Yonge Street Pavement Herald Of New Era for Richmond Hill

Councillors Argue In Favor of Making It a Complete
Job By the Construction of Curbs.

RICHMOND HILL CITIZENS CAN ONCE MORE MINGLE FREELY WITH THE PEOPLE OF THE WORLD WITHOUT FEAR OF RIDICULE AND ABUSE AS A RESULT OF THE BAD CONDITION OF YONGE STREET THROUGH THE VILLAGE. WHEN THE MONSTER STEAM SHOVEL GOUGED THE FIRST SHOVEL FULL OF DIRT FROM THE OLD ROAD RICHMOND HILL CITIZENS WERE VINDICATED. IT WAS A GREAT SIGHT AND ALL BREATHED A SIGH OF RELIEF. IT WAS A WONDERFUL FEELING TO SEE THAT WHICH HAD BEEN WAITED FOR EXPECTANTLY FOR SEVERAL MONTHS ACTUALLY COMMENCE. IT WAS A FEELING AKIN TO THAT EXPERIENCED BY A LONG BESIEGED PEOPLE WHO SIGHT THE APPROACH OF RE-ENFORCEMENTS COMING TO THEIR RESCUE. WHEN THE PAVING COMPANY STARTED WORK IT HERALDED THE APPROACH OF A NEW ERA. IT WAS ALPHA AND OMEGA. THE BEGINNING OF GREATER THINGS FOR RICHMOND HILL: THE BEGINNING OF A TIME WHEN CITIZENS WILL HAVE TO CULTIVATE THE QUALITY OF MODESTY AS OUTSIDERS ADMIRE AND PRAISE OUR FINE PAVED MAIN STREET: THE BEGINNING OF A NEW SPIRIT IN RICHMOND HILL WHEN ALL CITIZENS ARE PROUD OF THE HOMETOWN AND PROUD TO TELL THE WORLD ABOUT IT: THE BEGINNING OF GREATER THINGS FOR RICHMOND HILL WHICH ARE THE NATURAL REWARD OF PROGRESS AND CIVIC PRIDE. THE END OF A LONG PERIOD OF ANXIOUS MONTHS OF WAITING AND BARGAINING: THE END OF MANY MONTHS OF ADVERSE ADVERTISING THROUGHOUT THE LENGTH AND BREADTH OF CANADA AS A RESULT OF THE CONDITION OF THE ROAD: THE END TO DOCILE AND GUILTY SUBMISSION TO NASTY JIBES AND REMARKS ABOUT RICHMOND HILL WHEREVER ONE HAPPENED TO TRAVEL.

The Warren Paving Company commenced work at the south end of the village on Wednesday morning with a steam shovel excavating for the new T.T.C. tracks in the centre of the roadway. Traffic is diverted along the Markham Road and up Church St. to Lorne Avenue and Richmond Sts., and everything is going smoothly except that the corner of Lorne and Church Streets is an exceptionally dangerous one due to the building on the corner which obstructs the view. The council have erected danger signs, and have stationed a man at the corner to direct traffic. "No parking" signs have also been erected along the detour streets in an effort to keep them clear for traffic. It is estimated that the work will take about one month to complete.

The contract was awarded to the Warren Paving Company for the construction of two ten foot strips of pavement on either side of the T.T.C. tracks. It will be an asphalt pavement and general satisfaction is felt that the contract is in the hands of the Warren Paving people who are well known for the quality and dependability of their work. The total cost will be \$33,751.00 for 4096 feet of pavement. The portion of this cost charged to Richmond Hill will be twenty-five per cent. of this amount less the cost of 200 feet at the south of the village, cost of which will be born entirely by the Department as it is outside the corporation. Richmond Hill's share will be approximately \$8,127. This will be reduced by the grant received from the county the amount of which is not definitely known and will not be known until after the November session. The amount asked for was \$8,000. The contract price of

\$33,751 includes the construction and installation of all necessary drainage. The T.T.C. tracks will be paved between the rails similar to the other section of the road and the cost of this will be borne entirely by the T.T.C. This contract has also been secured by the Warren Paving Company and the local municipality has signed an agreement to take care of all maintenance during the next fifteen years.

