An Appeal From United Empire Loyalists.

The United Empire Loyalists' Association of Canada at a recent meeting passed a resolution requesting all United Empire Loyalists throughout Canada and elsewhere to assist in the celebration of the sixtieth Anniversary of the Dominion of Canada in their respective communities.

Celebrations commemorating great historic events not only make it easy to acquire a knowledge of history but they also stimulate patriotic sentiment among the native born and the immigrant. "Ducit Amor Patriae" (For Love Of Country) is the motto of the United Empire Loyalists' Association that will find a response in the heart of every true Canadian.

It is stated that drivers who have driven their cars 500 miles or over will not require an examination before receiving motor drivers' licenses. Yet some of those who are most reckless on the highways have driven ten times that distance, and have still a great deal to learn.

Scientists say that the sun is going to last another 15,000,000,000 years. After that there will be no more disputes about daylight saving.

The Modern Woman

She is a business woman. She makes 80 percent. of all purchases made in retail stores. She is an astute, clever buyer. She runs her household strictly on a business basis.

She buys merchandise of ESTABLISHED REPUTATION. If it's clothing, she knows how well it should wear and what the style should be. If it's a musical instrument, she knows what to expect in tone and workmanship. If it's a vacuum cleaner, she knows what kind of service it should give.

Every Car Owner Needs This Protection

No car owner can afford to be without dependable insurance protection. Public Liability, Property Damage, Collision, Fire and Theft—the risks are too numerous. You might travel for years without suffering loss. And you might sustain such a loss tomorrow. The cost of carrying automobile insurance is very small when compared with the indemnity it affords.
