

York Mills

When thieves entered the home of A. Dingman, York Mills, last weekend, while the family was away, they left evidence that meals had been enjoyed. They left some of the food on the table and left the electric stove burning. Every room in the house had been ransacked.

Oak Ridges

8.30 p. m.—Open air Service on the lawn of Mr. D. Kerswell, by Rev. P. L. Soanes. This service will be held in the Pavillion if weather unfavorable.

LASKAY

The W.M.S. of the Laskay United Church are having Missionary anniversary services on Sunday, September 18th, at 2.30 and 7 p. m. Rev. Mr. Burgess will speak at the afternoon service and Mrs. A. H. Barker, of Korea will be the special speaker at the evening service. There will be special music by a ladies choir. On Monday night, September 19th, the young ladies of the church will give a Missionary Pageant which is highly recommended. There will be a musical program and an address by Mrs. Barker on her work in Korea. Don't fail to miss this treat.
The W.M.S. met at the home of Mrs. Wesley Hamilton last Wednesday with a full attendance. A large bale was packed consisting of clothing and quilts for the Indians Home at Norway House.

Still On "Fast Time"

Despite the official announcement that the town would revert to standard time on Sunday evening last a good many of the local business houses are still running on daylight saving time. Several of the business men express themselves quite strongly on the question and fail to understand why local clocks should be changed before the change was made in the city of Toronto. "It simply means that we must open on fast time and close on standard time and we don't know where we are and neither do our customers," said one prominent business man to the Liberal. It is understood that Toronto will change to standard time on September 25.

Booth Robbed

Petty thieving has been reported along Yonge Street during the past couple of weeks. The refreshment booth of Mrs. Miller, Mill Road was broken into during the week and a quantity of pop and confectionery stolen.

If perpetual motion were to be discovered in these days of startling progress it would be accepted as a matter of course.

FARM SALE

Credit Sale of Cattle Sheep and Swine, Wednesday, Sept. 14, at 1 o'clock, the property of Colin Sheardown, lot 1, con. 11, King Township 1 mile south and east of Bolton, consisting of 11 fresh milk cows, 11 springers, 22 steers and heifers, one and two years old, 11 sheep and 19 pigs. Terms, 12 months credit. J. T. Saigeon, Auctioneer.

Auction Sale—Saturday, October 1, horses, vehicles, and house and lot the property of Norman Preston and Mrs. Stevenson. Terms cash for chattels and the terms for house and lot will be made known on day of sale. Sale at 2 o'clock sharp. J. T. Saigeon, Auctioneer.

Lansing

When he was returning from work on Saturday afternoon, Sept. 3, shortly after 5 o'clock in his wagon, Geo. Stone of Sheppard Ave., Lansing was thrown to the pavement and severely bruised, when a car driven by L. Thomas, 1386 Bathurst St., Toronto, crashed into the rear of his wagon, and causing the team of horses to run away. Stone was driving south on Yonge St. just south of the Municipal Hall, when Thomas car also going south attempted to pass, but on account of another auto going north, had not sufficient room to pass with the result that he crashed with terrific force into the wagon. Mr. Stone was thrown violently to the ground. He received a bruised hip, arch of right foot sprained and one of his fingers was broken. He received medical attention from Dr. J.D. Berry of Willowdale.

When Walter Smith, of Bales Ave., Lansing was standing at the edge of the pavement on Sunday evening, Sept. 4th, at 9.30 p.m., along with his brother-in-law, L. Douglas, of Carling Ontario, they were struck by a south-bound auto, driven by R. Draves, of Detroit. Smith was badly bruised about the arms and legs but Douglas who suffered a broken leg, below the knee, and his left leg fractured at the thigh, two ribs fractured, a thumb broken and his kidney lacerated, was very seriously hurt. Dr. C. E. Hill of Lansing had the injured man conveyed to the Toronto General Hospital, where he lies in a critical condition. Draves is being held by the Provincial Police.

If You Please

A great many of our subscriptions commence on September 1, and notices to all subscribers to this effect have been sent out. Discerning advertisers insist on a paid up circulation and in order to keep the Liberal to the front as a bright news up-to-date weekly we must keep our subscriptions paid in advance. This is necessary to maintain our advertising patronage and we ask the co-operation of our large family of readers. We are endeavouring to maintain one of the newsiest and best equipped weekly newspapers in the province of Ontario in this district and all we ask is your co-operation. Thank you in anticipation.

