Have you promised the family "a good radio set" this year? It is a good investment in culture and you should not delay the day. In present state of development the fall and winter months are best for radio reception. The air is free from storms and electrical disturbances and a good radio furnishes entertainment and instructions for the whole family.

This store is headquarters in North Toronto for the Victor Orthophonic. We can supply you with complete new sets. The range of prices is very low. You'll be surprised at the low cost.

"Come in and Listen In"—and let us explain the merits of the different sets.

Markham Veterans Elected Officers

At a meeting of the Markham Veterans Association held at Unionville, Tuesday night and called by Vice President Williams G. Hobbs, the annual election of officers for the current year resulted as follows:—President, Lionel Middleton, Vice-President, W. G. Hobbs; Sec.-Treas. Allen Meyer. Executive Committee—Gilbert Mumford, Fred W. Sloan, George Styles, F. Clinkinbloomer, R. Walters, H. Lattimer, George Knowles, Edward Brown, G. W. McConnell, E. Bolton, A. Travis. Dr. S. S. Ball of Stouffville, Vice-President of the Veterans of the Federal Riding of North York occupied the chair and conducted the election. The aims and objects of the Association and the extensive work accomplished during the past year were set out by President Breuls of the Central Association. James A. Muston, President of the Stouffville Veterans congratulated the Markham Association on the election of officers of capacity and integrity of character. Speeches were made by the newly elected officers. Considerable business was transacted. Several cases of relief received attention and arrangements for Poppy Day discussed.

Elocution Classes Will Be Resumed

Miss Marguerite Boyle who is one of the best professional graduates of the Owen A. Smily studio, and is herself a very fine platform elocutionist and entertainer, is again starting her classes in public speaking, elocution and dramatic art. Intending students may receive an unprejudiced test by applying at Miss Boyle's studios, either at Homewood Hall, Thornhill or at the Harris School of Music Toronto. The success of twenty of her pupils in recitals in Toronto last May is proof of her ability as a teacher.

A Timely Comparison

We print the following with all due respect to the proverbial and recognized generosity of plowmen in general and York County plowmen in particular. It is a well known fact that members of the local committee arranging for the annual match appreciate very highly the hospitality of Major Morrison and the staff at the Municipal Farm when they hold their periodical meetings. The plowmen are loud in their praise of the way they are used on every occasion. It apparently stops there however according to a story which is told which is as follows: One of the waiters in the room where luncheon was served was approached by the guard and kindly told that if he would turn out his pockets he would see that the tips he had received would be put in safe keeping until his sojourn at the farm was ended. The witty waiter however compared the whole affair which had been voted such an enjoyable affair by all the guests as very much similar to a tag day in Aberdeen, with nothing when it was all over except a Scotch Mist.

FARM SALE

Auction Sale—Saturday, October 1, horses, vehicles, and house and lot the property of Norman Preston and Mrs. Stevenson. Terms cash for chattels and the terms for house and lot will be made known on day of sale. Sale at 2 o'clock sharp. J. T. Saigeon, Auctioneer.

A credit auction sale of Cattle and pigs, the property of H. S. Fierheller, will be held on lot 17, con. 4, Vaughan, one mile south of Maple on Wednesday, October 5th, commencing at 1 o'clock sharp. Terms all sums of \$25 and under cash, over that amount six months credit on approved joint notes, 3 per cent. off face of note for cash. J. Carl Saigeon, clerk. J. T. Saigeon, Auctioneer.

North York Council Regular Meeting

"Work will be commenced immediately on the Don Boulevard bridge," stated Engineer G. H. Baker at the meeting of North York township council Monday afternoon. "The bridge department approves of a concrete abutment and a steel super structure, with the result that we can now go ahead with the work. I expect that the structure will be completed in two months."

North York township market report showed that on operation to September 1 there was a deficit of \$185.29. This, however, is more than covered by the tangible assets that are in the market, such as tables, trestles, plank flooring, lighting system, extension to building. Receipts for 1926 from July to December amounted to \$623.69, with expenditures of \$1,081.65, while from January to September, 1927, the receipts were \$742.43, with expenditures of \$469.76, making a total of \$1,366.12 receipts for both years against \$1,551.41 expenditures for the same length of time.

It was recommended that Robert Pool, the superintendent, receive \$5 per market day from September 1, 1927.

Two new polling sub-divisions were created in the township by the passing of by-law 493 which re divided the municipality into 21 sub-divisions instead of 19.

By-law 494 was passed providing that the annual cost of street lighting on John avenue from Yonge street to the west end of John avenue to be specially assessed on the lands abutting directly on John avenue, according to the frontage.

The reeve and clerk were authorized by by-laws 496 and 497 to execute on behalf of the corporation a deed conveying eighteen houses to the housing commission of the municipality of the township of North York.

Construction was authorized for a six-inch water main on Hilda avenue from Drewry avenue to the south limit of lot 29.

Messrs. J. J. Duggan and G. Sims appeared before the council, asking that a grant, no stated sum, be given towards the Poppy Day Fund which will be conducted by the Canadian Legion in the township on November 11. Last year the county made a general grant by which the local post did not benefit to any great extent. The matter will be given consideration.

More Going to Jail

The population of the jail and jail farm at Langstaff, is growing. Property Commissioner Chisholm of the City of Toronto, reported that there were at the jail on September 14, 140 inmates as against 112 on the same date last year and at the farm 307 as compared with 230.

Suspicious Brute

Daisy—"I mended the hole in your trousers pocket last night after you had gone to bed, Walter dear. Now, am I not a thoughtful little wife?"

Walter—"Well—er—yes, you are thoughtful enough. But how did you discover there was a hole in my pocket?"

Husband (going through house-keeping accounts)—"But what is the earthly use of running accounts with four grocers?"

Wife—"Well, you see, dear, it makes the bills so much smaller!"

Your life lies before you; the past—let it sleep; Its lessons alone are the things you should keep.

Ella Wheeler Wilcox.
