GENERAL NEWS AND VIEWS

Oshawa City Council has passed a by-law making the pasteurizing of milk compulsory.

Premier Ferguson announced last week that the government would increase the tax on gasoline next session and decrease the license fees on motor cars. It is said that the present three cents tax will be increased to either five or six cents.

The death occurred at his home in Kettleby, on Friday, August 19, of Frederick Walton, a member of one of the oldest families of King Township. Deceased was the eldest son of the late Jacob and Mary Walton and was born in King Township, where he had resided all his life. He was a most successful farmer and highly esteemed by his neighbours. He is survived by his wife and one son. The funeral took place on Sunday afternoon to the Kettleby cemetery.

The members of the Newmarket Bowling Club had a Point Tournament recently and it proved very interesting. Each individual counted for himself and there was only one bowl on each rink at a time but those that counted had to be within three rings. The smallest ring counted three, the next two and the larger ring one. All passed from rink to rink.

Out of a total of 67,821 miles of roads in the Province to-day, 31,162 are improved gravel and 5,025 paved. In 1901, a million dollars was voted by the Provincial Legislature to enable the counties to finance the improvement of their highways. Two years ago \$25,000,000 was spent on Ontario Highways, through the Provincial Government. Of this sum \$8,000,000 was spent on provincial highways, \$8,000,000 on county roads, \$3,500,000 on township roads and the balance on road improvement in Northern Ontario. During the past ten years \$180,000,000 has been expended by the Government and municipalities of Ontario on roads.

The following are the winners in the standing oats competition under the auspices of Scarborough Agricultural Society: 1st, W. Loveless, Scarborough Jct.; 2nd, J. S. Baird, Scarborough Jct.; 3rd, Jack Little, Agincourt; 4th, W. R. Ormerod, Agincourt; 5th, J. S. Laurie, Agincourt; 6th, W. McGricken, Agincourt; 7th, A. W. King, Agincourt.

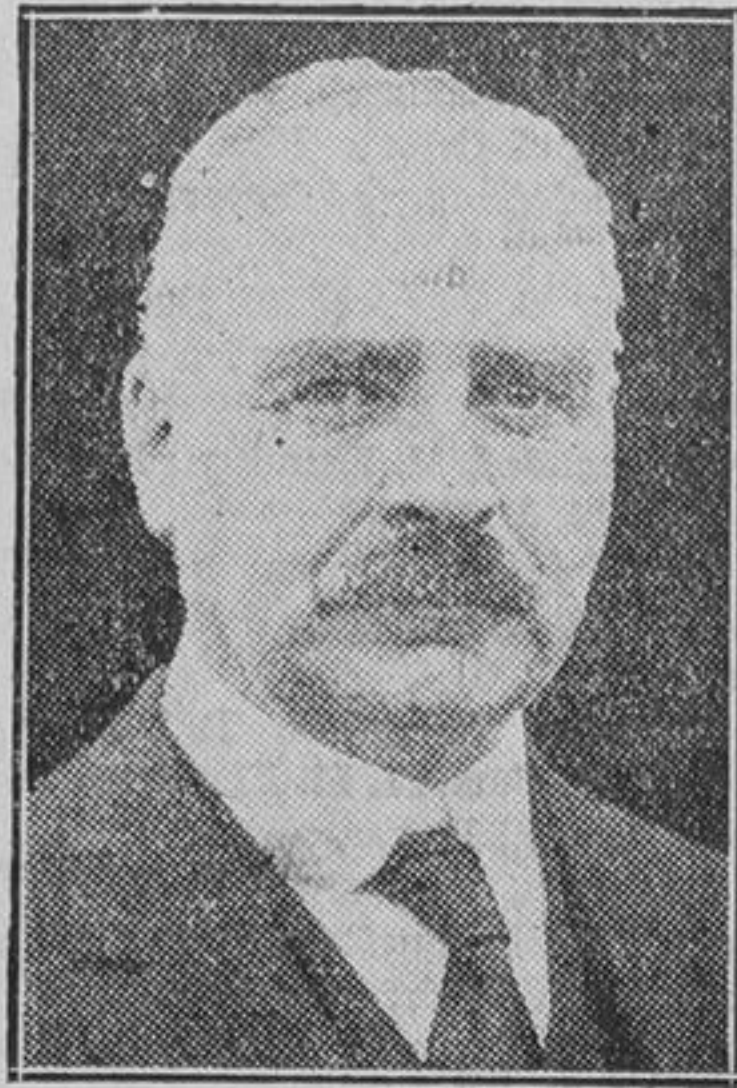

'Tis Hard To Believe
Chief Scott of Renfrew had a long drive through different parts of Pontiac county on Friday last after two carloads of gypsies who had left Renfrew taking along money which they had secured through flimflamming—\$30 from a man and \$10 from a woman. He finally caught up to the Bohemians at Norway Bay and get from them \$40, plus costs of \$10. In counting out the money one of the women of the party handed Scott \$45, saying "there's the fifty dollars." Counting the money, he found a shortage of \$5, but the count being made on the spot the other five was not long in forthcoming. The same gypsies, after operating in Renfrew, also played a like game on the other side of the Ottawa, and a Quebec officer was after them. The last Chief Scott saw of the gang they were in the new goal at Campbells Bay.

Their flimflamming is an old, old game, and wonder was felt here that the gypsies were able to operate in the way that they did.—Renfrew Mercury.

Interested
A Black Hand letter addressed to a wealthy match and cigarette man demanded \$25,000, or otherwise they would kidnap his wife. Through error the missive was delivered to a poor laborer by the same name who replied: "I ain't got no money, but I'm interested in your proposition."

One For Each
A college boy walked into a drug store. "Gimme a bottle of liniment and a bottle of furniture polish."
"What in the world are you going to do with that combination?" inquired the druggist.
"Well, my roommate has rheumatism of the legs and of one them is wooden."

Dignity must have been invented by some man who lived where there were no mosquito bites to scratch.

B.C.'s NEW PREMIER
Hon. J. D. MacLean, Minister of Finance and Education in the British Columbia Legislature, and for some time Acting Premier, has been sworn in as Prime Minister of that province.
