## A Dominion Day Message For Liberal Readers From Premier King.

Rt. Hon. W. L. Mackenzie King  
Present Prime Minister of Canada.

The Dominion of Canada as it came into being on July 1st, 1867 was the outcome of an endeavor by men of diverse temperaments, racial origins, religious and political faiths, to serve the ideal of nationhood. The Union of Upper and Lower Canada with Nova Scotia and New Brunswick, which formed the Canada of the Fathers of Confederation, was but the first-fruits of this endeavor. As one by one other provinces became part of the Dominion—Manitoba in 1870, British Columbia in 1871 and Prince Edward Island in 1873—the same spirit of unity, the same ideal of nationhood were manifest, until in 1905 Saskatchewan and Alberta newly created out of the territories of the middle West, brought to completion the federation of provinces from sea to sea. The vast territories and the silent spaces that sweep northward into the unknown speak more eloquently than words of boundaries still undefined in a land that is limitless in its possibilities of further development and growth.

Such is the Canada we now know, just sixty years from the day of its birth! The Diamond Jubilee of Confederation is the occasion of national rejoicing at the peace and plenty, the progress and prosperity, that a United Canada to-day enjoys; it is the occasion, too, of national thanksgiving for the spirit of unity bequeathed to us by the Fathers of Confederation. This spirit of unity, the secret of expansion in our national life, it is our highest duty as well as privilege ever fervently to maintain.

## GENERAL NEWS AND VIEWS

A town is made beautiful and attractive by each one doing his or her share. If each keeps his lawn well cut and trimmed with flowers here and there, the whole town would be attractive. It's a case of "You in your small corner and I in mine."

Markham Village Board of Education will add \$6,000 in improvements and additions to their high school this summer.

Decorate your place of business and your home on Dominion Day. Bracebridge has a tax rate of 54 mills which is 6 mills higher than last year.

Two of the easiest things to upset are canoes and calculations.

Last Sunday was "Father's Day" but it was very much like Sunday, June 19, after all.

Why does a dog always appear to prefer the other fellows flower beds as a place to root and gambol?

A hen owned by Mr. Joseph Amell of Dalhousie has produced an egg weighing four ounces. It is seven inches in circumference and measured lengthwise shows eight inches.

Liberal advertisements are read. That has been proven many times. Tell it well and it will sell. Plans are completed for a sacred patriotic service to mark the diamond jubilee in the Aurora Park on Sunday afternoon, July 3. The singing will be led by the massed choirs of the town and the Sunday schools of the surrounding district are invited.

Much of the intelligence that is expended in trying to decide what man is descended from would be better employed in trying to keep him from descending into something worse than he is now.

A memorial service under the auspices of the Veterans of the Federal Riding of North York will be held at the Memorial Park, Aurora at 12

o'clock midnight, June 30th in commemoration of Jubilee Year. All veterans are urged to attend this service. It is expected that Canon Scott of Quebec will give the address.

Mr. George Ferguson of King City had ripe tomatoes on Sunday, June 12th of his own growing. There are both ripe and green and bloom on the same vine 36 inches high. Can you beat it?

You can always tell a man born in the city. He thinks he can make money farming.

