

Unionville

The third annual fruit, flower and vegetable show to be held under the auspices of the Unionville Horticultural Society will take place on Friday in the township hall, beginning at 7 o'clock, and it is expected that all the exhibits will be placed in position by 3 p. m. Absence of rain and adverse weather conditions have militated greatly against the flower display, but notwithstanding this, a big exhibit is looked for. In the evening there will be an illustrated lecture by Rev. George Tibbs on "English Gardens."

BEWARE of poor lubrication and faulty motor fuel. Cut down your repair bills by using Peerless gas and Castrol oil.

"Be Ready With Reddy Power"

BEETON CASE CLUE FOR BOND ROBBERY

Provincial police are now engaged in a search for dominion government bonds stolen from banks at Stouffville and Mount Forest when robbers got away with over \$115,000 in cash and bonds. Through the police probing of the Beeton criminality a clue to those stolen bonds was found and now the police are working on the theory that Daniel Forsythe, the man killed by Alex. Hodge when he attempted to rob the latter on the night of July 22, was a leader in the gang that robbed the two banks.

One of the bonds stolen from the Mount Forest bank, it is said, turned up recently in a Toronto broker's office, having come there from the Beeton district. It had belonged to Joseph Goodyear of Mount Forest.

Dan Forsythe was born and brought up in Stouffville. He had as a fellow prisoner when he served a term in Texas one Floyd Austin. This man was picked up by Pinkerton detectives in New York and brought back to Guelph for trial on the Mount Forest bank robbery charge because some of the bonds taken from there were found in his possession. He was acquitted, however, and went back to the States where, according to the Pinkertons, he was shot by some of his accomplices of whom he demanded money. Austin and Forsythe, it is said, were released from the Texas prison shortly before the Stouffville and Mount Forest robberies.

There is also the circumstance of the dynamite caps that exploded on the farm of Sam Nevils, one of the accused men now facing trial, when Nevils' children found them and played with them in the barn. Two of the children are now dead and one is in the Barrie hospital. The police theory is that Forsythe left the dynamite in the barn for future use.

"Well," says the younger generation, "who invented the alarm clock. We didn't."

At the first glance of a cross-eyed man "applause" and "applesauce" look much alike.

HOUSEHOLD HINTS

At least once a year, take down your window shades, stretch them out on a flat surface and after dusting thoroughly, go over them with a wet (not dripping) cloth rubbed lightly with white soap. Clean a portion of the shade at a time, rinsing off the soap with a cloth squeezed out of clear water. Dry thoroughly.

When making anything you desire to set in insertion, try this method: Hems on either side are avoided by having a line of hemstitching made where you intend the insertion to go. Cut through the hemstitching and sew the insertion to either side with fine stitches. This saves much time in rolling hems and produces a neater finish.

The correct way to line a round cake tin with paper is to cut a double-thick band about 2 1/2 to 3 1/2 inches wider than the depth of the tin itself, and somewhat longer than its girth. The paper should be folded over for about one inch and notches should be cut out at even distances, so that the band when laid at the bottom of the tin will lie flat, the hem covering the space between the outer band and the circular piece of paper to cover the bottom, which is inserted last of all.

Keep Your Eye on The Road

A serious accident happened on the 6th concession of Markham on Sunday evening in which Wm. Griffith, suffered a broken nose, and nasty cuts about the face while others in the car escaped with bruises and cuts. Mr. and Mrs. Griffith, were out for a drive with Toronto friends, Mr. and Mrs. B. Smith. As they were proceeding south along the 6th line someone in a passing car recognized Smith as a fellow employee in a Toronto shop, and in removing his hand from the wheel to wave, he allowed the machine to swerve into the one in which Mr. and Mrs. Griffith were seated, upsetting them and throwing the driver through the windshield. The car that swerved came out little the worse, and its occupants escaped unhurt.