Carrville

Another interesting event in this old burg—Saturday, September 17th is Field Day of sports and concert in the evening under the auspices of the Ladies Aid Society, of Carrville Church. Ladies Softball tournament for which a prize of \$10.00 will be given to the winning team. Novelty races and running races for young and elderly young. Refreshments will be served on the grounds—A good concert will be given in the evening. Sports start at 2 p. m. sharp, concert at 8 p. m.
School lunches and home-work are the order of the day again. Good success to the new teacher, Mr. S. Lonie and all our boys and girls in their splendid endeavours.

North York

The regular meeting of North York Council was held at Willowdale on Tuesday. It was finally decided that the bridge over the Don river will be constructed, with work commencing at once. This was the decision of the council, when they accepted the decision handed out by the Ontario railway board, after hearing for a second time evidence submitted by petitioners in the vicinity who did not want the bridge.

Engineer Baker stated that if the bridge was commenced immediately it could be finished this fall, but the least delay would hold up construction till spring.

By-laws were passed authorizing stone and gravel pavements on Doris street from Spring Garden avenue to Greenfield avenue, and on Wentworth avenue from Addington St. to St. James street; stone and gravel pavement on McKee avenue from Yonge street to Kenneth avenue; watermains on Bishop avenue from Yonge Street to the east limit of lot 16, plan 2233; also a six-inch watermain on Tenth avenue west from Dufferin Street to the west limit of plan 2502; a by-law authorizing the construction of the necessary works, plant appliances and equipment for street lighting on John avenue from Yonge street to the west end of John street.

Vaughan Twp. Council

The regular meeting of Vaughan Township Council was held in the Township Hall, Vellore on Tuesday. Reeve Kellam presided and all the members were present.

James Stewart 3rd concession, was paid \$39. for sheep worried by dogs on July 11. He was allowed \$15. each for the sheep by the valuator and \$6. was realized which was deducted from the amount paid. Mr. Stewart complained that he did not know where he could go and buy shearing ewes for that price. He had shot a couple of dogs this year he said but they did not have tags and he could not trace the owner.

Deputy Reeve Robson stated that he felt a reward should be given to people who shot dogs found worrying sheep.

A grant of \$20 was voted to the Vaughan Township School Fair.

A letter was received from Mrs. Bennett Brookside complaining that an award of the fence-viewers had not been enforced and asked the council take action.

A communication was received from the Provincial Department of Highways advising that the grant to the Township this year, based on work done, would be \$9,275.98. This was quite satisfactory to the council.

A writ has been served on the Township as a result of the accident on August 3rd, when the car driven by Wm. G. Hull, of Toronto, plunged over the embankment at Boyle's pond on the Maple sideroad. Hull claims \$1000 damages and costs. Notice was also received that action would be taken on behalf of Guy Risebrough who was injured in the same accident and who has since died as a result of injuries received.

The clerk was instructed to have the Township engineer take steps to have an award for the opening of certain ditches on May Avenue with a view to providing better drainage for the street.

A by-law was passed appointing T. H. Keys and Dougald MacIntyre tax collectors for the Township.

The construction work on the subdivision streets at Yonge Street has been nearly completed. A coat of tarvia will now be put on which will complete a job which is highly satisfactory to the council and to the people on the streets concerned, there is a possibility that Oxford St. may be also paved this year. It is already graded and the council thought it advisable to get the stone on this year if at all possible.

STOVES

The coll evenings will soon be here You will need a little fire to make the house more cosy. If buying a stove make sure its

