**ANNUAL SCHOOL FAIRS
IN YORK COUNTY**

"Boost Live Stock" is Slogan This Year

In less than three weeks School Fairs commence. Twelve fairs will take place if weather permits, from Sept. 12th till Sept. 28th. During this period Mr. Rogers and Mr. Stewart assist with judging in Peel County, and in return get help for the largest fairs in York County.

The slogan, "Boost Live Stock at the School Fairs" for 1927, with bigger cash prizes offered is having good results. Already several children have been training and fitting their colts, calves, etc. and we look for real competition. The judge will take more time to give reasons this year, since there will be no drills and more time is available. Every boy and girl should fit and train their live stock and bring it out to the Fair. Judging competitions should be bigger and better this year with the Royal Prizes as a reward.

The High pupil cup is donated by the T. Eaton Co., one for each township. These are beautiful cups, and should bring out real stiff competition. The dates and places are as follows:
Stouffville Sept. 12
Thistletown Sept. 14
Nobletown Sept. 15
Vandorf Sept. 17
Vellore Sept. 19
Markham Sept. 20
Sharon Sept. 21
Virginia Sept. 22
Belhaven Sept. 23
Agincourt Sept. 26
Willowdale Sept. 27
East King Sept. 28

**JUDGING COMPETITION
AT THE EXHIBITION**

York County Junior Farmers and Junior Women Will Take Part

York is sending a strong list of Junior Farmers and Junior Women to the C.N.E. judging competition this year. Seventy-five young people from this county will match their knowledge with five hundred juniors from all parts of Ontario.

The boys are permitted to judge in one class of Live Stock and either grain and roots or fruits and vegetables. The first prize in each class is \$20.00 and runs down to \$1.00. The C.N.E. give the competitors passes, a banquet and free grand stand seats in the evening. More boys and girls in York County should take advantage of this.

King Township has the largest representation. Mr. Elton Armstrong, who is President of the Junior Farmers, and took his training under local representatives, has influenced many young men in his own township to enter. He is never too busy to tell these boys what a good animal looks like.

Vaughan follows next in numbers, with Etobicoke and Whitechurch well represented. North Gwillimbury and Georgina are sending good judges too. There are thirty-five girls entering in the open competition. The team representing York is composed of Evelyn Weddell, Newmarket; Ruth Jennings, King; and Ruth Scott, of Sutton. Special coaching lessons will be given the girls on Sept. 2nd and 3rd by Miss Elliott, of Weston.

Practically all these young people have taken a short course under the Dept. of Agriculture and all well prepared for their competitions.

TYPOGRAPHICAL ERRORS
In one column of an ordinary newspaper, explains the Kingston Standard, there are 10,000 pieces of type used; there are 7 possible wrong positions for each letter; there are 70,000 chances to make errors, and millions of possible transposition. In the sentence, "To be or not to be," 2,769,022 errors can be made by transposition alone, and yet you hear people kick about the number of mistakes which actually occur.
With the high rate of speed at which a modern newspaper is produced, the wonder is that errors are the exception rather than the rule.

A Lady Wins Long Service Emblem

Long service records in modern industrial life are usually held by men. But Miss M. I. Phillips of Quebec City is not far behind the service record-holders of the telephone business. When the first long distance line was completed between Quebec and Montreal, Miss

Phillips was the operator who "set-up" the first call. For close upon forty years she has been at the service of the telephone users of the ancient Capital, and has seen the city's system grow from less than 500 telephones to the present 20,000. Quebec's telephone using public, now served from two imposing ex-

change buildings—one of them housing "Automatic" equipment—appreciate the kindly, helpful service which it has been the life-work of Miss Phillips to provide. She was recently the recipient of a Service Emblem from her company symbolizing her long and exemplary record.
