PETITION CIRCULATED FOR CURBS AND GUTTERS

At a special session of the village council held on Monday night it was decided to circulate three petitions to the residents of Yonge street relative to the construction of curbs and gutters in addition to the pavement already contracted for by the village. If the petitions are sufficiently signed the work will be done on the local improvement plan, sixty per cent. charged to the property abutting on the work and forty per cent. in the general rate of the town. One petition will cover the business section of the town, from the south line of W. G. Baldock's garage to the north line of Eden's store, and similar petitions to the residents in the sections north and south of these dividing points. Each petition is absolutely independent of the other.

It is proposed if the petitions are sufficiently signed to construct a curb and gutter and an additional one and one half feet of pavement on either side of the present proposed twenty-nine feet of pavement which would make a thirty-four foot roadway. The cost of the above will be \$3. per lineal foot and added to this will be the cost of paving the intersections and any necessary drainage. The Warren Paving Company strongly urge that the additional cost will more than repay the municipality in the appearance of the street and the preservation of the pavement now proposed to be laid.

Councillor Sloan chairman of the waterworks committee reported that specifications relative to the proposed work at the waterworks were not quite complete but that the engineers were working on it and would have it ready in the course of a few days. It is proposed to use wooden pipe for the work which will mean a considerable saving over the use of iron pipe in the initial cost as well as the expense of installation.

GOLDEN ANNIVERSARY EDGELEY UNITED CHURCH

The Golden Anniversary of Edgeley United Church was fittingly observed by special services on Sunday and a celebration and re-union on Monday. At the re-union between three and four hundred people sat down to supper supplied by the ladies, and a concert was held in the church, those taking part being W. Williams, Miss H. Smith, Miss O. Smith, all of Toronto, and the Thornhill orchestra under the leadership of Miss Aileen Atkinson. An interesting feature was a history of the church and the names of ministers who had been in charge for the past fifty years, which was given by the Rev. Dr. Stewart of Toronto, who had preached at Edgeley forty-nine years ago. On the birthday cake the candles were lighted by J. Smith of Toronto, a former member of the church. The honor of putting the knife into the cake went to Mrs. Gerten, the oldest resident.

On Sunday two rousing services were held, with Rev. Dr. Stewart in charge. The choir was assisted by former members, some having sung in the choir when the church was opened fifty years ago.

CARRVILLE FIELD DAY A SUCCESSFUL EVENT

The Ladies Aid held a very successful Field Day on Saturday last. The weather was all that could be desired for such an occasion and the ladies are to be congratulated on their enterprise. In the afternoon a programme of novelty and other races proved very amusing and the Ladies teams from Elgin Mills and Thornhill met in a very interesting game of softball, Thornhill winning the game by a small margin. In the evening a splendid concert was given in the church, which was well filled with an appreciative audience. The artists were Mrs. Billorough, of Aurora, soloist and elocutionist; Miss E. Drury, Richmond Hill, elocutionist; Misses P. Glass and Mae Sanderson, Richmond Hill, duet; Mrs. Levey Toronto reading; Mr. Fulton Vanderburgh, reading; Mr. Stiles, cornet soloist; Messrs Taylor and Craighton, of Humbervale, Hawaiian music.

Mr. Woolcott donated three prizes for a bean guessing contest, which were won by Mr. Eaton, Thornhill 1st, Mrs. Wm. Tyndall, Richmond Hill 2nd, and Miss Sprague, Elgin Mills 3rd. Mrs. Walter Deadman, of Richmond Hill won a beautiful doll, by guessing its name. Winners in events of the afternoon were:

The Sunday School will give its Rally Day programme next Sunday evening. Responsive readings, recitations, suitable hymns with greetings from the Superintendent Mr. Gane, and the Pastor Rev. J. W. Fox. will be worth while for everyone in the community to hear.

The Anniversary services of Carrville, church will be held on Sunday, Oct. 2nd, at 2.30 p.m. and 7 p.m. Rev. C. B. Jeffery, of Fairbank, a former pastor will preach at both services. The choir of Maple United Church will sing at the afternoon service and the Headford choir will sing in the evening.

Operations Were Halted
Operations of the Warren Paving Company were temporarily held up on Monday morning when it was ascertained that the excavation for the T.T.C. tracks was considerably off centre. Reeve Lunau immediately communicated with T.T.C. and Highways Department officials and finally had the matter straightened out to the satisfaction of all.