Notice

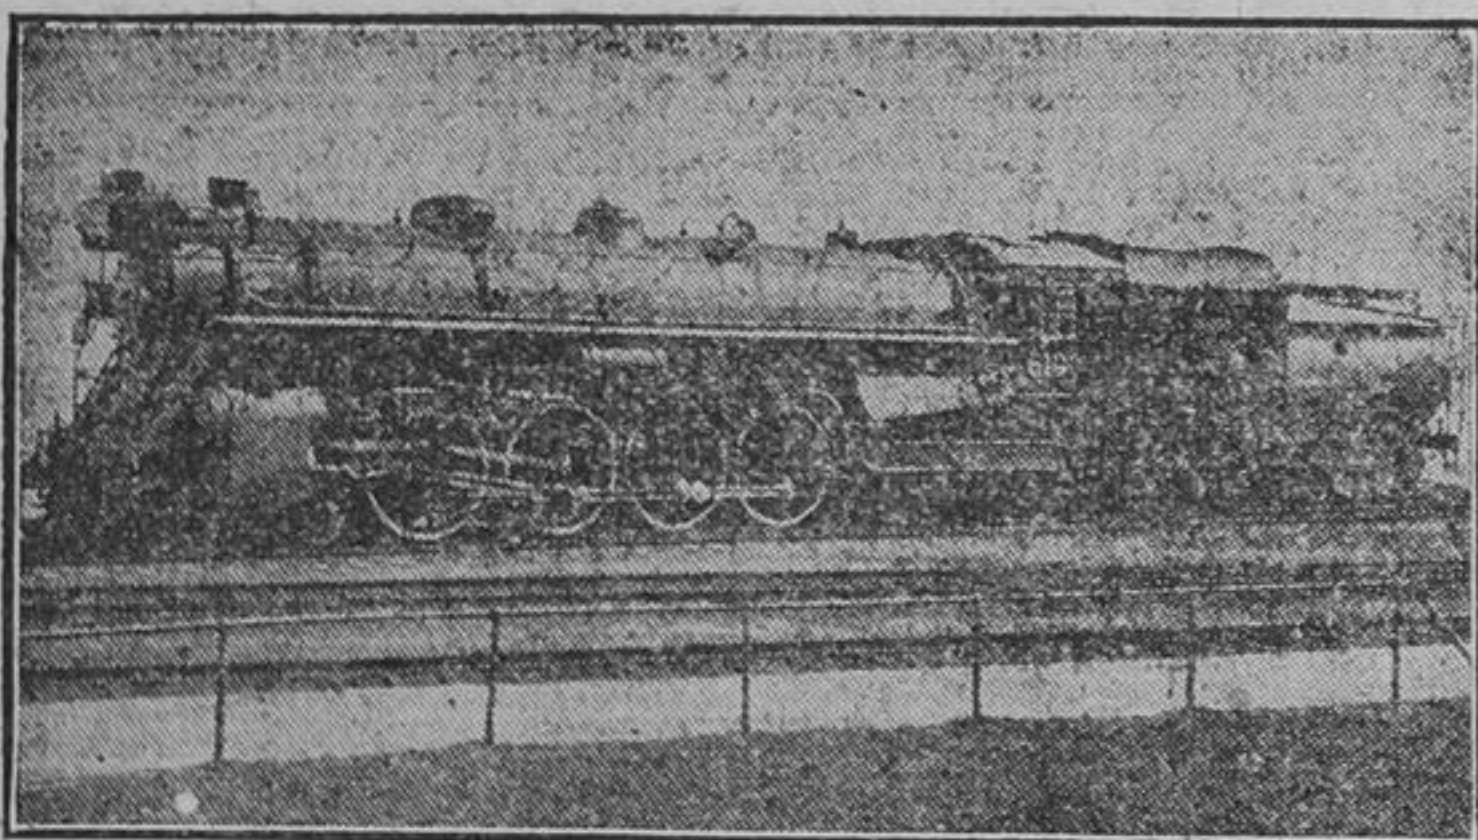

MARKHAM TOWNSHIP PUBLIC NOTICE RE NOXIOUS WEEDS

Section 4 of the Weed Control Act, 1927, provides as follows: "Every occupant of land, or if the land is unoccupied, the owner, shall destroy all Bladder Campion, Ox-eye Daisy, Perennial Sow Thistle, White Cockle, Wild Mustard, Wild Oats, Canada Thistle, Burdocks, etc., as often in year as is sufficient to prevent the ripening of their seeds.

Section 9 of the same Act also provides—"Any owner or occupant of land who contravenes any of the provisions of this Act or who refuses or neglects to obey any lawful order of the Inspector given under this Act shall incur a penalty of not less than \$20 nor more than \$50 for every such offence. R. S. O. 1914, C. 253, S. 10, Amended."

Canada's Newest Locomotive

The illustration depicts the new "6100" class locomotive, the latest production of the mechanical department of the Canadian National Railways. Forty of these "Northern Type" engines have been manufactured in Canadian plants for use of main line fast passenger and manifest freight service. They are 93 feet 10 1/2 inches over all. The tender has a capacity of 11,800 imperial gallons of water and 20 tons of coal. In working order the total weight of engine and tender is 638,000 pounds. Note the new position of the whistle, located on the left hand of the smoke box near the stack. This is to save the driver's ears. These engines are designed for power at speed and it is estimated that they can make 90 miles an hour with a heavy train.
