**Rally Day**  
 The Presbyterian Church, Richmond Hill are having a Rally Day service on Sunday at 11 a.m. and all Presbyterians and their friends are earnestly requested to be present. Visitors especially welcomed. This only comes round once a year, and church rolls are being made up so, don't fail to come and bring your friends along.

This Rally is meant for a stirring up of interest in the Sunday school and Bible class as well as church attendance. We need a quickening in all our congregational agencies, the minister expects the people to respond without exception.  
 Sunday School Meets At 1.30 p.m.

**Here's A Suggestion**  
 A Vaughan Township councillor is author of the suggestion that the Government and Agricultural Societies in connection with their annual field crop competition give a prize for the farm which has the least soil thistle. It is a good suggestion as this weed is altogether too prevalent on our Ontario farms, many farmers are prone to look upon it now as necessary evil. "Like the poor it is always with us" was the comment of one of York County Farmer.

**Basket Picnic**  
 Under the auspices of York County's Junior Farmer's organization there is to be a picnic at Eaton Hall Farm Eversley, on Saturday, June 11th at 2 p.m.

Take an afternoon off and enjoy an outing in one of York County's famous picnic grounds. Do not forget a well-filled lunch basket.  
 Bating, sports and the final Debate between Woodbridge and Bogartown will be the order of events for the day.

**Women's Missionary Society of the United Church**  
 The regular monthly meeting of the W. M. S. of the United Church was held in the Sunday school room, June 2, at 3 p.m. Mrs. (Rev.) White of Aurora gave a very interesting talk on "Missions." She stressed the fact that missionary work should start with the Baby Band then the Mission Band, Y. W. A. and then the W. M. S. Miss Phyllis Glass and Miss Mae Sanderson sang a duet and the meeting closed with a social hour. Four of the Ladies of the W. M. S. served tea.

**Motor Tour To Peel**  
 York Jersey Cattle Breeders will attend the Annual Jersey Breeders Picnic at Brampton, on Thursday, June 16th, 1927. The York delegation will meet in Woodbridge at 9 a.m., standard time and proceed to the farm of D. H. Bull & Sons, where the picnic is to be held.  
 An invitation is extended to all breeders of Jerseys and others interested in attending the picnic are cordially invited. Bring your lunch baskets; tea, drinks and ice-cream will be supplied.

### Victoria Square

**Victoria Square Sunday School Anniversary.**  
 The Victoria Square Sunday School annual picnic will be held on the grounds of R. Klinck on Saturday afternoon June 18. There will be a splendid program of sports followed by a high class entertainment in the evening. On Sunday, June 19 there will be special services at 2 and 7 p.m. conducted by Rev. A. P. Brace. Special music will be a feature of the services.

**Note to tearooms:**—Crazy pictures on the wall don't make "atmosphere," It takes crazy people.

**Spring song:**—The tourist blues in two flats.

**TROUBLE IN EGYPT**  
 Lord Lloyd, the British High Commissioner in Egypt, who intervened when the Egyptian Parliamentary Committee sought to dispense with the services of the Sirdar, British Commander of the Egyptian forces.

**A Beauty Spot**  
 A beauty spot which is worthy of a visit from our citizens is the Western section of the Agricultural Park which is kept neat and tidy and well decorated with flower beds by the Horticultural Society. Flowers and bushes and shrubs of all kinds have been planted here and a real effort made to provide the town with an attractive park. Forty rose bushes were given to the society this year by Mr. J. H. Dunlop to replace those which had been killed out. The members of the society are anxious to enlarge the sphere of their activity and have requested the council to remove the asphalt which formerly was the floor of the old rink. As soon as this is done by the council further improvements will be carried out by the Horticultural Society.

### Making GOODYEAR Tubes Leak-Proof

EVERY Goodyear Tube gets an under water stretch before it leaves the factory.

The Tube is inflated, placed in a tank of water, then stretched mechanically to a point far in excess of what it will get in the severest of wear.

This test exaggerates and reveals any possible pores. The slightest leakage means rejection. That's why Goodyear Tubes deliver such universal satisfaction.

Goodyears don't cost any more than ordinary Tubes. We've got your size. Get our prices.
