Baseball Notes

In a regular league game here on Wednesday evening Aurora defeated the home team by a 21-17 score. As the score would indicate there was plenty of hitting and a good lively game was witnessed by a fair crowd of spectators. "Pug" Harding started on the mound for Richmond Hill but was relieved by "Kenny" Blanchard in the third innings.

The teams were:—Aurora—Tran 3 b.; Scott r.f.; Gifford c.; Belfrey r.f.; McKale, p.; Giggins, l.f.; Molleneaux 2 b.; Patterson s.s.; Newfeldt 1b. Richmond Hill—A. White, l.f.; B. Ross s.s.; F. Grainger, c.f.; P. Young 2b.; Fox 1b.; Sharpless r.f.; Blanchard p.; Atkinson, c.; Harding p.; Hart 3b.

Stouffville now leads the intermediate league with two wins and no losses as a result of their win from Aurora last Saturday by a 6-2 score. Aurora have one win and one loss and Richmond Hill 2 losses.

The Richmond Hill diamond is now in a much improved condition as a result of the work carried on by the Richmond Hill council under the direction of Councillor McLean. The whole infield has been plowed and disced and rolled and in a short time should be in excellent condition.

The Liberal Print team won a town league game from the Tigers on Tuesday evening by a 17-13 score. The Tigers meet the Dreadnoughts in another league game next Tuesday June 21.

An intermediate league game will be held here next Tuesday evening at 8.30 p.m. daylight saving time with Stouffville as the visiting team. This should be a real good game and it is expected that there will be a large crowd in attendance. Stouffville will come with a large following of fans and the home fans should turn out to support the local boys.

In order to clear up any misapprehension regarding the screen opportunity contest which we are at present conducting, we would like to draw your attention to the fact that this is not by any means a bathing beauty contest. We are sincere in our efforts to discover a Canadian screen star and are adopting this means to find her. The contest will be conducted in the most dignified manner and nothing will be done to offend the most sensitive person. If plans under consideration at the present time materialize a motion picture will be produced starring the winner of this contest. Other participants in the contest will be given an opportunity to perform before the camera in any event the winner will be sent to Hollywood and will be given a bonafide screening by the Paramount, Famous Laskay Corporation and from then on her future will be in her own hands. The additional prize, an Overland Whippet Six Landau, to the first prize winner and a Whippet Collegiate Roadster to the second prize winner are worthy of any girl's ambition. Never in our history have we offered such prizes in any contest conducted by us. As this is an opportunity of a lifetime we would urge you to get your entries in early as possible.

The Ladies Aid of the Thornhill United Church entertained the Woman's Association of the Newtonbrook United Church in the Sunday school room on Wednesday, June 8.

The speaker of the afternoon was Mrs. Farrants, President of the West District. She gave a very delightful and instructive address on the work of the Woman's Association in relation to the church the parsonage and the community. A splendid musical program was given consisting of a vocal solo by Miss Barker; Piano solo by Mrs. Strangways; a violin solo by Miss Ruth Strangways; and a reading by Mrs. A. Thompson. Presentation To Departing Minister

Address And Purse Of Gold Presented To Rev. McIntosh.

On Monday evening immediately before his departure to his new pastorate in South Congregational Church, St. Johnsbury, Vermont, Rev. J. W. McIntosh was presented with an address of appreciation signed by all the members and adherents of the former St. Paul's church. The following address which was read, was accompanied by a purse containing one hundred and sixty-five dollars in gold.

Rev. Mr. McIntosh:—The members and adherents of the former St. Paul's United Church in Richmond Hill wish to express to you in some measure appreciation of your work with us and our desire for your future welfare.

The peculiar conditions which existed in this church and in the church at large have created a relationship unlike any former association of pastor and people here.

Your attitude toward the situation has endeared you to the hearts of your people and has made us feel a deep friendship, the possession of which we shall always cherish.

The lasting influence for good you have had in this community and our individual lives cannot be estimated. To many of us you have taught by precept and example how to face adversity with a bright smile to live nobly and to suffer cheerfully.

Through your influence and ministrations many of our children have been brought into the Church and made to feel their responsibility for the future conduct of their lives.

We feel that your ability to keep the minds of your people centered on the spiritual life of the Church rather than on the troublesome details of church politics has unified our Church life and established in the minds of all a high standard of religious attainment.

We wish especially to speak of the interest Mrs. McIntosh has taken in the congregation and the various activities of the Church, the women's organizations, Sunday school, and young people's work, her cordial reception of visitors at the manse, her genial presence and her enthusiasm in your work has endeared her to us all, and we acknowledge with sincere appreciation her helpful influence in our midst.

We regret that Canada is to lose one of her spiritual and intellectual leaders and realize the New England congregation to which you will minister will profit by our loss.

It is not possible in this short address to speak of all the gratitude and affection we feel but hope nevertheless, you may understand something of what is in our hearts.

The future is in God's hands but the dawn of your tomorrow looks very bright and it is our earnest wish that you may realize that high degree of success through service you desire and merit.

A. L. PHIPPS.

So many people think they have convictions when they merely have a desire to argue.

Poise is the quality that makes a girl content in the belief that she could win a beauty prize if she cared to compete.

There's one consolation. After nature has done her worst with floods it will be safe to have the car washed and polished.

An optimist is one who thinks the world is growing better because free verse supplanted free lunch.

Letters From The People

A Reply to "Fair Minded Subscriber."

Editor Liberal.

Sir:—

In reply to the letter in your last issue in which it was charged that the young men of the town frequent the public park and gamble I wish to state very strongly that the writer of this letter should either substantiate his statement or withdraw it as I think it constitutes a reflection on the young manhood of our town which is entirely unjustified. If conditions are as he stated and he knows them to be true why does he not take steps to see that it is remedied instead of proclaiming the fact throughout this county through the public press and thus doing an injustice to the young men who are innocent as well as casting a stigma on the home life of our community. Surely the parents of this town do not want to be charged in a wholesale manner that their sons are a lot of "crap shooters." I think Fair Minded Subscriber as he terms himself owes an apology to the mothers and fathers and young men of this town and I hope that he is man enough to come forward with one at an early date. If he knows what he is talking about and wants to make specific charges let him do so; but if there is anything reputable citizens abhor it is the "snake in the grass" who has not the courage of his convictions but shoots from the cover of ambush and casts an unfair reflection on innocent men and women. Thanking you Mr. Editor for the space in your valuable paper, I am,

Yours very truly, SUBSCRIBER.
