York County Farmers In Arms Against Chicken Thief

CHICKEN STEALING ON A LARGE SCALE IS MENACE TO COMMUNITY.

Farmers, poultrymen and citizens generally throughout York County are alarmed at the prevalence of chicken thieving and recent stiff sentences handed out to offenders who have been caught seem to have failed to put a stop to this despicable practice. It is estimated that thousands of dollars worth of chickens have been stolen in this county during the past couple of months and farmers are virtually up in arms against the "chicken thief." The authorities are aware of the existing evil and are willing to do all in their power to stop it but to patrol such a large area is a difficult and expensive proposition. Township officials no matter how diligent or efficient cannot be in all sections of the township at once and several cases have been cited where chickens have been stolen in one district when the constables were concentrating their efforts in another. Last week roost raiders visited the farms of Edward Willis and James Oliver at Vandorf and made away with about \$200 worth of fowl. The same week 150 hens were taken from Wm. Heise and 50 from Mrs. Ambrose Nichols, Victoria Square. The farm of Arthur Royston, Thornhill was visited last week and a number of good birds stolen.

These are only a few examples of the ravages of the chicken thieves who have been working in this district but it is sufficient to show that the practice has reached the stage where it is a real and threatening menace to the community.

The only apparent remedy is everlasting vigilance on the part of the authorities with a possible increase in the number of police employed for a period until the epidemic subsides. Once caught the offenders should be shown no leniency as the safety of the public property is at stake and an example should be made of every chicken thief caught which would make the whole business look less attractive to prospective operators.

Constables Rowntree and Ireland of Vaughan Township and Constable Walker of King Township were rewarded for an all night vigil last Saturday when they caught two Woodbridge men with a load of 31 hens. The officers were watching the roads in the early hours of the morning and when accused car approached they blocked the road and held the men up at the point of the revolver. When they were brought before Magistrate Brunton and a remand of a week was asked. Frank Moore, appearing for the crown asked \$1,500 bail each.

GENERAL NEWS AND VIEWS

The legislature of New Brunswick has passed a bill permitting the sale of liquor under government control, as in Quebec and Ontario. Only two Canadian provinces Nova Scotia and Prince Edward Island are now under prohibitory laws.

The exemptions of diamond jubilee celebrations from amusement tax is a concession which the provincial treasury department was wise to make. It would hardly seem fair to urge municipalities to celebrate the diamond jubilee and then tax them for the privilege of doing so.

A horticultural paper says that one ounce of tomato seed will produce three million tons of tomatoes. This prompts The Passing Show to remark that the average disappointed amateur gardener will claim the figures have been reversed.

The Town Council of Uxbridge has ordered a junk dealer in that town to erect a suitable fence to obscure from view a huge pile of junk. The fence is to be erected under supervision of the Council and under the provisions of a certain by-law.

Albion Township is making a great improvement in the road from the King townline to the corporation limits at Bolton.

Vandorf

The young people of Laskay will give a play entitled "Yimmie Yonson's Yob" in the Community Hall, Vandorf on Friday evening, June 17th under the auspices of the Vandorf Women's Institute. This play was given in the Laskay neighborhood and was much appreciated by a crowded house.

TEMPERANCEVILLE

A garden party under the auspices of the Ladies' Aid of Temperanceville United Church will be held on the lawn of Mrs. W. E. Barker, on June 23rd. There will be a girls softball tournament, open, 1st prize \$10, 2nd prize \$5, tournament to commence at 5 p.m. standard time. Supper, with strawberries will be served from 6 to 8 p.m. and at 8:30 p.m. a miscellaneous program will be rendered by city and local talent. Aurora band will be in attendance. Tickets 50 cents each. R. W. E. Burnaby, Chairman.

WOODBIDGE

One of the outstanding residents of this community passed away here on Saturday evening June 4 in the person of Mr. George Elliott. He was a son of the late John Elliott, who moved out from Toronto and settled in Vaughan 101 years ago, was born on the homestead, lot 11, Con. 8, no February 11th, 1840, and was consequently in his 88th year. His wife, Elizabeth Gowland, who predeceased him three years ago was a daughter of the late George Gowland. He was a man of sterling character, very fond of reading, was well versed in all the general topics of the day, and at one time was offered the Liberal nomination for West York to oppose the late Hon. N. Clarke Wallace. He was at one time a member of Vaughan Township Council and first deputy-reeve and when rivalry between the east and west sides of the township was very keen he was defeated by the late Andrew Russell. He was also a member of the Woodbridge Public School Board for many years. About eleven years ago he retired from farming and has lived at his present address ever since. He is survived by one son, Thomas of Weston; and six daughters, Mrs. Alex Marnoch, Vaughan; Mary Elizabeth at home; Jessie, dietitian at Annesley Hall, Toronto; Mrs. (Rev.) Harvey Young, Hazelton, B. C.; Mrs. Wm. Gard, Weston; and Mrs. (Dr.) D. A. Carmichael, Ottawa. He leaves one

Automobile Insurance

Every Car Owner Needs This Protection

No car owner can afford to be without dependable insurance protection. Public Liability, Property Damage, Collision, Fire and Theft—the risks are too numerous. You might travel for years without suffering loss. And you might sustain such a loss tomorrow. The cost of carrying automobile insurance is very small when compared with the indemnity it affords.

Ease and Convenience in Farm Work

The compact build of the Fordson enables it to be operated anywhere. The overall length is but 102 inches and the width 61 3/8 inches. It can be turned in a 21 foot circle. The controls are so easy and convenient to manage that a twelve year old boy can operate the tractor.

With all tanks full, the Fordson weighs only 2950 pounds. This light weight results in easier handling on every farm job. Soil packing is minimized, being actually less than one-fourth as much per square inch as when packed by the hoof of an average size work horse.

No other tractor at any price has all the features of the Fordson.

Ask us for the latest folder: "Things You Should Know Before You Buy Your Tractor", which explains Fordson features in detail.
