during the last three, or four years. While an intimation had been sent out that some such action was contemplated the prompt action of the Hydro Commission in sending out the individual cheques aroused the liveliest satisfaction. In some cases the refund amounted to more than \$100, and altogether while the Unionville action blazes the way in the neighborhood of \$250,000 will be sent out to the rural districts very shortly according to W. W. Pope, secretary of the Ontario Hydro Power Commission. Some of the fortunate ones have been using the municipal service ever since its installation, three and four years, whilst others are recent recruits.

## SUTTON

Three stores in this village were broken into this week and over \$600 worth of stock stolen, when thieves entered the premises of Morris Tremayne's drug store, Harold Burnham, she merchant and Grover Morrison, novelty store.