Baseball Notes

Oshawa 9 — Richmond Hill 2

Oshawa juniors continued their string of victories Monday afternoon, at Oshawa, when they defeated the Richmond Hill Junior Champions of the North York Yonge Street League by a score of 9 to 2. After losing the first game Saturday afternoon, on the home diamond by a score of 12-1 Richmond Hill visited Oshawa with a much stronger team and put more fight into the game, which kept the score down. Oshawa scored one run the first innings and came back in the third with two homers, with two men on bases each time, which put the score 7-0. Sharpless and Lynett were the battery for Richmond Hill and both played an excellent game. A change was made around third base for the Hill, putting Cliff Graham on third and shifting Hart to centre field. Oshawa scored two runs in the fifth to Richmond Hill's one, but were held scoreless after that. "Dunc" Campbell started the fire works in the seventh, and the local boys scored their second run. Campbell hit the horse-hide for a two bagger sending the man on third across the plate and filling the bases with only one down. The next two batters popped flys to the infield. All the Richmond Hill boys wanted was two or three heavy hitters and it is a good bet that the game would have been closer to home. A change was made in the seventh innings when Manager Grant yanked Hart from centre field and putting "Steve" Young at short and Lyle Grant in centre field made the team a lot stronger. Grant robbed three Oshawa players from scoring, by making three sensational catches.

The feature of the game was the only double-play of the day which was made by Young to White. Horton and Creane in the outfield for the losers both saved the Hill from another 12-1 defeat by making some very clever catches. Al White held down second in first class style.

This is the first time any team from Richmond Hill has ever been in the O.B.A.A. play-offs and the boys deserve much credit although they did not win, they put a fight for the honors, they had a hard team to play against, a team that has played together for five years and has never lost a game in that time, and have won the Midget, Bantam, Juvenile and Junior O.B.A.A. honours, and is a team that will make any other Junior team step for the honours in the Province of Ontario.

The Richmond Hill Juniors champions of the North York League are arranging games with the Peterborough Juniors champions of their league, for Labor Day at that City and the following Saturday on our local Diamond. This team was also put out of the play-offs by the Oshawa Jrs. by the scores of 15-1 and 17-2.

GOOD CROWD AT GAME

There was a good crowd of fans on hand to witness the first game of the play-off series between Richmond Hill juniors and the Oshawa team. The crowd on hand was ample evidence of the truth of the old slogan "it pays to advertise." The game started out well and looked as if it were going to be a real struggle. Oshawa scored 2 runs in the first inning, and Richmond Hill 1 in the second. This proved the extent of their scoring however and a number of errors cost the home boys the game. Outside of a few errors which were sometimes responsible for three or four runs there was not the difference between the two teams that the score would indicate. Sharpless turned in a game in the box which was just as good and probably a little better than that of his opponent. He was credited with twelve strike-outs and with any kind of support should have won the game. "Curly" Lynett behind the bat turned in a good game. The lineup was as follows:—Oshawa, Carver rf, Baird lf, Rowden cf, Young 3b, Gunton 2b, Hubbell 1b, Little ss, Luke c, Ogden p. Richmond Hill—A. White 2b, H. Horton lf, A. Crean rf, J. Hart 3b, L. Grant ss, C. Graham cf, D. Campbell 1b, R. Lynett c, H. Sharpless p. Score by innings:

Oshawa — 2 0 3 2 0 2 2 —13
R. Hill — 0 1 0 0 0 0 0 —1

Hurled Stick at Passing Motorist

While motoring between Unionville and Markham village one night last week, a passing motorist hurled a slab of wood at the car driven by Miss Irene Reaman, of Mount Joy. The stick passed through the windshield and struck Miss Reaman in the breast. But for the timely action of her father, Ab. Reaman their car might have been ditched. Seated beside his daughter he grasped the wheel in time to bring the car back onto the road. Whether the offending motorist resented the head-lights on the Reaman car, or from some other reason they foolishly threw the stick, is not known.

Classified Advertising

"THIS IS THE DAY OF ADVERTISING--MAKE THE MOST OF IT"
RATES—Five lines or less, 25 cents for first insertion and 15 cents for each subsequent insertion. Over 5 lines 5 cents per line extra each insertion.

Hens Go Motoring

"Even the hens have taken to motoring" says the Sunderland correspondent of the Uxbridge Times. "One of our prominent farmers motored to town on Tuesday evening last and on arriving here found two of his hens had gone to roost comfortably perched on top of his car, having made the trip into town."

Prince of Wales Receives First Railway Ticket at New Station

When H.R.H. the Prince of Wales formally opened the new Union Station at Toronto, his first action was to visit the ticket wickets of the Canadian National Railways, there to receive Ticket No. 1 of the issue from the new Depot, entitling him to passage "Between All Stations" and good "for all time." Photograph shows His Royal Highness at the ticket window; behind him, in morning coat, is Lieutenant-Governor Ross of Ontario and to his right, Mr. U. E. Gillen, General Manager of the Toronto Terminals. On the extreme right of the photograph is seen Prince George, with Mrs. W. C. Ross, wife of the Lieutenant-Governor.