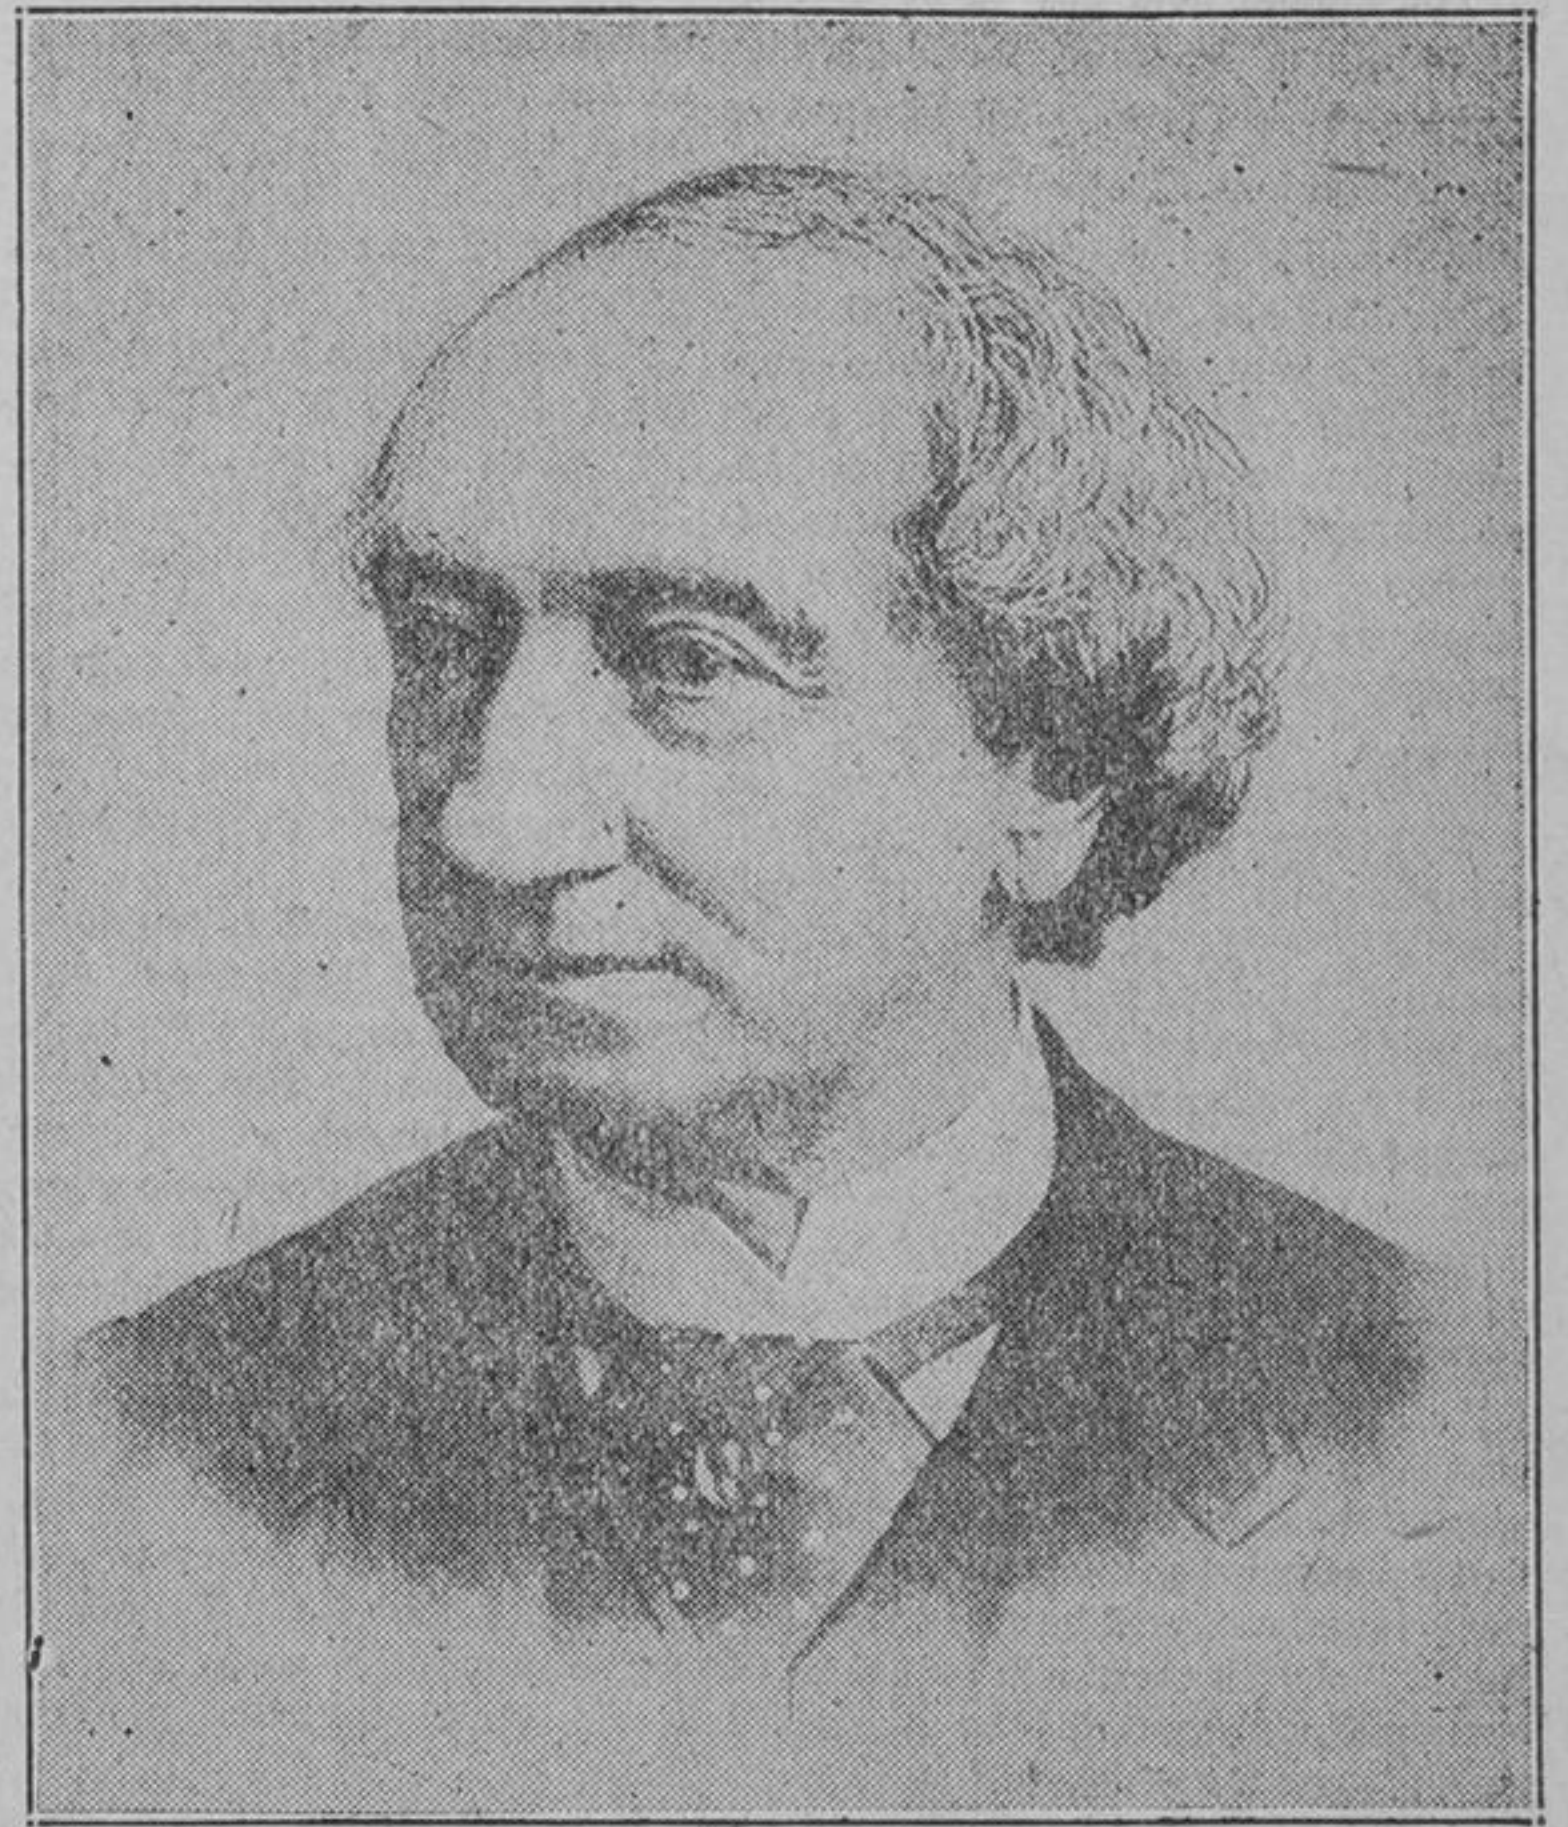

A Kitchener magistrate sentenced nine young men to be in their homes every night by eight o'clock. If parents would put this same rule into effect with their children, there might be fewer grown-ups facing the magistrate in the future.

Mrs. Robert Lloyd of Aurora who has shown at the Richmond Hill Fair for a number of years has sold her beautiful chestnut hackney for the handsome sum of \$400 and has purchased a registered hackney mare.

**Industrial Home—Crowded**  
County councillors inspected the York County Industrial home near Newmarket last week and found evidence of overcrowding and it was suggested that the county councillors recommend that an addition be built on the west wing of the building. There was a general feeling that the hospital patients of which there were several should be accommodated on the lower floor of the home.

Warden W. M. Graham and Commissioners Lundy and Weir paid tribute to the work of the superintendent Mr. Stoddard. "The building is spotlessly clean and the inmates seem to be very well," the warden said. A vote of commendation was given by the party to Mr. and Mrs. Stoddard. Markham Council

## "Old To-Morrow Lives To-Day."

SIR JOHN A. MACDONALD

Canada's First Premier, whose term of office began shortly after Confederation, the 60th anniversary of which is being observed this year.

Thirty six years after the death of Sir John A. Macdonald, the first premier of Confederation the following lines from "Punch" written after his passing must strike a responsive note in all Canadian hearts:—

"Punch sympathizes with Canadian sorrow  
For him known lovingly as "Old Tomorrow,"  
Hail to "The Chieftain." He lies mute to-day,  
But fame still speaks for him and shall for aye,  
"To-morrow and to-morrow" Shakespeare sighs.  
So runs the round of time; man lives and dies.  
But death comes not with mere surcease of breath  
To such as him. "The road to dusty death"  
Not "all his yesterdays" have lighted. Nay,  
Canada's "Old To-morrow" lives to-day  
In unforgetting hearts, and nothing fears  
The long to-morrow of the coming years."
