The question is however that the street will be used easilly ninety five per cent by county and provincial traffic and it does not seem fair, just or equitable that the people of this small municipality should be saddled with a large expenditure to provide a good highway for provincial and county traffic. Richmond Hill is entitled to a substantial grant from the county to pay the twenty five per cent of the cost of paving Yonge Street for which this municipality is liable.

Building Activity In Richmond Hill

Ajax Realty Company Have Great Faith in the Future of Richmond Hill and Undertake Extensive Building Operations Here

The "boom" town is ever alluring to a large number of people, in that it seemingly offers the opportunity to grow with the place. To get in on the ground floor, so to speak, at first blush prompts great numbers to rush to the place which is showing marked signs of growth and where they find many others who had been attracted in the same manner. They seek their new home with the avowed purpose of growing up with the town and that FOR SALE-Dodge sedan in good determination serves as an impetus to make the town grow. Richmond Hill is on the eve of an era of growth and advancement. A new paved highway, improved radial service giving direct communication with Miss Mae Nicely, Miss Gertrude the heart of the great city of Toronto, improved waterworks system bundant supply of good water are all improvements which we are anticipating this year. All these added to our many natural advantages including our location just a few miles north of one of Canada's most prosperous and promising cities give Richmond Hill all the ear-marks of a town which is due for a "boom".

All present indications are that

The Liberal wishes the Ajax Realty Company every success in their undertaking and on behalf of the citizens commend them for their initiative. The ball has started rolling. If you want to keep it rolling "knock" every "knocker" you meet. The opportunity to grow is just as great and greater here than in a great number of towns in Canada. If your desire to grow is real there will be accomplishment.

Regular Meeting Junior Women's Institute

A splendid meeting of the Junior Women's Institute was held in the home of Miss Mae Meek on Aug. 6th Owing to the busy season many were unable to attend but over twenty girls were present. The meeting opened with the singing of the opening ode followed by the roll call to which practically every girl responded with a salad recipe. It was decided to send in an application for a course in home nursing to take place late in January. Mr. Graves the district director from Scarboro talked on the three greatest things in our lives-whole-hearted work, true love and life itself. A contest in guessing baby photographs followed in which Miss Vera Nichols was successful in securing the prize.