At the regular meeting of the council on Monday night Councillors Herrington, Sloan and Baldock strongly expressed themselves as favorably getting a price on the construction of curbs and gutters through the business section of the town. They were of the opinion that this was the time to make the job complete by doing this work. "Let's make a job of it" said councillor Sloan. Reeve Lunau vigorously opposed the suggestions as he felt that it would be a burden on the taxpayers of the village. Moreover if that additional expense was undertaken it would have to be submitted to the people he said. "Let's put it to the people then" said Councillor Sloan. "I've had no objection from the start to letting the people vote on it" said councillor Herrington. Councillor Baldock pointed out that the municipality was reasonably sure that the province and the county would take care of the strip of roadway in the centre. "Surely" he said "we can undertake some obligation to make a finished job of it and I am sure that when the construction company have all their equipment here the costs would not be a very serious item." It was suggested that probably if the business section were curbed the property could be taxed for a portion of the cost and the balance spread over the town. Reeve Lunau said he thought if the business men on Yonge Street wanted curbs and gutters they should pay 100 per cent. of the cost. It was suggested that a sixty per cent. and forty per cent. basis would be more fair.

Councillor McLean thought that the town was already taxed heavily enough and that it was a deterrent to the growth of the village. He had compared them with other places as he travelled over the province and there was no question about it taxes here were high, and when that impression gets abroad it does harm he said. Chorus of many voices—"Taxes are no higher here than anywhere else considering our assessment."

Councillor Baldock—"There's a good deal of that high taxes talk starts right in our own town."

Councillor McLean "It doesn't come from me."

Reeve Lunau suddenly closed all discussion on the curbs and gutters proposition before anything definite was decided by calling for the next business. It is possible however that prices on the proposition will be secured and presented at the special meeting of the council on Friday night for further discussion. If the price is considered reasonable a petition may be circulated and the work done as a local improvement on a percentage basis to be agreed on later.

Newtonbrook

Presentation to Mrs. R. Nash By North York Neighbors.

Last Wednesday evening a large number of her neighbors gathered at the home of Mrs. R. Nash, of Fourth Line, East, North York. Mrs. Nash has sold her farm, which she has occupied for many years to Mr. Harold Acreman, of Bradford. Mr. Acreman has entered at once into possession and Mrs. Nash purposes to leave the neighborhood. But before she left her neighbors determined to express to her in some way their esteem of her long and useful life in their midst. After the gathering had been called to order by the pastor of the local church, Rev. E. R. Young, Miss Rena Topping read address and Mrs. Travis, on behalf of the Ladies' Aid of Zion United Church and friends in the neighborhood, presented Mrs. Nash with a beautiful clock. After the presentation a delightful social hour was spent and refreshments were served. Wherever Mrs. Nash and her family go they will certainly carry with them the highest esteem of their neighbors around Zion Church.

The following address was read:

Mrs. R. Nash,

Todmorden, R.R. 1, Ontario

Dear Mrs. Nash:

It is with a distinct sense of loss that we hear of your contemplated departure from this community. In your long residence here and readiness to help on every good cause, you have won a large place in the appreciation not only of the members of Zion United Church but also of every other member of this neighborhood. Your many talents, affection and zeal have found expression here and perhaps every office and position that you could possibly be given has at one time or another been given to you. This only shows to you the high esteem you have won in this place and it will be a better index to you than anything else, how we shall miss you after you go. In every capacity and in every trust committed to you, you have exhibited the highest and noblest character and service. It is a simple thing to say we are sorry that you are leaving this place; but we mean it. We can only hope that you will find many friends and every comfort in the place where Providence shall cause you to cast your lot. There will always be a hearty welcome for you whenever you can find it in your power to revisit this place. Your fellow members in Zion United Church and especially in the Ladies' Aid will miss you but they will follow you earnestly with their prayers and wish you ever God's richest blessing and in these prayers and good wishes we include every member of your esteemed family.

Signed by Mrs. E. Travis, Mrs. Geo. Topping,
Todmorden R.R. 1, Ontario

Oak Ridges

The regular monthly meeting of the Oak Ridges Branch of the Women's Institute was held at the residence of Mrs. John H. C. Durham, Craigmere Bond Lake, on Wednesday afternoon of last week.

The rose seemed to be the most favored flower in answer to the Roll Call. One of the members with a burr in her voice naturally preferred the heather.

The excellent programme supplied by the Aurora Branch of the Women's Institute, who were the guests of the day, was a real treat. An attendance of over seventy women enjoyed the well rendered songs of Mrs. Lambert Wilson, Mrs. Meiklejohn's splendid paper on "Religion in the Home," Mrs. Gray's collection of "Current Events," in which she did not even omit making known in closing that "Granny bobbed her hair," and the comic readings given by Mrs. Baycroft.

A social half hour was spent at the close of the meeting during which refreshments were served.

SHERWOOD
