Exterminate Weeds

Many million dollars worth of farm products are ruined annually by weeds. The loss in rental and sale value incurred by weed-infested farms is incalculable. The weed pestilence has become intolerable.

Exterminate weeds on every square foot of land on your own property, on unoccupied lots and farm lands, on every highway and lane, in city, town or country.

WARNING

Under the provisions of The Weed Control Act 1927, now in force, the destruction of noxious weeds is no longer optional. The destruction of noxious weeds is now compulsory.

Every occupant of land and every owner of unoccupied land is required to destroy all noxious weeds before their seeds ripen. Municipal councils are required to destroy all noxious weeds growing upon the highways. Let everyone co-operate to end the weed nuisance.

Thompson school of M-U-S-I-C

G. Strickland Thompson, Principal

The Thompson School of Music now having completed the Fall and Winter terms are prepared to accept pupils for the Spring Term. There are many taking advantage of this school from points as far away as Newmarket, Gormley, Richmond Hill, Thornhill, Newtonbrook, Oriole, Agincourt, Willowdale, York Mills and other smaller places.

Numerous requests have been made to keep the school open during July and August to accommodate those who are unable to attend during the winter months. The school will remain open for two or three days each week and those intending to take advantage of our very low fees coupled with the most capable teachers are asked to call or write for particulars.
