

Township of Vaughan

Local Improvement Notice

TAKE NOTICE THAT:—

1. The Council of the Corporation of the Township of Vaughan intends to construct as a local improvement a Macadam Pavement, ten feet wide, on the streets set out in schedule below, and intends to specially assess a part of the cost upon the land abutting directly on the work:

STREET	Cost to be borne by Corporation.	Cost to be borne by land abutting directly on the work.	TOTAL COST
Edgar Ave (Plan 1930) from Yonge Street to 35' east of the west limit of Edgar Ave.		\$3300.00	\$3300.00
Oak Avenue (Plan 1960) from Yonge Street to the east limit of Avenue Road.		\$3250.00	\$3250.00
Oxford Street (Plan 1931) from Yonge Street to the west limit of lot 35.		\$2060.00	\$2060.00
May Avenue (Plan 1987) from Yonge Street to the west limit of Lot 31	\$350.00	\$2400.00	\$2750.00
			\$11360.60

2. The estimated cost of the work is \$11,360.00 of which \$350.00 is to be paid by the Corporation. The estimated cost per foot frontage is 50 cents. The special assessment is to be paid in ten annual instalments.

3. A petition to the said council will not avail to prevent its construction, but a petition against the work or the manner in which it has been undertaken may be made pursuant to Section 8 of The Local Improvement Act, to the Ontario Railway and Municipal Board, by a majority of the owners representing at least one-half of the value of the lots which are to be specially assessed therefor.

4. A by-law for undertaking the work will be considered by the Council at a meeting thereof to be held on Tuesday the 6th day of September 1927, or at a regular or special meeting thereof to be held thereafter.

DATED AT MAPLE, ONTARIO
August 2nd, 1927.

Townships Sign Agreement To Provide Street Lighting

A by-law was passed at the regular meeting of the Markham Township council on Tuesday by which the township entered into an agreement with the Hydro Electric Commission to provide street lighting for Thornhill. An agreement was also sanctioned between the townships of Markham and Vaughan by which the townships agree to share equally the cost of installation and maintenance. Markham has been made the initiating township and all dealings of the commission will be with this township who in turn will invoice Vaughan for a half of the cost. The agreement is binding on the townships and the Hydro Commission for a term of ten years.

An area has been surveyed by the two townships and that area served by lights will be assessed for the installation and maintenance of the system. The township councils have agreed to bear one third of the cost of operation. The Hydro when interviewed by the Liberal this week could not set any date when the work of construction will be commenced but it is understood that it will be in the near future. It is also understood that the original cost of installation may not be as high as anticipated as it has been found that it will not be necessary to erect any poles although rentals will have to be paid for the poles used. This will not be a serious item however and not nearly as great as the expense of new poles which was considered a possibility at the outset.

Played Ball at Lennox Picnic

The Thornhill ladies played ball at the Lennox picnic at Island Grove last Monday and were successful in winning second prize, being defeated by Aurora in the finals.

Tea in Honor of Relatives from Alberta

A very delightful time was spent by about twenty-five guests at the home of Mr. and Mrs. O. C. James last Saturday evening, when a tea was held in honor of Mr. and Mrs. Frank James and daughter Marie of Carstairs, Alberta. Tea was served on the lawn, Mrs. James being assisted by Misses Mary Strangways, Marie James and Marion Smellie.

Evening Services Withdrawn

The evening services in the United Church here will be withdrawn for the month of August on account of the pastor Rev. B. R. Strangways, holidaying at their island near Muskoka. Rev. C. W. Lea will preach next Sunday morning for the Ontario prohibition Union.

Ladies Aid Picnic

The regular monthly meeting of the Ladies Aid of the United Church here will be held in the form of a picnic on Mrs. O. C. James lawn next Wednesday afternoon, August 10 at 4 o'clock. All ladies of the congregation are cordially invited to be present.

North York

Township Council Meeting

The North York Township Council held their regular session in the Council Chambers at Willowdale on Tuesday, August 2nd.

The residents of Ellerslie Avenue, Willowdale, appeared before council to take up an old question Mrs. Alice Spalton leading the deputation.

In an attempt to get the water rates lowered, Mrs. Spalton explained that the residents outside the area at present are paying double rates, namely \$5.00 per quarter, while those inside the area pay a 3 mill rate to pay for the new plant. The special 3 mill rate is not paid by those outside. It was explained by one of the residents that there were people in the Township who were getting water from Weston and paying less for it, than those who were using North York Water. The residents outside the area therefore felt that they were paying more than their share of the plant.

Reeve Anderson explained that the rates were based according to the assessment. The Council promised that they would investigate. Tenders were opened for Kendrick Heights and Ridley Park where paving is now being carried on. Thomas Urquhart Solicitor for the Township was authorized to defend the actions brought by H. Buchanan and T. Guthrie against the Township for damages arising through a motor accident on Yonge St. when the Township fire-truck answering a call, cut in and forced the car in which Buchanan and Guthrie were in, onto the Radial tracks.

The tender of the Turbine Equipment Limited was accepted at a price of \$3,675 for an additional pump. The new pump will give a flow of 600 gallons per minute.

Park Avenue and several other sts. will have a eight inch water main.

Loans were authorized to be negotiated with the Standard Bank for \$10,000 on Hydro accounts, \$5,000 on local improvements and \$5,000 on general account.

Reeve Roy Price, of Etobicoke and R. H. McGregor, M. P. P., paid the Council a visit. Owing to the numerous protests that have been made to the council regarding the cutting of weeds, it was decided to make all road foreman weed inspectors.

Hydro Commission Met

The North York Hydro Commission held their regular session in the Municipal Hall at Willowdale on Tuesday evening, August 2nd.

Owing to the increase in office duties due to the newly enlarged area, and the need for larger office space, it was decided at the meeting to put the Hydro Dept. in the Engineers office, move the Engineers to the Police Dept. and the police to the present Hydro office. Although the present office space is not sufficient, it is not at all likely that an addition to the present building, will be made for several years.

Council also discussed the question of the water works dept. and Hydro and as to whether they should pay a share of the cashiers salary. It was pointed out, that he is put to a considerable amount of work looking after these accounts. The present Hydro consumers number about 1,600.

The Hydro chairman and secretary were authorized to sign the lease with the C. N. R. for the use of a small plot of land, 50 x 100 feet at Downsview as a pole yard.
