

Thornhill District News

Thornhill, July 19:—A meeting of representatives of the teams in the Yonge Street Ladies Soft Ball League was held in Victoria Hall, here on Monday evening. The following new officers were elected:—President, E.T. Stephens, Richmond Hill; Secretary Gladys Hooper, Thornhill; Treasurer Daisy Hart, Elgin Mills; Management Committee, Dr. Ames Newmarket, Chas. Ball, Maple; F. W. Thornhill May Withdraw From League
In view of recent developments in the Yonge Street League there is every evidence that the local girl's team will withdraw from the league. A meeting of the players will be held tonight Thursday, when the matter will be definitely settled. If Thornhill withdraws it will leave Maple, Elgin Mills, Aurora and Newmarket in the league.

Collection of \$40 at Benefit Game
A very successful and exciting benefit game was staged here last Thursday evening, when Vikings, Greenwood Park League, East Toronto, champions of the Thornhill Field day, played an exhibition game with Newtonbrook to help defray the expenses of Clem Proctor of Newtonbrook, who had the misfortune to break the bones of his left leg while playing ball at the Thornhill Field Day. The game was a very interesting and exciting one, Newtonbrook winning out by a score of 9-8. The collection amounted to \$40.00.

Successful Candidates here
We wish to extend congratulations to the Thornhill Pupils who successfully passed the entrance into High School. Philip Jones, Hugh McDonald Cecil Mabley, Victor Stephenson, Robert Eaton, William Saunders, Fred Shelly, John Gill and Margaret Lefroy.

Shower for Miss M. Davis
Mrs. W. J. Wesley and Mrs. J. L. McDonald gave a miscellaneous shower at the latter's home last Monday evening for Miss Madeleine Davis, who is to be married to Mr. A. E. Jackson of Toronto, on Thursday (to-day), July 21st. Miss Davis was the recipient of many lovely gifts, after which dainty refreshments were served and a social time was spent.

Defeated Lansing 6-2
The Thornhill ladies played Lansing at St. George's Church Field Day last Saturday afternoon, defeating Lansing by a score of 6-2, and winning the prize of ten dollars. The Thornhill Ladies have been very successful the last two weeks winning sixty-five dollars at different field days.

The many friends of Mr. G. H. Hooper will be sorry to learn of his illness for the last two or three weeks. We all hope for a speedy recovery.

Trousseau Tea
On Saturday afternoon at the home of Mrs. John Davis, Thornhill was the scene of a very pretty trousseau tea in honor of her daughter Miss Madeleine Davis whose marriage to Mr. A. E. Jackson, of Toronto, takes place Thursday, (to-day). The tea table which was very tastefully decorated was presided over by Mrs. C. R. Davis and Miss Alice Davis. The assistants were: Miss Margaret Horton, Mrs. Taylor and Miss F. Clubine. Assisting up-stairs in showing the lovely gifts and the to bride to be's trousseau was Mrs. Gladys Jack and Miss Hilda Davis.

Elgin Mills Defeated by Thornhill
An excited crowd watched the Thornhill ladies defeat Elgin Mills 7-6 last night on Thornhill diamond. The lowness of the score indicates the kind of ball played by the rivals. Jean McDonald twirled good ball for her team but her team mates also turned in good ball. However it is understood that this was only an exhibition game on account of the old schedule being discarded, and the new one commencing on July 22. So why worry about it Elgin Mills.

Ladies Aid Meeting
The regular monthly meeting of the ladies Aid of the United Church was held at the home of Mrs. George Dean on Wednesday. After the business part of the meeting was transacted a delightful solo was rendered by Mrs. O. C. James, after which tea was served and a social hour spent.

JACKSON—DAVIS
A quiet, but pretty wedding took place at the home of Mr. and Mrs. John Davis, on Thursday (to-day) when their youngest daughter Madeleine Lillian, became the bride of Mr. A. E. Jackson, son of Mr. and Mrs. D. G. Jackson, of Toronto. Dr. J. J. Ferguson, of Toronto, officiated. The bride, who was given away by her father looked charming in a white georgette gown and carried ophelia roses and baby's breath. The bridesmaid, Miss Hilda Davis, sister of the bride was gowned in pink georgette and carried columbia roses and lily of the valley. Mr. Austin Faulkner of Toronto, acted as best man. After the ceremony a reception was held for the immediate relatives. Later the happy couple left for points south. The bride travelling in a fawn georgette dress with hat and shoes to match. On their return they will reside in Thornhill.

Noble, on Tuesday evening when Mr. Lorne Dawson, of Minden, brother of the Standard Bank Teller here, was united in marriage to Miss Annie Smith, of Brantford. They were attended by Miss G. Worse and Worse

A young lawyer had just hung out his shingle.
It read, "A Swindler."
A friend advised him to have the sign repainted, using his first name instead of his initial.
When the sign reappeared it read, "Adam Swindler."

Civic Matters Discussed

July 19, 1927

Editor Liberal
Sir:—

I noticed in your last week's issue that our town fathers are commencing on a program which will possibly cost the town a couple of thousand dollars or more in an effort to improve our water system. I am a user of the town water and far be it from me to do or say anything which would hinder its improvement because it is certainly awful this summer. It is so bad that about all it is good for is washing socks and I don't even fancy having my Sunday socks given their regular bath in it. However I think if the town would repair the gates which have been broken for some time and let the water out as was done the first year and as is supposed to be done every year it would be a great improvement. I understand that this repair work would cost about \$75, so why not do it and see if it would not improve matters. Moreover I would like to ask when were the water mains opened and flushed out? This sir is important especially in the dead ends and I think our municipal representatives have been very dilatory in the execution of their duties if it has been neglected.

In regards to the paving program which all good citizens of the town welcome why could not one side of the roadway be done at a time and save the business men of the town the loss and inconvenience of having the road closed for a month as stated in your last week's paper. Think it over Mr. Reeve and Councilors and when making arrangements keep in mind the wishes and interests of the people who are going to have to pay the shot. Thanking you for the space, and trusting that my suggestions will be seriously considered by the Council, I am

Cut Weeds In Pond
July-18, 1917

Editor Liberal
Sir:—

I was delighted to note that the Council are going to make everyone cut their weeds. Good stuff, but why not practice what you preach and get rid of the weeds in the pond where we get our water supply. I don't know what "noxious" means Mr. Editor but whatever it is I think by the smell and taste of the water that the weeds in the pond must be in that class. Charity begins at home so they say, so cut your own weeds and then we'll cut ours. That's fair enough people, isn't it? Thanking you for the space Sir I am
