ELGIN BAND WON PRIZE AT EXHIBITION

Elgin Mills won notable distinction on Music Day at the Canadian National Exhibition when the Elgin Band under the leadership of Mr. P. A. Drury won third prize in the band competition. Four bands were entered in class C 2, Meaford, Listowel, Weston Boys Band and Elgin Mills. The selection played was "Echoes of the Opera" and the judges awarded first place to Meaford, second to Weston Boys Band and third to Elgin Mills. According to the regulations there had to be five entries before a third prize would be awarded but because of the closeness of the decision and the splendid showing of the Elgin Band there were allowed the prize of \$100.

The Elgin Band which was only organized about four months ago are deserving of hearty congratulations on their achievement and due credit must be given Mr. P. A. Drury whose capable leadership and excellent musical abilities were largely responsible for the success of the band. The following are members of the band; leader P. A. Drury, cornetists, Paul Arlitt, Les McNair, E. Stiles, J. Arlitt, L. Sheppard, H. Reid; euphonium Ted May; baritone R. E. Perkins, trombone W. Mannell, altos B. Mannell, H. Hodge, bass F. Hodge; drums George Stiles, W. Andrews.

School Pupils Hard At Work Once More

Schools of the district opened on Tuesday morning and the attendance in nearly every school shows an increase over last year. The Richmond Hill High School had an attendance of about 250 on the opening day and it is expected that this figure will increase as pupils continue to come in. The two first forms are well filled. There are two new teachers on the staff this year, Mr. Hume and Miss McLennan. The attendance at the Public School is about the same as last year with an average of 40 pupils per room. On the opening day chairman G. H. Duncan and Secretary R. S. Cooper of the School Board visited the schools on a tour of inspection. Chairman Duncan addressed a few words to the pupils at the Public School.

Thornhill and Langstaff schools opened with the same teaching staffs as last year. Willowdale and Lansing combined public schools opened with about six hundred pupils in attendance under the new principal, W. J. Warden of Toronto, formerly of Saskatoon. The attendance is about the same as that of last term. Nine rooms are being used in Lansing, with two in the old school at Willowdale and two in the portable. The new 4-room \$40,000 school at Willowdale will not be completed until October 1st.

Maple Annual Field Day Drew A Large Attendance

DAY OF SPORTS MUCH ENJOYED AND ALL EVENTS KEENLY CONTESTED

The Prize Winners
Maple annual field day was held on Saturday last and was favored with ideal weather. Considering the counter attraction of the Exhibition and the very busy season of the year the crowd in attendance was very gratifying and was evidence of the popularity of Maple's annual day of sports. There was a series of softball games, a varied lot of midway attractions, races for young and old which were keenly contested and music provided by the Elgin Concert Band under the leadership of Mr. P. A. Drury. After a sumptuous supper which was served in the hall there was a play entitled "Lena Rivers" given by the Richmond Dramatic club. After the concert there was a dance for which the King Orchestra provided very acceptable music. The whole day was a very successful one and reflects credit on the capable officers and committees who were in charge of the various events.

In the men's softball tournament Haughs of Toronto defeated Richmond Hill by a score of 7 to 6 after a hard fought game.
